CHAPTER 1 THE SECRETS OF THE AFTERLIFE

Welcome, Beloved. The Lord took me to Hell for 351 days and to Heaven for 40 days.

On that day in prayer when I fell for the first time in a trance, I was breathing since I was not dead. They tried hard to wake me up. But it was not possible. Since I was working with pastors, they understood that the Lord was working with me. And whenever I fell into unconsciousness, these men of God work on keeping my body in a private room.

Welcome, brothers and sisters, I'm Pastor Aston Mbaya from the Church of Sacred Chapel in Congo. Brother, no one preached the gospel to me. I was in the bar with my friend drinking alcohol, when suddenly I heard the voice of God calling me. I was stunned. I said, "I am not a Christian. But why is this God interested in me?" I resisted the voice of God. And I said, "I am not serving any God."

But it was on that day that things changed completely. I gave my life to Christ. I was ordained by a man of God who trained me in the things of God. It is in that church that I serve God. It is the Lord who commissioned me to render the testimony of things I saw that I'm going to talk about.

Actually, this encounter began one day while I was praying at night. As I kept praying, I saw a light. When I wanted to check who switched on the bulb above that I turned off not long ago. It is then I saw a light that was intense. It was a hundred times greater than the sun. I could not watch this light and I fell on the ground into a coma. This experience was not a death experience since I was

breathing. It was a trance since I was raptured in the spirit and I left my body as I collapsed on the ground.

Immediately I heard a voice in the middle of a light that called me by my name and said, “Aston, My son, you have been chosen by God to be a witness of things you are about to see. You will tell the world about secrets that I will show you and you will tell them that Hell is real. Whoever will refuse to follow My way will fall into that horrendous place.”

I was in a coma. But when I stood up from the floor, I saw that I was standing. However, my body was still lying on the floor. I was wondering what was happening to me. I was unable to touch physical things. I mean, I could not even touch my body, for there is no bond between the living and the dead. I was troubled. But whenever I tried to touch things, my hand was going through the material and physical things. The people that were sleeping in my room could not see my spirit. When I tried to open the door, I saw that my body went through the steel door. And I wondered. In fact, I had all my senses, my intellect, my memory, and my will yet I could not touch anything. I was really troubled by all these phenomena.

And I began to run around the neighborhood and I was shouting for help. I went to my pastor’s place and I tried to talk to him, but he could not see and hear me. I went to my brothers, but they could not see me. I went to the street shouting to my neighbors, “I’m Prophet Adam, come and see what is happening to me.” But no one could hear me.

Whenever I saw the living in the street, I tried to tell them about what was happening to me, for I was really troubled and restless. However, no one could hear me since I was in another dimension. I kept shouting to people to come and see what was happening to me. As I was moving in the street, I began to realize that I was moving at great speed in comparison to the people who were alive. It was when I saw a man going through me that I began to come to the realization that I was dead.

Brother, I saw that this man was in the same situation as me. He was troubled and in despair, and he was crying, talking to himself and asking, “Why have you people buried my body? I am still alive.” The man was crying bitterly.

I continued to move around the city. And I began to see more people who are running around crying like me. They were all complaining that their families had buried their bodies. Brother, these people that I saw in the street were actually the dead. They were wandering spirits, for they were dead and their

souls were wandering the Earth. I was also a wandering spirit like them. I realized that I was in the world of the dead like these wandering spirits.

It was when I reached the 18th street of the National Boulevard of the city that I met a late Christian singer who was notorious in the country. This servant of God was known and popular. When I met brother Charles Momba I saw that he was dressed in shorts, and his shirt was torn. When I saw him I was stunned because he was a popular singer. Yet I saw that he was crying and saying, "Why have these people buried my body? I am alive." In fact, this singer was dead and he became a wandering spirit moving around the Earth.

Like all the dead that I was encountering in the street, I tried to tell him to stop so that we can talk, but he was so troubled, he went away in confusion. Then I got to a popular church in the city. This church was not of God, for I saw demons in this church trying to capture my soul. Quickly I ran away from them in fear.

As I continued to move to the city I found myself in another part of the capital. I saw a group of people walking, they were naked. When I looked again, I saw that these people that were naked had horns on their heads. There was a demon leading these witches. He was dressed in black. I saw that the demon that was the leader of these wizards was carrying pots containing human blood. It was evident that I was actually in the spirit world, seeing what normal men cannot see. I saw that these naked wizards were dragging a man that was tied up over the body. This captive was also bound on the neck with a chain like a dog. This captive soul was dragged like a dog in the street and he was moving on four legs.

I heard him saying, "Oh, my wife, you are a Christian. Rise up and pray for me your husband. These people have captured my soul and they are taking my soul to destruction. Please, my wife, I don't go to church like you. But please wake up and pray for me. I beg you, the mother of my children. Bad things are happening to me."

These wizards replied to this captive, "Keep quiet and shut up. Your wife is not coming."

As these horned people were dragging this man, I told them, "Now you're going to stop this. What are you doing to this man? You got to release this captive."

Quickly their leader who also had horns looked at me and he looked at these wizards and said to his servants, "Let's ignore him. We must move on."

This demon and the witches ignored me and they moved on dragging this captive with them. As they move forward, I decided to follow them. I was telling them, “You can release this man.”

We traveled to a place that was like a compound. In the end, I saw these demons hanging this man on a piece of wood. They butchered his body and they shared his flesh and I saw them consuming his flesh and they devoured his whole body. When I saw this horrendous scene, I feared and I ran away for fear of being devoured by these demons.

As I was moving, I saw people doing satanic and diabolic rituals in the middle of the boulevard, in churches, in the public places, on the top of the trees. Some people were doing incantation. Souls of the dead were wandering here and there.

I ran away and ended up in the General Hospital. When I got inside the hospital, I saw two kinds of people. I mean, I saw the living and the dead moving in the hospital. I saw physical beings and spiritual beings. When I went into the intensive care unit, I saw a doctor telling a group of nurses, “Our patient is dead.”

When the doctor spoke that way, I saw the dead patient sitting on the bed beside her body. And this woman was telling the doctor, “I am here sitting on the bed. Why are you saying that I am dead? Can’t you see me?”

As this patient was trying to talk to these nurses, I said to the doctor, “You are making a mistake. She is not dead. She is alive. Can’t you see her?”

Then I said to the young woman, “Tell them that you are alive. You are not dead.”

The young woman told me, “I have been telling them that I am alive. I think they're ignoring me and they don't want to hear me.”

Then I saw the doctor informing her family that she was dead and the family began to cry. I tried to tell this family that their daughter is not dead, but they could not hear me. The woman began to talk to her family to tell them that she was alive, but they could not hear her.

Finally, this young woman told me, “We are no longer in the world of the living anymore. We are in the afterlife, we have to go.”

This woman held my hand led me to a morgue at the hospital, where I saw many people who had their hand on their cheek reflecting and they seem to be sad.

We asked one of them, “Why are you sitting here very sad?”

He said, “I had an accident and I was brought here in this hospital. But the doctor declared me dead. I told my family that I was not dead, but they ignored me. And they went on to bury my body. Since I have no place to go, I dwell here.”

The second man told us, “I was sick and I was brought here and I died. That is why I am here.”

Beloved, I want to tell you that the spiritual world is real and the physical world is just as real as the realities of the unseen world.

There is a physical world and there is a spiritual world populated with spirit beings. I saw all these souls in the mortuary and they were complaining that their bodies were buried and they were stuck here, and they are waiting for their time.

When I was about to leave this hospital, I wanted to open the door. Quickly, I saw that my hand went through the door and I crossed the door. When I wanted to walk the street, I saw that I was crossing and penetrating the walls of houses. I was able to pass through the walls of houses, and I saw people seated and sleeping in their houses. I was effectively a spirit without the body crossing the walls of many houses. I saw whatever was happening inside people’s houses, but no one could see me. I was moving at great speed.

And then I found myself around our local cemetery. When I got to this cemetery, I saw a group of people coming out of the cemetery yet it was late in the night. I saw that these people had spiritual and immaterial bodies instead of physical bodies. These people that were coming out of the cemetery were not ordinary humans.

I was watching when I saw a man that sat on a chair at the gate of the cemetery with a book that seems like a registration book on his table. I saw that these entities that were coming out of a cemetery stood in the queue before this man in order to sign in his registration book before leaving the cemetery. These demons of the cemetery were about to come out in order to operate in the

physical world. Beforehand, they had to register their names in the book before leaving the cemetery.

When the first entity signed in the book, I saw him coming out of the cemetery to the middle of the street. I was watching this spirit. I saw that he took the sand from the ground and he splashed the sand in the air. Quickly I saw this demon entering inside the sand and turning into a physical man. I saw that this demon was dressed in the human body thanks to the sand he had splashed into the air. And he had become a human since he now had the appearance of a human.

The second entity that came out of the cemetery did the same process of splashing the sand in the air, and he also became a physical human being. However, I saw that this entity had become a very beautiful woman with a lot of hair. She was wearing tight clothes and holding a bag like an earthly woman. I saw this woman that was a demon walking the street in the night when suddenly a driver that was passing stopped his car in order to make an advance to her not knowing that she was a demon, not a human being.

In the meantime, these demons kept coming out of the cemetery and they were taking human shape and becoming physical. I saw one of these entities leaving the cemetery with a photo of a dead man that he took from a grave. I saw this demon entering the photo of a dead person. Immediately he took the appearance of the person in the photo and he was exactly like the man in the photo. I was scared of this terrible phenomenon.

In the meantime, many more demons were coming out of the cemetery to operate in our world and I decided to run away. After moving away from this place, I arrived in another borough of the capital. Though it was a late-night, to my surprise, I saw that there was a market with a lot of people buying and selling. I said to myself, "There is never a market in this place during the day and in the physical world. And where are all these people coming from?"

Brother, this was a huge market full of people. I decided to leave. When I was leaving this market of witches and evil spirits, I saw a group of people coming towards the market. They had cotton in their ears and their noses. I saw that they were removing these cotton from their noses and ears, and they were happy to join the market. I was in wonder and I continue to run.

I was crying and saying, "What is happening to me?" I ran all night over the city. I saw celebrities and popular people who were already dead. Their souls were wandering the city. These people were no longer physical for their bodies

were already buried, but they had their senses, their memories, and reason just like me.

After running all over the city I was so tired that I prayed. I said, "Lord, if only I ever serve You please save me."

When I did this prayer, quickly, a light came down from Heaven. And I heard a voice in this light that came to me. The voice told me, "My son, fear not, for you are chosen by God to be a witness of things that you will see. And we will travel to Hell so that you can tell the world that Hell is real, the judgment is real and the satanic power is real. Those who reject My ways will fall to that frightening place called Hell. There is grace for the living to be saved. But there is no more chance for those who are dead."

The Lord took my hand and said, "We must now travel," and He took me to a high mountain where there were two chairs. I saw that the Lord was wearing a white garment and a golden belt having the inscription of King of kings and Lord of lords. On His crown, it was written, "The Lord Jesus Christ."

His body was transparent and golden. I could see Him in all dimensions. The Lord was not white or black, but gold and shining. There was blood in the holes of His hand.

The Lord showed me the Earth that was in darkness. He asked me, "My son, what are you seeing?"

I said, "I am not seeing anything."

He then pulled a white stone from His garment and put it on my eyes. It was then I was able to see the nations of the world. I saw men and animals. I saw the minds of men and the hearts of men. I saw many people going to the cemetery to bury their loved ones. But I saw the souls of their loved ones above the coffin following them. These people that were dead were trying to talk to their loved ones, in order to tell them they are alive but the living could not enter and communicate among the souls of men that were dead and wandering the Earth.

I saw a man that had died on the Earth. I saw that this man had chains over his body. There were chains on his neck, legs, and feet, and I saw people that were dressed in black. These people were dragging this man that was bound in chains like a dog.

I said, “Lord, why are these men dragging this individual like an animal?” I asked Jesus, “Are you seeing what is happening to that man?”

The Lord said, “This man was wicked in his life and he never gave back to people what he owed them. When he died, he was chained and dragged by these demons of death.”

Then the Lord took me in the past to show me a traffic accident that had happened in our city. I saw a bus moving on the boulevard. As the bus was moving, I saw an angel of death. He was dressed in black, and he pushed the bus that was moving in the boulevard. As a result, this bus collided with another car and there was an accident.

When I saw this accident, I said, “Lord, I watched this accident in the past on the national television.”

The Lord said, “My son, I brought you back in the past so that you can see what happened on that day of the accident.”

When this accident happened, I saw the souls of the dead around this bus complaining about their deaths. These people had the shape of their bodies that had received blunt force trauma in the accident. They had the shape of torn and mangled bodies because of the accident.

Jesus said, “These people did not give their lives to God. That is why they are complaining. You're going to tell the people of the world that there are only two universes after death, which is Hell and the Paradise of God. These are the destinations of the people.”

The Lord said, “On the Earth, the wicked and the saint, live together. But after death, the wicked will be led to the abode of the dead and the saint will dwell in the Paradise of God. There is no middle ground.”

When the souls of the dead were watching their bodies in this accident, I saw an infernal vehicle of Hell with 12 unclean spirits inside. The demons inside this vehicle of Hell were dressed in gray, and they had black crowns. I saw that they had pots of blood with them. Inside this vehicle, I could hear secular music of the Earth playing. I heard the leader of these demons ordering them to collect human blood in their pots and to capture the souls of these people that were dead. These demons came from a world of Satan that function with human blood and wherever human blood was spilled on the Earth they come to collect it.

When they collect human blood, people's lives get shortened. These demons often travel to different hospitals to collect blood for the hospital is a place of blood supply. This vehicle was releasing a diabolic and cursed energy. When the infernal vehicle landed on the site of the accident, I saw these demons with their pots, collecting human blood that was spilled in this bus. They took some souls and left behind other souls.

The Lord said, "Those who are left by these demons are people that had died before the time set by God. Those who died in the will of God as planned were taken to the abode of the dead. When people die before their time they will wander the Earth until they reach the time set by God. This is why there are so many wandering spirits on the Earth. They cannot go to the abode of the dead until they reach the number of years that God gave them."

The Lord previously said that there are five major kingdoms of Satan. The first is the kingdom ruled by the code 333, which is the dimension of maliciousness, jealousy, rancor, and evil-heartedness. This is the kingdom whose people have a bad heart. They don't like their friends to prosper. They reject their friends' promotion, they feel pain when other people have a breakthrough. They envy other peoples' positions. These people have the mark 333 on their forehead because they are influenced by demons of wickedness and evil heart of the 333 Kingdom. When these people that have the mark 333 die, they will go to Hell and will be captured by demons of the 333 Kingdom.

There is also the 555 Kingdom that produces the plate 555. These properties of Satan give demons legality. This kingdom of Satan is for household items and food for they control the food, clothing, and the plants we use on the Earth. Most of the food people eat in the world is not food. Often companies signed pacts with demons who multiplied food that they produced so that they can supply the world with their food. These demons are from the 555 Kingdom. They go to the cemetery and collect the bodies of the dead and they transform them into canned meat and processed meat that we eat. These productions happened from September to February. They turn human parts to chicken. People who sell food and clothes sign covenants with demons of the 555 Kingdom because they deal with food.

The other kingdom of Satan is the one ruled by the code 666. They deal with the world system, the trend and the pleasure of this world. The second beast required all the people small and great, rich and poor, free and slave to receive the mark 666 on their right hand or on their forehead so that no one could buy or sell unless he has the mark 666.

The other kingdom of Satan is the 777 Kingdom that is the kingdom of domination and power. Most politicians work with demons of this kingdom. Even pastors that aspire to have big churches and crowds work with this kingdom.

There is also the kingdom of Satan of code 999. This is the kingdom that deals with inventions and technology such as Apple, Android, new media. I remember when the Lord took me to the world of Satan, I saw plasma TV. The Lord said this technology of plasma TV was used in the world of Satan 3000 years ago. It is because it is outdated that they sent it to the Earth. Whatever technology humanity is using today was in trend in the world of Satan hundreds of years ago.

CHAPTER 2 THE CHAMBERS OF SEXUAL SINS AND THE CHAMBERS OF WITCHES AND OCCULTISM

This is the testimony of Prophet Aston Adam Mbaya about the 351 chambers of Hell. The Lord visited me and showed me the reality of the afterlife.

The Lord said, “I am showing you this because I want you to go to the world and tell the world the reality of the afterlife and Hell that you will see here so that they will know that there is life after death.”

The Lord said, “The attraction, entertainment, and pleasure of this world is blinding the world population about the reality of the afterlife. But humanity must understand that if the rapture is being delayed, death will come like a thief in their lives.”

Beloved, I was taken to Hell for a period of 351 days in order to visit the 351 chambers of Hell. In John 3:16, the Bible says, “For God so loved the world that He gave His one and only Son that whoever believes in Him shall not perish but have eternal life.”

Brother, there are 12 gateways that lead to Hell. These gates lead to the 12 tunnels which lead to 351 chambers of Hell.

THE CHAMBERS OF SEXUAL SINS

When we arrive in this chamber of Hell, I saw many doors that were guarded by demons. In this first chamber, I saw that it was written, “The prison of those who have bought the condemnation of sexual sins.”

There was a board with a list of condemnations of various sexual sins. When I read this list, I saw the kind of sexual sins that lead to condemnation.

The first sexual sin was the sin of people who have sexual intercourse in their dream. The second sexual sin was the sin of people who had sexual intercourse before marriage. The third was the homosexual, the fornicator, and those who practice abortion.

When we arrived in this chamber of sexual sins, I could not see people. All I could see was great flames of fire and I heard people who were crying inside the fire. We could hear people but we could not see them.

Then the Lord showed me a man who had a ring of a covenant on his finger. When he saw us coming, the man began to tell us his story.

He said, “When I got married to my wife, I was faithful to her until death. I have never committed fornication. I have not lusted after women. I was faithful to my wife for we grew up together since childhood. And when we got older, we got married legally. However, when I got into my marriage, I began to have the constant dream of sexual intercourse with a woman. I could not identify the lady that was coming in my dream to have sexual intercourse with me. I have never been able to see her. Yet every night this woman came to have sex with me. As these sexual dreams became repetitive, I decided to talk to my pastor, and we set a program for deliverance prayer. On that day of deliverance, though the pastor prayed for me in order to stop and cancel these sexual dreams, however, right after the prayer session, I came to see that his prayer did not stop this phenomenon. And the sexual dreams continued. And when death came, I was condemned in the afterlife because of these sexual activities in the dream.”

Beloved, I saw that this brother who inside a pit of fire was surrounded by seven female devils. Actually, the woman who had constant sexual intercourse with this man in the dream was one of these seven female demons of Hell. The female devil was a siren who was coming in his dream to abuse and mate with him. This female demon was pouring stain and impurity on this man during sexual intercourse. This man was defiled and stained by sexual intercourse in the dream.

Many people are stained and made impure by sex in dreams but they don't see the dangers and the consequence in their spirit that is defiled. While this man was talking to us, I saw that this brother was in a pit and seven female demons were dancing around him.

I asked the Lord about the pit in which this man was burning. The Lord said whenever people live in sin on the Earth, they are providing and delivering material such as brick and cement for the construction of their pit in Hell. Sinful life equal to delivery of material for the construction of the pit of fire, and thanks to a sinful life, people are helping and providing material for the building of their pits in Hell.

In Proverbs, the Bible says a wicked man digs his own hole. People are digging their pits in Hell thanks to their sinful lives

Pro 26:27 Whoso diggeth a pit shall fall therein: and he that rolleth a stone, it will return upon him.

Pro 28:10 Whoso causeth the righteous to go astray in an evil way, he shall fall himself into his own pit: but the upright shall have good things in possession.

I saw that this man who was in this pit of fire was also rotting. There were worms all over him because of sex in the dream. The soul that sins will die. The brother was faithful in marriage, but in the spirit, he was having sex.

In this place, there were men who had committed fornication in their hearts through the eyes, and I saw a brother in the pit there was chained in his body. I mean, his body was hanged with hooks like animal meat in the butchery. There was a hook in his mouth, his penis, and anus.

One day, he was trying to separate two women who were fighting, but as he was separating the two ladies, one of them torn apart the blouse of her opponent who became topless and her breasts were hanging out. This man saw the breast of that woman and the image of the breast of that one woman stayed in the mind of this brother. However, this man failed to erase this image from his mind. He kept seeing the topless image of the lady in his mind, and this image took him to Hell. In the end time, the devil is working hard with images to stumble many to Hell.

I saw in Hell a Sister. I saw that cockroaches were coming out of her private parts, because of the short skirt she used to wear on the Earth. One day she went to church wearing a mini skirt. And while the pastor was preaching the word to

the congregation, she opened her legs. And when the pastor saw her underwear, he was distracted and could not concentrate.

One day, this lady came to attend deliverance prayer. She was dressed in a miniskirt. During the deliverance prayer in the church, she fell into demonic manifestation and unconsciousness. Since she was wearing a mini skirt, her body was exposed to the public.

Many brothers who came to church on that day went back home with that image of her nakedness, which was seen by everybody in the church and she could not enter the kingdom when she died.

Brother, I found out that they were huge numbers of people that were condemned in Hell for sins that they have forgotten and since that they were unaware of this, it is up to the believers to pray to the Lord to reveal to them forgotten sins and unknown sins that may lead them to Hell for there are spirits of accusation in the afterlife.

In this place of sexual condemnation, I saw a woman in a pit. I was told by the Lord that when she had her third child, she decided with her husband not to have any more children. Not long after that decision, she found out that she was pregnant. She went on to abort the pregnancy. Later she got pregnant again and she aborted again. In total, she aborted five pregnancies. When she died, she fell in this place of torment in a pit of fire, where the image of the children that she aborted was shouting justice and vengeance against her.

Then we left this chamber of sexual sins.

THE CHAMBERS OF WITCHES AND OCCULTISM

Then the Lord took me to another chamber of Hell. This was a place of torment for people who visited mystics, native doctors, and Juju priests.

Beloved, in his life on Earth, the Lord had nothing that belonged to the devil and God's children must not visit the mystics. In this place, I saw a lady that had an injury on her two legs, which were rotting. The lady also had chains on her legs.

The Lord said, "One day this lady went out and left her clothes on the clothesline in the public area. While her clothes were on the clothesline, the rain began to fall. But when it was about to rain, her neighbor removed her clothes from the clothesline in order to save them from getting wet."

And when this lady came back, her neighbor gave her back her clothes. However, one cloth was missing. As a result, this lady began to suspect that it was stolen by her neighbor, and there was a row between her and her neighbor. They said to her, “We preserved your clothes from the rainwater. Yet, this is the way you thank us. We did not steal your clothes.”

But this lady went to consult a mystic to find out who stole her clothes. The mystic went on to strike her neighbor with mystical injury, though she was innocent. Her neighbor had really suffered from this mystical injury.

One day, this neighbor went to church to seek prayer and solution from a local church. Thanks to the prayer of a local church, she recovered and was healed from this mystical injury because she was innocent.

Many years later, this lady died. When she died, the mystical injury that the mystic inflicted on her innocent neighbor upon her request came onto her two legs, and she was in this place of torment.

Beloved, this chamber of Hell was the size of a continent. Then I saw a man in a pit. He was asking repeatedly, “Why am I here? What have I done to be here?”

When this man saw the Lord Jesus coming towards his pit, he was relieved and became hopeful. He said, “Lord, I knew that one day You will come to deliver me from this torment.”

The Lord said to me, “This man is here because he was given money by a man who was using magical power in order to have money. Many people knew that the money of that magician was from satanic sources yet this man ignored that truth and got money from the magician. When this man died, he was condemned because of satanic money. This lost soul accepted the money of the magician despite the fact it came from mystical means. Therefore, he became partakers of the action of that mystic by accepting his mystical money. This money was shouting justice because it came from the evil origin. When you know that someone resorted to mystic to get money, you should not touch his money for fear of partaking his evil.”

Then we left this man. As we moved from this chamber of torment, I saw a mountain where it was written, “Valley of Sorcery.”

In this valley, I saw a fire that was turning around like a whirlwind. This kind of fire is never seen on Earth. And inside the fire that was like a whirlwind, brother, I heard the cries of many people.

When we descended into this valley of witches and wizards inside the fire, I saw animals and beasts of all kinds. These beasts had human faces. I mean I saw people that are the bodies of various animals and beasts of all kinds. However, the heads of these various beasts and animals was that of humans. I wonder how could animals have human heads. I was made aware that these were not animals. They were humans who had practiced witchcraft on the Earth although they had the bodies of animals.

In the valley of sorcery, I saw a snake that had the face of a man. The lower part of this snake was burning in a huge pan. I said to the Lord, "On the Earth, I never saw a snake with a human head."

The Lord said, "This man that you see with the body of a snake was a witch, and he used to transform himself into a snake and he was killing babies in the wombs of pregnant women in order to consume their flesh. In his life, he has killed a lot of babies in the wombs of pregnant women, and he ate their flesh. Whenever he killed a baby in the womb mystically, these pregnant women had miscarriages and gave birth to dead babies."

The Lord said, "This man was turning into a snake in the night and he was navigating the city in order to seek pregnant women who were not covered by God's protection. He was entering their bodies through their genital organs in order to kill the babies in the wombs and consume their flesh. This witch was shapeshifting into a snake and entering women's wombs to kill their babies."

"When this witch died," the Lord said, "His soul took the shape of the snake. This is his punishment because he was adopting the shape of a snake in order to kill babies. The snake was his identity."

I saw that the head of this man was changing from man to woman, from a woman to a child.

I asked the Lord, "Why is the face of this man changing to different faces?"

The Lord said, "He was adopting different faces when he was practicing witchcraft. He came to attack people in their dreams with different faces in order to hide his identity. That is why all the faces that he was wearing in dreams in order to attack his victims are manifesting."

Then we left this man and we moved to this place in the valley of wizards. I saw an elephant with the head of the woman. I asked the Lord about this.

The Lord said, “This woman was a farmer. She used to live in a village where farming was a big source of revenue. She used to travel to the capital to sell banana that she was planting. However, in the night, she was turning to an elephant in order to destroy her neighbor’s plantation so that they would not be ready for selling.”

I saw in this valley of wizards that all the people had the bodies of animals like rats and burden beasts. These were the shapes that they were adopting in order to operate. There was a lot of fire in this valley.

There were also political leaders who have signed covenants with the devil. They consulted mystics for power. I saw an American President. I saw the French President Francois Mitterrand. I saw the Palestinian leader Yasser Arafat. I saw our former President Kabila, even the President Mobutu. They resorted to occultic power to sustain their political power.

Then the Lord took me to another chamber of Hell.

CHAPTER 3

THE RECEPTION IN THE 351 CHAMBERS OF HELL

This is Prophet Adam. I was taken to Hell in a period of 351 days in order to visit the 351 chambers of Hell. In John 3:16, the Bible says, “For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life.”

Brother, the wealth, money and goods of the Earth will not save you. The Lord said, “The attraction, entertainment, and pleasure of this world is blinding the world population about the reality of the afterlife, but humanity must understand that if the rapture is being delayed, death will come like a thief in their lives.”

Beloved, the Lord visited me and showed me the reality of the afterlife. The Lord said, “I am showing you this because I want you to go to the world and tell the world the reality of the afterlife. Life and Hell that you will see here so that they will know that there is life after death. I want people that are enjoying life to know that Hell is real and it exists and that after death there is another

life awaiting humanity, which is either the abode of the dead, which is perdition or the kingdom of Heaven.”

Brother, I have received this mandate from the Lord to testify the reality and truth about the afterlife and the reality of Hell. When I came to the Lord Jesus right after my conversion, the Lord began to talk to me and warn me that He will take me beyond the grave to see the truth and the reality of the afterlife so that I can warn humanity.

Years after this promise, I was praying in the night. One day, as I continued to pray, I sensed that my room was illuminated by an intense light. When I sensed this intense light, I decided to open my eyes to check what was happening. The moment I opened my eyes to check the light I fell on the floor. I was on the floor when I heard the powerful voice of the Lord talking to me. The Lord said to me, “Aston, I am Jesus Christ your Lord. I have chosen you for I want to take you beyond the grave to see the realities of Hell so that you will warn humanity.”

Then I heard the Lord asking me to stand from the floor. When I stood up, I realized that my body was still lying on the ground, and it was actually my spirit that stood up. When I left my body, I saw the people that were also sleeping in my room. I wanted to wake them up, but when I tried to do so, I saw that I could not touch them for I was no longer physical. Quickly, I went out of my room in the street. When I got to the street I saw there were so many people who are wondering and crying, and I wondered. I saw these people crying and saying, “We are not dead. We are alive. Why are people crying for us?”

Brothers, their loved ones were crying for them since they were dead. But these deceased souls refused to accept that they were dead. Immediately I came to understand that I was also dead like these people.

When I realized that I was dead, I was shocked. And I began to cry. I cried, and I began to pray, saying to God, “Lord, remember me, I served You during my life on the Earth.”

Brother, it is when I was praying and asking for mercy that I saw a bright light descending from Heaven. The light was shining and descending up to me. When this light descended and reached me, I saw that this light was a man. It was actually the Lord Jesus Christ Himself. I knew that it was the Lord because on His forehead, there was His name. And on His chest was written King of kings and Lord of lords.

The Lord said to me, “Servant, I promised many years ago to take you beyond the grave to see the reality of Hell and report to the world. The time has come for you to visit the abode of the dead in order to warn the world.

The Lord said, “Let us rise to the mountain so that you can see the world.”

Immediately we rose to the top of the mountain, and I saw the whole world was covered in total darkness.

The Lord asked me, “What are you seeing?”

I replied, “I can't see anything because of the absolute darkness.”

Straight away the Lord placed a stone on my eyes. As a result, I began to see the nations of the world and the world population and many things happening on the Earth.

The Lord asked me, “What are you seeing?”

When I looked I saw people in various places carrying coffins to the cemeteries for burial. However, I saw the souls of the dead on top of these coffins. I saw a man whose body was in the coffin. The man was trying to talk to the people mourning for him. He told them, “Why are you trying to bury my body? I'm not dead, I am alive and I am all right.” This man told the crowds, “Stop crying for me. I am alive.” However, I saw that no one could hear this man.

At that moment, the Lord began to show me the death of many people, including pastors, musicians, and presidents. The souls of these people were wandering the Earth before going to the abode of the dead. I saw people dying in drowning, in their houses and traffic accident. Their souls were wandering the Earth and attending their funeral. I stood with the Lord on top of this mountain.

Quickly I saw a traffic accident in the city. Later, I came to understand that this traffic accident that I was witnessing had already happened not long ago in our city. Many people died in that accident. But the Lord wanted me to see what had happened in the aftermath of this traffic accident.

I saw that after the accident many passengers were dead. When I looked again, I saw that the souls of these passengers stood around the bus that had crashed. These souls were all watching the bus and their bodies that had received shocks and fatal injuries.

These people who were dead in the accident were watching their bodies in shock since they realized that they were dead while their living was crying for those who had died in the accident. The deceased souls were trying to tell the living that they are alive. They are not dead. And while these deceased souls were trying to talk to the living, I saw a celestial vehicle that was beaming great light descending towards the boulevard where the accident happened. I saw that in the heavenly vehicle, there were angels dressed in white and they were singing a song that said, "Everything in this world will pass away, May the Lord be glorified."

In the meantime, I heard a deceased soul among the dead saying, "I cannot die now. I just got married and my wife knows that I went to work."

I heard dead men and women who were father and mother saying, "We cannot die, for we are the ones who look after our family. Who will look after our children?"

However, I noticed among the dead, a lady who was not complaining about the fact that she had died, yet her body was torn and destroyed completely on this bus. This lady was full of the rapture of joy. She was dressed in a white garment and she was worshiping the Lord. The lady said, "The judgment and justice of God have been fulfilled in my life."

And while she was in a rapture of joy, I saw the angels of the Lord heading to her and they embarked in this celestial vehicle, and they flew upward to the kingdom of Heaven. They were celebrating in the celestial car.

I asked the Lord, "These bright angels took just the lady and everybody else was left behind."

The Lord said, "These people did not have the mark of God, which is the Holy Spirit. That is why they could not rise to the heavenly."

Then the Lord showed me how the man of God the evangelist and revivalist, Alexander had died. I saw the angel of the Lord appearing to the father of the evangelical revival of our country, telling him that he must prepare himself for death is coming. A few days after the warning of the angel, the man of God died and he was gathered by the angels of the Lord who took him to the celestial world.

Brothers, the very moment the angel transported this lady to the heavenly world, I saw dark demons showing up and landing around the site of the accident right in front of the deceased souls. These demons captured these people who have died in this traffic accident. As they have captured these people, I saw these demons collecting the blood of the victims that was spilled in the bus when the accident happened.

As these demons were collecting the blood in the bus, the Lord told me these demons come from a world of Satan, which is a dimension controlled by the code 999.

Jesus said, "There are many realms of Satan. There is another satanic world controlled by code 333. This is actually around the dimension of witches and wizards, which is based on jealousy and wickedness. There is another satanic world controlled by code 555. This world of Satan controlled by code 555 produced and control the food that humans eat and the clothes that people wear, including many items used on the surface of the Earth. There is also a world of Satan functioning with code 666 that controls the Earth and causes humanity to dwell in sin. There is another world of Satan ruled by code 777. However, the kingdom of Satan controlled by the code 999 is all about human blood."

Jesus said, "Whenever human blood is spilled one way or another on this Earth, demons would come from the dark world controlled by code 999 in order to collect the blood."

Quickly, the Lord showed me a man that was shaved in a barber shop. When he was slightly cut by the razor, quickly a demon of the 999 world came and collected the drops of blood that were spilled from this cut.

Afterward, I saw a woman arranging her hair and she accidentally injured herself. As a result, another demon of the 999 kingdom showed up and took that blood. Blood is used to advance the kingdom of demons.

Beloved, the blood of the dead and living are collected by demons of this kingdom when a man or woman is injured.

Brother, I stood with the Lord Jesus before the site of the accident where the demons had captured the souls of the dead and were collecting the blood that was spilled in the bus. Afterward, I saw these demons rising in space with these captive souls. After rising in space, they finally began to descend with these captives. They were descending to the center of the Earth at great speed.

The Lord Jesus told me, “Servant, we have to follow them.”

While we follow these demons, at that very moment, I saw the death of a pastor in the city. This was a satanic pastor. When he died, I saw his soul being captured by demons, and he joined the souls that were captured by these demons in chains. They were all descending to Hell.

As we were descending to the center of the Earth, I saw 12 openings over the globe.

The Lord said, “These are the 12 gateways leading to the abode of the dead. They are the 12 entries of Hell. When people die on the Earth, they are either drawn to the 12 gates of Heaven or the 12 openings of the Earth, leading them to the 12 gates of Hell.

When we arrived in the center of the Earth, I saw thousands and countless of souls in a queue before a gate, upon which it was written, “The Gate of Hell.”

I saw that these numerous souls were holding in their hands something that looked like a computer disc (CD). And before the gates of Hell, there was a demon in the name of Nickel; he is the destroyer Apollyon. This demon was holding a huge book with the names of the lost souls standing before him in the queue.

The demon was seated on a throne and calling the names of the dead. I saw that these people who had died and landed before the gates of Hell were overwhelmed. They were stunned, dumbfounded, and in terror; they were restless and complaining, they could not accept that they had died and had fallen into this place. These people that were surprised by death could remember their loved ones and families, their homes and children, and life on the Earth. They could not accept that they had died and separated from their loved ones.

Brother, in Hell you will remember your wife and husband, your family and friends. I saw that whenever this demon called the name of a soul in the queue, the disc was taken from his hand and his whole life was projected on a huge screen.

The Lord said, “This CD you see in the hand of the deceased souls is called a testament of existence before the birth of men on the Earth. God gives souls of men this testament of existence and He instructs all the souls coming to Earth to keep His law for all their deeds will be written and recorded in a testament of

existence. It is this testament of existence that allows the world of Satan to broadcast peoples' lives and actions on the screen."

Beloved, among the people in the queue. I saw a child of nine years old. He was crying and saying, "I am a child, I should not be here." The child was crying the names of his parents. Quickly the demon took the disk from his hand and the life of the child was projected. I watched on the screen his life on the Earth. I saw a scene where his mother instructed him to clean the place. He had finished eating, but the child refused to do so and went to play. It is when he went to pee after playing that he slipped in the bathroom and fell. He was hospitalized and he died in the hospital. The Lord could not receive his soul in Heaven and he fell to this place. After this demon had broadcast the life of this child on screen, he threw his soul in Hell.

Then I saw a woman from our city. She was a Christian, and she kept saying to herself, "I should not be here. I am a Christian. I go to church and I tried hard to fear the Lord. I always try to please the Lord, why am I here?"

Then the demon took her CD and screened her life. When her life was projected on the screen, I saw a scene where she was cooking, but she had a problem with her cauldron and coals. Since her neighbor who was her friend went out and left her cauldron with her coals boiling her food. This lady went on to use her friend's cauldron and coals while she was absent without permission. She did everything behind the back of her friend. She thought it was no big deal since she used someone's property without asking the owner's permission.

The accusation was raised against her because she used someone's property without asking the authorization and permission. In fact, I saw her friend called beside her. And there were voices of accusation against this woman who was shocked that this act led her to this place.

The lady was asking, "What wrong did I do?" The demon of Hell told her, "Lady, you used someone's property without asking for permission. It is illegal. You should have asked even if she was your friend." The gates of Hell were opened and the lady was cast into the fire.

Then I saw a man who was also condemned for using his neighbor's soap without permission. The man thought it was no big deal. It's just a soap failing to realize there was accusing spirit in the afterlife.

And other brothers were condemned for using his neighbor's things without asking. As a result, there was an accusation and he was condemned. All these people in the queue were forced inside the gates of Hell.

Brother, every man living on the Earth has a testament of existence where all his deeds are written. And when we die, our lives will be screened on the big screen thanks to the testament of existence.

When we entered the gates of Hell, Brother, I saw a huge flame. I mean, I saw a huge volcano and a huge fire. Indeed, when people enter the gates of Hell, I saw that they were falling into the sea of lava inside the volcano.

I asked the Lord about this place. The Lord told me that this was the reception of Hell.

Brother, this place was a massive volcano with huge lava boiling and bubbling at high temperatures. And there were thousands and numerous people inside the lava of this enormous volcano. I saw countless souls inside the lava of this huge and massive volcano. Don't go to Hell, beloved, I saw that these people were completely scorched. They were skeletal and worms were alive over them.

The Lord said, "When people fall into Hell, they first fall in this place before being transported to their respective chambers and there are 351 chambers in Hell."

These souls were crying and gnashing their teeth in this place. The torment was beyond imagination. And the darkness was really thick.

BOWLS OF FIRE FROM THE EARTH

As we moved from this place I saw the damned souls running away and I wondered. I came to see that they were running from a rain of bowls of fire. The Lord told me that this rain of bowls of fire come from the Earth. It is written in Psalm 11:6-7, 6 Upon the wicked he shall rain snares, fire, and brimstone, and a horrible tempest: this shall be the portion of their cup. 7 For the righteous LORD loveth righteousness; his countenance doth behold the upright.

People were hiding from this rain of fire. The Lord explained why this rain of fire falls in this place. There was a woman who was a good person of a good character. She was a widow and she has managed to raise her children despite all the problems. It was unanimous that she was a good person. However, this

woman had hidden sin. She resorted to prostitution by selling her body in order to raise her children. And when she died, people at her funeral were praising her for her good characters. But these words of praise were coming to this lady in the form of a rain of fire.

Many people in Hell complain and asked people in the world to stop praising them for their words come in the form of a rain of fire. Among these people suffering from the rain of fire were Gospel singers who were praised and complimented by people on the Earth.

Wherever people testify their good behaviors on Earth, the rain of fire was burning them, and the demons were laughing at them. The pain in this place was beyond understanding; this torment is unbearable.

I was around this huge volcano and lava that is called the reception of Hell when suddenly a wind of fire razed from the horizon. This wind burned these lost souls that were trying to hide.

The Lord said, "You will tell the world to avoid this place."

It is not a place to come to as it is unbearable. The torment is beyond imagination. Brother, Hell is gruesome, you will burn but there is no redemption for the flame of fire would become part of your existence. There was this wind of fire burning lost souls in this place.

And when the wind was blowing, I saw that a figure was controlling and steering this wind of fire. I saw this human identity emerging behind this wind of fire. I could read on his forehead an inscription that said, "The Lord of evil."

I asked the Lord, "Who is this man that is coming in the wind of fire?"

The Lord said, "This is the devil, the adversary of God and men."

I saw the devil talking to the demons who were laughing and mocking the damned souls that were burning in the wind of fire. The devil said to his demons, "My servants, behold the so-called image and likeness of God. These people were made in the image and likeness of God. But look at what they have become since they now look like skeletons. They look like corpses rotting covered with worms. Yeah, they were made in the image and likeness of God."

The devil was laughing at these souls and he asked them, “Is it not true that your God made you in His image? Now, look at what you have become. You are now skeletal. Has your God made you in this shape? Just look at you.”

At that time I saw the people begging the devil who was heartless. Satan said to these lost souls, “You people were rejecting me and despising me in your life, but with your actions and deeds you were following me, for you are doing my bidding, though you hated me. You never follow the way of the God you claimed to love and follow. All your life, you claim to love God and you live your lives doing my bidding, instead of the will of your God. Yet you claim to love Him and reject me. You cannot love God and walk in my ways. If you really love God, you would have done His will and obey His command. When you love God you do His bidding and walk in His way. But you did my will all your life.”

At that time I saw the lost souls telling the devil, “We never rejected you. We never scorned you. We praise you.”

Brother, I saw these lost souls praising the devil in order to get his mercy. However, the devil told these lost souls, “Rejoice for this is your kingdom for eternity to eternity since you chose to live doing my will. This is your rewards and your kingdom forever.”

Then these souls were taken from the reception of Hell, which was a volcano to their respective chambers, for they are 351 chambers of Hell.

CHAPTER 4

THE MUSIC CHAMBER IN THE 351 CHAMBERS OF HELL

This is Prophet Adam’s testimony of the 351 chambers of Hell. The Lord visited me and showed me the reality of the afterlife. The Lord said, “I am showing you this because I want you to go to the world and tell the world the reality of the afterlife and Hell that you will see here so that they will know that there is life after death.”

The Lord said, “The attraction, entertainment, and pleasure of this world is blinding the world population about the reality of the afterlife. But humanity must understand that if the rapture is being delayed, death will come like a thief in their lives.”

Beloved, I was taken to Hell for a period of 351 days in order to visit the 351 chambers of Hell. In John 3:16, the Bible says, “For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life.”

Brother, when the Lord took me to this high mountain, the Lord asked me, “What are you seeing?”

When I looked I saw 12 craters over the globe. They seem like funnels. These craters or funnels were like moving. They were all over the Earth.

The Lord said, “These are the 12 entries of Hell.”

I was watching when I saw that these 12 craters becoming one. Quickly I heard a powerful voice that said, “Delivery.”

When I heard this voice saying “delivery,” I saw thousands of human souls being sucked by these 12 craters that were like in a funnel. These numerous souls seem like sand falling beneath the Earth through these funnels. When we followed these souls that were falling in these craters, I saw creatures that were bound on the side of Hell. They were scary.

When we entered Hell, brother, there was an unbearable stench. It was like the whole world is dead and you are exposed to the stench of the corpses of the world. I was hearing cries of hopelessness and despair. There was a darkness that is not found on the Earth.

I said, “Lord, I cannot bear this.”

He told me, “My son, you better see what I am about to show you.”

I said, “Lord, I will tell the world that this place exists.”

The Lord said, “You have to see this. It is necessary.”

When we began to fall in Hell, I saw that we were like descending in a volcano. It was red. Demons were trying to catch us but they could not. When we reached Hell, I saw a limitless landscape, the sand on the ground was red.

Then I saw a huge and silent queue of people. They were numerous in thousands. While these souls were in the queue, I saw that the sand upon which

they were standing was hurting them. I saw that in the air, there were demons flying over.

They were saying to these lost souls, “Rejoice, for this is your kingdom for eternity. You who chose evil, rejoice for you will be here for eternity to eternity.”

I was watching the queue. Then I saw a demon that was holding a chain that was heated in high temperature. It was really red. This demon was hitting the souls that were off the line because of the red sand that was hurting them. And whenever he beat people with this chain, they were huge cuts on their bodies. But I noticed that instead of blood, huge worms were falling out from the cuts in their bodies.

The Lord said, “These people are waiting to be called and be cast into the fire of Hell.”

The Lord then took me to the beginning of this queue. When we reached the gates of Hell, where the queue started, I saw a man sitting on a throne. He was dressed in a gray garment that was dirty. And before him was a table that was endless. I can say that this table was as long as our borough.

Besides this man was a huge plasma TV, where he was projecting on this screen the lives of many people. This demon was Nickel or Apollyon. He was many meters tall. He was guarding the gate and directing souls to the 351 chambers of Hell

Then the Lord said we have to visit the 351 chambers of Hell. There are 12 gateways that lead to Hell. These entries of Hell lead to the 12 tunnels, which lead to 351 chambers of Hell.

I would like to clarify that each chamber of Hell is the size of a continent like Africa or Asia.

CHAMBERS OF MUSIC

In Hell, we visited a place called the chambers of music where I heard the sounds of all kinds of music. I mean secular music and Christian music by soul guitarists, drummers, and those playing all kinds of instruments. I thought there was something good in this place. But it was not the case.

When the Lord asked me to enter, brother, when we entered this chamber of music, I saw popular musicians of our country, I saw notorious American celebrities and I heard some other rappers like Puff Daddy in this chamber. Their songs were playing here. They were leading fans of world music to Hell.

I saw these musicians who were on top of a mountain where it was written, "Mountain of Torment." At this mountain of torment, I saw the souls of musical artists and fans of secular music. These fans of secular music had chains on their necks, which was similar to the one people put on dogs. The chain went beneath the ground. These fans of worldly music were led to this mountain of torment by demons of music.

When a man listens to secular music and any music that is not inspired, there is a condemnation on him. I saw musical celebrities on a platform in this mountain of torment. They were forced to play music. This was their condemnation. These were singers, drummers, guitarists and as they were playing souls of their fans that were attached to secular music were around the platform and listening and being tortured. In fact, while the music was playing in this place, there was a rain of fire falling on them. Musical celebrities and fans were all burnt. I saw the fans of secular music who had their lower part buried beneath the ground and their upper parts that were visible were covered with worms and demons were tearing apart members of their bodies that were listening to secular music.

I saw the demons of Hell who captured the souls of people who listened to secular music, transporting them to this chamber of music. Hearing secular music is condemnation. I saw musicians and those who listen to their music, they were all in this place.

The Lord showed me a popular pastor in our city. Before his conversion, he was attached to secular music. When he came to Christ, he began to serve God. However, he failed to separate from secular music. He continued to listen to secular music coming from his phone through the headphone, for fear of being caught. When he died, he fell in this place for failing to separate from the world.

In Hell, I saw demons tearing apart his ears in order to pull out their mundane songs that he used to hear. This pastor was crying for his torment was unbearable, and there was a rain of fire falling on him. The Lord told me that this rain of fire was the word of good testimony that people on the Earth were saying about him. Whenever people are testifying about his good character, their words are coming to him in the shape of rain of fire falling on him.

In Hell, I saw a lady who likes to listen to the songs of Franco Luambo. But when she came to the Lord, she could not sing these songs anymore, but the lady was singing Franco songs in her heart. When she died, she went to Hell, and demons were tearing apart her heart to pull out secular songs that she was singing in her heart. The fire of Hell is not like the one we have on the Earth and the torment of Hell must be avoided.

There was also a gospel musician in this chamber. What I saw in Hell were chaos and carnage. These demons of Hell are butchers, they were tearing apart people. I saw demons tearing apart people's mouths in order to pull out their songs, for they used to sing secular songs with their mouths because this is their property. Secular music is the property of the devil. Demons tore apart the hearts of people who sing world music in their hearts in order to get their songs out. These people were singing profane music in their hearts in their lives.

I asked the Lord Jesus Christ, "Is secular and worldly music bad?"

The Lord told me, "My son, look up."

When I looked up, I saw on the top of the mountain of torment, a Congolese musician that died many years ago. We used to call him a great master. I saw demons had bend this artist for he was in a bent position on top of a huge rock that was red because it was heated in high temperature. On his back, there was also a rock so he was bent forever. I saw that he was holding a guitar that was not burning, though he himself was burning. I saw that he was forced to sing profane music, including Christian music.

I said to the Lord, "He is singing even Christian songs."

The Lord said, "The devil knows that My children would not listen to secular music. Therefore he is composing Christian songs that will be given to My servants, especially those who are opening doors and living in sin."

The Lord said, "Many of the Christian songs you hear in the world are not My songs since they're not inspired by the Holy Spirit."

As the musician Franco Luambo was singing these songs, I saw the demons of music coming to take these songs, which they dipped inside the lava of Hell, in order to clothe them with strange fire, and then they traveled to the world to inspire singers and servants of God that were living in sin.

I saw that when these songs were put in circulation on the Earth, the winged demons of music were dropping lava of Hell on people so that they would burn with a desire of hearing these songs. These fires or desires in people's hearts to listen to secular music and demonic Christian music was from Hell.

If you like hearing this music on your phone, when you die in the afterlife, the phone will be the service and evidence in your condemnation. I saw that when Christian and gospel singers released their songs and albums that were inspired by demons, I saw these winged demons of music above churches. They were shouting to the congregations of God's people and saying, "God's people, you must get the new album released by brothers such and such. You must play their songs in your churches and your houses."

These demons were inside God's children to buy Christian songs that were demonic. I saw that when churches and God's people were hearing these demonic religious songs that were inspired by demons, these unclean spirits were attracted to their houses and in their churches, thanks to satanic gospel songs.

As demons are always attracted wherever secular music and uninspired songs were played, when God's churches were singing and praising with these demonic Christian songs that were inspired by demons, I saw that these winged demons of music were attracted. They were suspended above these churches and they were moving their wings as God's people were singing those so-called Christian songs composed in Hell.

These winged demons of music were releasing the strange fire of Hell in the congregations of God's people. And I saw people speaking in tongues as if the Holy Spirit fell on them. Some people were falling and they were reacting as if the power of the Holy Spirit fell upon them.

These winged demons were dropping fire and lava of Hell. It was confused with the power of the Holy Spirit. I saw these demons of music shaking and hitting their wings.

The Lord said, "What caused My children to be attached to songs that are inspired by demons is the fire of Hell. For whenever these songs are being played, My children feel like they have entered the presence of God because of the strange fire of Hell. Demons are imitating the Holy Spirit fire that works in the believer. If you are attached to secular music, it will take you to Hell. And if you listen to Christian music of artists that are in covenant with the devil, you are giving glory to the devil, and your soul is in danger."

The Lord said, “What we like and what we hear can lead to judgment. God’s children must separate from secular music. Many of the Christian songs of the Earth are composed by the demons.”

In this chamber, I heard many Christian songs that were popular in the country. Some of them were still to be released for many Christian songs are from Hell, like the musician who sang about the key of God, the song like triumphal or telephone, these popular Congolese songs came from demons.

They were many Christian songs that were being played in Hell. The issue is that when a gospel singer is not in intimacy with the Lord, when he is living in distraction, when he opened doors for the kingdom of darkness, he will be inspired by demons of music to compose a Christian song of Hell.

Even though the song will be evangelical it is nevertheless from the kingdom of Hell. It is not the inspiration of the Holy Spirit. God’s people that would listen to this song will be in condemnation for they are giving glory to the devil.

In Hell, I heard a Congolese gospel song called “Throne.” This song was playing in Hell long before it was put in circulation. Since God's servants are no longer close to the Spirit of God, since they are in distraction, demons went on to inspire a God's servant to compose this song.

Songs like “Thankful of Mary, Mary” was playing in Hell long before it was released to the evangelical world. When this song came out, I reminded people that I talked to them about this. The big issue is that demons are giving inspiration to Christian singers because these servants are not walking in intimacy with the Holy Spirit. I was instructed not to expose their names but I will hint the titles of their songs that I heard in the chambers of music in Hell.

The Lord said, “Any song that is not inspired by the Holy Spirit is of the devil and cannot be sung. People that are hearing these songs have the judgment of God upon them.”

There was a song that I heard in Hell that was supposed to come out in the future, and some are right now sung such as Crown and Throne. I heard these songs in Hell even before they were out. Many people who heard this testimony in 2014 and 15 know about what I am talking about, for I gave them the title of the song that I heard in Hell, which was supposed to be put in circulation.

I asked the Lord, “How can Your children escape evangelical songs that are not inspired? And how come gospel singers who are Your servants inspired by demons?”

The Lord said, “Whenever Christian singers are not walking in holiness, they will not be inspired by the Holy Spirit because demons will start inspiring them.”

The Lord said, “These songs of demons are clothed with the strange fire of Hell. And when My people hear them they feel fire and they think that it is the fire of the Holy Spirit. Yet it is the fire of Hell. People think that they come into My presence when they hear this Christian music, but in truth, they come into the presence of demons. For many of these songs are inspired by demons.”

CHAPTER 5

FATHER CHRISTMAS IN THE 86TH CHAMBER OF HELL

Brother, I have already talked about Christmas but this time around it will be different, for it will not be preaching or teaching but a testimony. Many people celebrate this feast. Therefore, I will testify so that you can make up your mind either to continue to celebrate this holiday or not.

When I had this experience in my life, I was at a point where I was being taken by the Lord to Hell. I mean, I had daily experience with the Lord for a period of 351 days. I had been in Hell for 351 days. And on the 86th day of this experience, the Lord came and He took me again to Hell. When we arrived in Hell, as usual, this was a kingdom full of fire. There was a lot of lava of fire everywhere, and I saw countless lost souls inside the lava of fire. They were numerous. I noticed that their lower parts were in the lava of fire.

Brother, we have all seen lava of a volcano, how they looked like liquid molten steel. Now imagine thousands of people inside liquid lava of fire burning. I came to see that the majority of the souls that I was observing were people who were churchgoers.

Beloved, the kingdom of Hell is divided into 351 valleys that we call the chambers of Hell. These chambers of Hell are actually continents of Hell. On the Earth, we have five continents, but in Hell, there are 351 continents. The continent of Africa and Asia put together is equal to one continent of Hell. This

place of torment is really vast. It is an unbearable place for the torment was great. People were crying and shouting, they were all asking for forgiveness.

When I saw this horrendous scene, I was crying continually. There was no empty landscape and the places were full of fire. People were tormented by fire and demons. There was no escape in Hell. I saw members of my family. In Hell, I saw my grandmother and my grandfather. All these souls in Hell were in pits of fire.

I asked the Lord, “Why are all these souls in their respective pits of fire?”

The Lord said, “When men of the Earth are living in sin, they are digging a hole for themselves. They are digging an eternal pit in Hell. Sinful lives provide demons with material to build your pit.”

Every chamber of Hell was in an enclosure. And there were screams of millions rising everywhere. I heard people complaining and regretting.

A lost soul said, “Why has my body lied and deceived me? I fulfilled the desire of the body. But this is where it led me. Everything that I strived to acquire in life, I left it on the Earth and I lost my soul for eternity. Woe to me.”

Other souls were insulting God, for the suffering was unbearable, and there was no escape.

When I saw the pain of the lost, I cried bitterly.

I said to the Lord, “Is there no more opportunity for these souls to be redeemed?”

The Lord said to me, “Men can repent on the Earth when they are alive. However, when men fall into this place, it is too late.”

As we were moving above these people, I saw countless lost souls lifting their arms to the Lord and asking for deliverance. When I looked, I saw that these lost souls were like rotting and they were covered with worms and fire that was burning them. Whenever these people tried to remove worms on their bodies, more worms were coming upon them. It was better to accept the ones crawling on your body instead of removing them for they will multiply. In the Kingdom of Hell, there were fast springing from under the ground and the fire was burning all these innumerable crowds of souls and people were crying.

Seeing this torment, I was crying all the time and I was saying, “Lord, pity Your people.”

FATHER CHRISTMAS

Finally, we arrived before a gate. When I looked, I saw a man sitting before the gate. He was dressed exactly like Father Christmas. He was holding toys on his hand, and he was laughing at people that were stuck inside the gate. Above the gate of this place was written, “The chambers of the damned souls who celebrate Christmas.”

The writing was not of this world but the Lord enabled me to understand it. I am just simplifying things so that you can understand. In Hell, I saw that fire was not burning demons, impure birds, beasts and impure animals. It was only burning human souls that were in this hostile place.

When I saw this writing on the gate, I said, “Lord, what is the meaning of this inscription?”

The Lord said, “All the sins that people are committing on the Earth are classified in prisons and punishments in Hell. This chamber that you see is built for people who are celebrating Christmas.”

I said, “Lord, people celebrate Christmas because it is Your birthday.”

The Lord replied to me, “That is not the case. This celebration was instituted by the devil through the Roman Catholic Church. And the demon you see that is called Father Christmas is the unclean spirit that is seducing the world. He is a demon. This church that came up with Christmas is the representative of Satan. They have instituted this Christmas. “

The Lord said, “There were many gods in ancient times. The Emperor was worshipping the Sun God. When the Romans came to Christianity, the Emperor resolved to institute a feast for the Christians. The Emperor said, ‘Since there is a feast of Holy Communion to remember the death and resurrection of Christ, we need a day of celebration in order to celebrate the Sun God.’ “

“This inspiration came from the devil himself who had summoned a meeting in which he told the powers of darkness, ‘Since Christians of the world don't have a day where they remember and celebrate their master. And since living in the presence of their Master daily is the celebration of their God, lets come up with a day where we will tell the world that they are celebrating the birth of Christ.

This will be the day the whole world and all families of the world will give me the honor. I want a day where the whole world would celebrate and worship me a day, where all the families of the Earth will worship and celebrate me. That day will not be for remembering the death of Christ, for it is too powerful. When the families of the Earth and the inhabitants of the Earth will celebrate this day, they shall be marked by my serial 666.’ ”

This resolution of Satan was implemented by the Roman Catholic Church and people who celebrate Christmas are marked with 666 for they are worshipping the devil. I saw this demon that was Father Christmas before the gate. He was saying to the damned souls in torment, “Rejoice for this is your kingdom. You have accepted our proposition and you have done our will in bidding. This is your reward.”

[God gives specific instructions about using pagan practices to worship Him—the exact thing Christmas does! Notice what He says in Deuteronomy 12:30-32: “. . . Do not inquire after their gods, saying, ‘How did these nations serve their gods? I also will do likewise.’ You shall not worship the LORD your God in that way . . . Whatever I command you, be careful to observe it; you shall not add to it nor take away from it”

And lest some think this is simply an Old Testament command that no longer applies, the apostle Paul makes the same point in 2 Corinthians 6, where he addresses whether unbiblical religious customs and practices have any place in the worship of God’s people:

“What fellowship has righteousness with lawlessness? And what communion has light with darkness? And what accord has Christ with Belial [the devil and/or demons]? Or what part has a believer with an unbeliever? And what agreement has the temple of God with idols? For you are the temple of the living God . . .

“Therefore ‘Come out from among them and be separate, says the Lord. Do not touch what is unclean, and I will receive you.’ ‘I will be a Father to you, and you shall be My sons and daughters, says the LORD Almighty.’ Therefore, having these promises, beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God” (2 Corinthians 6:14-18; 2 Corinthians 7:1).

Rather than relabeling pagan customs as Christian, or allowing members of the Church to continue their old pagan practices, the apostle Paul told them in no

uncertain terms to leave behind all these forms of worship and worship God in true holiness as He commands. Jesus likewise says His true followers “must worship in spirit and truth” (John 4:24)—not revel in recycled pagan customs and symbolism.]

When we got to the gate, this demon ran away from the presence of the Lord. I saw the names of the people who celebrate this pagan feast on the gate. Then the gate opened. When we entered the gate of this chamber, I was feeling lost.

I said, “Lord, please get me out of here. I swear to tell people that Hell is real. This place is unbearable. I cannot take it.”

The Lord said, “My son, you have to see this. It is in your interest. You should tell the inhabitants of the land about these things.”

Brother, there was fire everywhere in this place. There was no empty space. Quickly I began to hear the voices of men and children. They were countless. These children were obsessed with the Christmas celebration on the Earth. I watched and I saw that they were like decomposing and they were crying.

As we were moving in this place, I saw a pit and inside the pit, there was a baby crying. He was eaten by worms. As the baby was crying the Lord allowed me to hear him. He was saying, “I don't know anything. I left the Earth when I was one year old. What have I done to deserve this?”

I asked the Lord, “Why is this baby here?”

The Lord said, “The baby was initiated from the womb of her mother in witchcraft. That is why he is there.”

When we left this baby, I saw a toddler. He was surrounded by demons. These demons were cartoon characters that he was watching on the Earth. The kid used to watch Snowy. As a result, Snowy was around him in this place among others. The child seems to be 8. [Snowy (French: Milou [milu]) is a fictional character in The Adventures of Tintin, the comics series by Belgian cartoonist Hergé. Snowy is a white Wire Fox Terrier who is a companion to Tintin, the series' protagonist.]

Brother, in Hell, it was difficult to identify people for they were rotting and they were skeletons. You will recognize people thanks to their voices for they were covered with worms. The child was crying and calling the name of his mother

and father. For when you fall into Hell, you will remember your family and loved ones that you left on the Earth.

I asked the Lord, “Why was this child there?”

The Lord said, “When this child was on the Earth, his parents were always buying him gifts and presents for Christmas. But whenever his parents failed to buy him presents and clothes, he was crying and bothering his parents. He was shouting and imposing himself and saying, ‘I must celebrate Christmas.’ His parents were so pressured that they had to do what it takes to buy him Christmas presents and clothes. When new clothes were bought for him, he was happy to go play with other kids. Since the child was doing this every Christmas, the Devil put the mark 666 on the child, for he had become a worshipper of Father Christmas who represented everything for the child. This was actually the worship of Father Christmas.”

The Lord said, “You shall have no other God than Me. Christmas has become more that matters for children and Father Christmas has become a god for children. When Christmas comes, they become impatient and there is the heartbeat.”

When we left this pit, we went to another pit where I saw a man and a woman inside. They were in chains and they were skeletons. They were saying to one another, “I am here because of you. It is your fault.”

Quickly the Lord told them to keep quiet. When I looked at these two people, I saw that there were no eyes in their eye sockets for the fire had consumed their eyes and worms were coming out of their eye sockets.

They were saying, “Lord, have mercy on us.”

They were on their knees and were asking for mercy.

But the Lord said, “My children, it is too late.” I saw that Jesus was crying for their souls. Jesus said, “You had all the time on the Earth to repent. Once you fell here, there is nothing I can do.”

The Lord said, “You see, this man and woman were boyfriend and girlfriend. When Christmas of the year 2013 had come, they went to the restaurant to eat and had a good time. It is when they were coming back that they had an accident in the National Boulevard in the city.

I asked the Lord, “What is that they did wrong?”

The Lord said, “You shall not have other gods before Me. They wanted to celebrate Christmas. And this is their condemnation.”

Brother, just imagine, just because of the celebration of this holiday called Christmas, the souls of these people were lost.

Jesus had not finished talking when we heard someone behind us calling the Lord and saying, “Jesus, please get me out of this place. I have suffered enough.”

We went towards the pit where the voice was coming from. I saw that as we were going there, the Lord was crying and shedding tears like someone who has lost a loved one. Then I saw from the pit a woman who was crying, there were no eyes in her eye sockets for her flesh was burned. I saw that in her pit there was like a huge pan full of meat, but there was a voice shouting, “Justice.”

I said, “Lord, what did she do?”

The Lord said, “This woman was not going out to celebrate Christmas, but every Christmas she was cooking a lot of food and meat and inviting people to come and celebrate. Then one Christmas day after the cooking, she was shouting in the street “Merry Christmas” to everyone. When she was shouting “Merry Christmas,” the Principality of Christmas came and said to her spirit, “Since you have been shouting my name I have come,” and this demon entered her house.

The lady could not see the demon of Christmas that we call Father Christmas. A few days later she fell sick and died. On that day of her death, Father Christmas came and cast her soul in this place. She never knew that she invited this demon inside her place.

Seeing these things, I cried a lot.

The lady said to the Lord, “Master, you know that I served you faithfully. I was doing the arrangements in the church and I was carrying the Bible of the pastor. I was paying my tithes. I was doing evangelism.”

Jesus said, “I know the works you have done for Me. But you were imprudent and complacent for you knew My word and My principles, but you went on to celebrate this holiday willingly. You ignored the voice of the Spirit because of a

lack of vigilance. By celebrating this holiday you went to worship this god of Christmas, who is a demon. You shall have no other God than Me. It is too late and there is nothing I can do.”

Then we moved to another pit where I saw four children. They were holding fiery hammers and they were beating a woman with their hammers.

They said, “We did nothing wrong. But this woman brought us here. She is the one who taught us to celebrate Christmas every year. That is why we are here.”

The Lord said, “This lady is the mother of these four children. She used to buy her children's clothes every year at Christmas and they were celebrating. One day they were on a bus and they had an accident and they died.”

The mother said to the Lord, “The children were piling pressure on me every Christmas to buy them new clothes, and I had no choice but to please them in order to have peace. I wanted to please them.”

The Lord said, “My daughter, it is written, ‘Do not conform to the present world. You are not of this world.’”

Brother, we cannot do things and follow the traditions of the world because the people of this world are doing it. We are not of this world. Let us learn to use the freedom that we have received from the Spirit.

The Lord said, “My daughter, time is gone for you.”

As we were moving in this place, there were pits everywhere with people shouting because of pain. There were demons mocking these souls in this place. They were saying, “You people were worshipping Father Christmas by celebrating Christmas. This is your kingdom. You will celebrate and worship Father Christmas here forever. Why are you crying? You are in your kingdom. This is your kingdom forever.”

While we were in this chamber of Hell, I saw the gate where we had entered this chamber of Hell. I saw demons coming in the gate with a number of children. They were pulling these children with wires that were attached to their tongues.

The Lord said, “What you see are the newcomers. They've died on the Earth and they have the mark of Father Christmas 666 on their forehead.”

They were crying for help. The Lord had a love for these souls. But He kept saying, “Too late, too late.”

Beloved, how many times have you and I celebrated this pagan holiday? Then I saw at a distance a soul that was inside the liquid lava. His belly was like four meters and demons were piercing his belly with javelins.

The Lord said, “This man has lived 55 years on the Earth from birth until death. He celebrated Christmas every year. He never missed celebrating. He was buying food and clothes and going out to celebrate. He kept telling his wife, ‘We must celebrate and enjoy this time of life. I am happy to be with you.’”

The Lord said, “All the food that he had eaten in all the Christmas celebration all these years are in his belly. That is why it is that way.”

Jesus said, “Demons will pierce him forever.”

And I saw that he was unable to stand up because of his belly. He was calling the name of his pastor but it was too late. He was there inside the fire.

Then I saw a preacher in Hell preaching and telling lost souls, “Do not celebrate Christmas as it is of the devil.” I saw that some souls were asking for forgiveness, other souls were insulting him.

I asked the Lord, “Why has this preacher fallen in this place?”

The Lord said, “In his church, he was preaching that people can celebrate Christmas. Every Christmas children were invited and given presents in his church. When he died, he realized that he was in error. That is why you see him preaching this way, but it is too late for him.”

When we got to him, he said, “Lord, pity me. I did your work and won souls on Earth. And when I fell into Hell, I realized my mistake. That is why I am preaching here and many souls believed me. Get me out here.”

The Lord said, “Lying servant, you knew My word, but you wanted to follow the celebration of the world and you preached that celebrating Christmas was okay. It is too late.”

When we were leaving, this preacher began to insult the Lord and he was blaspheming. The Lord was in tears.

In this place. I saw Cardinals of our country. I will not quote their names. I saw Catholic priests and Popes. This was unbearable. There were people in the river of lava of fire. Some were looking for a way to get out, but there was no place to hide. They were laying in the river of fire. People were calling for help and saying, “What have we done to deserve this torment?”

The wall of the enclosure of this place was also burning with great fire. In this chaos, I was hearing a voice saying, “Increase the temperature.” For every half an hour, there was an increase in the temperature of the lava. You cannot imagine what I am talking about. There were incessant screams. You cannot imagine this horrendous place.

In this place, I saw a Cardinal with a popular school in our city. He was surrounded by kids that were grabbing him. They were saying, “Father, you are the one who brought us here.”

These children were joined by faithful believers of the Catholic Church. They were tormenting the Cardinal saying, “We have come here because of you.”

Brother, after seeing these torments of Hell, my life will never be the same again.

CHAPTER 6

TRIBUNAL OF PRAYER AND THE 7 ALTARS

The mystery of the seven altars of prayer and fulfillment.

Brother, I have come to talk about the tribunal of answering prayers. The whole thing began when I was praying for many days in the spirit.

As I persevered in prayer, I heard a voice saying, “Brother, from today understand that your prayers have been heard. The Lord has sent me so that I can take you to Heaven so that you can see how prayers are answered.”

At that moment, I felt my spirit leaving my body and I saw that I was out of my body which was lying on the ground. I saw that the place I came to was enlightened by a great light. And quickly I saw that I was flying in the space. I thought I was with the Lord because I had a lot of encounters with Him. But on that day, it was not the Lord but an angelic messenger.

He said, "Brother, it is the Lord that has sent me to you."

The angel held my hand and we began to rise in space. When we arrived in the celestial universe, I saw a black mist. Actually, these mists were rocks like mountains and there were unclean spirits deployed and posted around these rocks. Given that I saw the celestial worlds previously, I knew the difference between demons and angels.

When I saw these unclean spirits, I asked the angel of the Lord, "Who are these creatures?"

The angel said, "These are satanic spirits, the demons of the opposition who stop the prayers of God's people from reaching Heaven, and from being answered."

And the angel said, "Aston, look carefully."

When I looked, Behold, I saw smoke rising from the Earth and going to Heaven. When this smoke reached this rock, I saw demons laughing and mocking.

The Angel of the Lord told me, "These smokes are the prayers of the saints to the Almighty."

Yet I saw these demons mocking these prayers.

I heard them saying, "This believer who is in fornication and sin has the audacity to ask God things. His prayer will not rise forever."

Brother, I saw that this prayer request was stopped in the celestial cosmos. On the other hand, I saw other smoke rising without opposition, for they were piercing these rocks where they were numerous demons of the opposition that were stationed there to stop prayers.

The angel said, "Now you see what happens when you pray."

Suddenly I saw a giant demon who had broken wings. He landed on these rocks among demons. He was carrying a black vase. When he went to these rocks, I saw countless demons that were around these rocks gathering smoke, which were the prayers of the saints that were stopped from rising to upper Heaven.

And these demons of space were putting these smokes of prayers in the black vase that was brought by this winged demon.

I asked the angel of the Lord, "Who is this demon that has broken wings?"

The angel said, "This demon is called prayer hunter. He opposes prayer from rising to Heaven. When he has blocked these smokes that are the prayers of the saints from rising, he gathers these peoples' prayers that were stopped and he put them in his vase. He takes them to a center in space for study and examination, where demons would decode, examine and investigate the content. The purpose of this examination is to determine what God's children are asking of God. Every prayer that is stopped in space would be examined and decoded in order to determine the content and the request that is inside."

When they had finished studying these prayers, when they had determined what God's children have asked in these prayers, I saw these demons of space informing the demons of the Earth and transferring them information about the prayer requests of God's people.

I saw the power of air and communication with monitoring spirits that follow and watch over God's children. They were given information about their prayer requests.

When these demons of the Earth got information given to them by the prince of the air, they began to strategize and to set up countermeasures against the saints. These monitoring spirits set up opposition in order to block God's children.

Brother, whenever space demons determined what you have asked God in prayer, they would inform demons that are monitoring your life. They will say to the demons of the Earth and witches that are in conflict and war against you, "We have managed to capture the prayer of your enemy. We have investigated his prayer and we have found out the things that he is asking from God."

This is how demons of the Earth and witches get information about God's children, which enables them to attack with precision.

When the angel spoke like this, I cried. And I said, "If this is the case, it is better not to pray."

The angel said, "All these prayers that are captured in the celestial cosmos are prayers that did not meet the conditions or principles of prayer."

I said to the angel of God, “What are the principles of prayer?”

The Angel of the Lord told me, “For a prayer to reach the upper Heaven, first and foremost, it is about the heart’s disposition.”

Proverbs 28:9 He that turns away his ear from hearing the law, even his prayer shall be an abomination.

1 Peter 3:12 For the eyes of the Lord are over the righteous, and his ears are open to their prayers: but the face of the Lord is against them that do evil.

The angel told me, “Today God's children are praying but their hearts are full of wickedness. You are praying to seek the approval of men rather than the approval of God. Churches have become a place of battle for positions of glory. People are seeking positions in the church. They are seeking the things of the world to prove themselves better than others.”

Matthew 6:5 And when you pray, you shall not be as the hypocrites are: for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Truly I say to you, They have their reward.

The angel said, "The second principle for a prayer to rise to Heaven is offering. Prayers not accompanied by an offering are blocked.”

Acts 10:4 Your prayers and your alms are come up for a memorial before God.

Proverbs 28:27 He that gives to the poor shall not lack: but he that hides his eyes shall have many a curse.

Proverbs 21:13 Whoever stops his ears at the cry of the poor, he also shall cry himself, but shall not be heard.

“The third principle is the behavior of God's children. The third principle is sufficient consecration of time in prayer.”

Psalms 4:3 But know that the LORD has set apart him that is godly for Himself: the LORD will hear when I call to Him.

“The fourth principle is innocence, which means you must forgive others and ask God to forgive you. When you fail to forgive those who have offended you, your prayer will be stopped.”

Mark 11:25 'And whenever ye may stand praying, forgive, if ye have anything against anyone, that your Father also who is in the heavens may forgive you your trespasses;

“The last principle is holiness, purity, the fear of the Lord, Bible reading. These are things that protect your prayer and cause them to pierce the heavens. The hand of the Lord is not short to act, but it is your sins.”

I asked the angel about the smoke that was rising to Heaven without meeting opposition.

The angel said, "These are prayers that meet the principles of prayers. They cannot be stopped.”

“By the way, let us now follow these prayers that are rising to Heaven without opposition.”

Quickly we began to follow these bright smokes that were rising to Heaven. As we continued to follow these prayers, finally, we arrived before a gate where it was written, “The Tribunal of Fulfillment.”

The angel said to me, “It is in this heavenly kingdom that the fulfillment of prayer happens.”

Before the gate, there were two angels that had the shape of eagles. They had 12 keys on their claws. They kept repeating, “The Lord is alive. The Lord is alive. The Lord is alive.”

The angel that was with me told them, “It is the Lord Jesus Christ that has sent him here. He has to visit this kingdom.”

When they opened the gate, we entered this heavenly kingdom. When we entered this kingdom, I saw that there were many beautiful and stupendous buildings. I felt like I was in a tribunal of the Earth. There was an intense light in this celestial kingdom. I saw that there were 144 buildings in this city where there was an intense presence and glory of God. And I could hear a lot of noise as if people were praying.

The angel said, "It is in this place that the prayers of the saints are dealt with.”

When I looked to our left, there was a white building that has 1444 levels.

The angel said, "When your prayers arrived in Heaven, they are received in this building. It is the center of the examination of prayer."

I was blown away by this bright place of light. As I was looking at this brilliant and shining building, the angel began to explain to me the purpose of this building. And while he was talking to me, I heard the sound of the trumpet resonating throughout this heavenly kingdom.

There was a silence and then we heard a sweet voice, saying, "Prepare yourself because the trial is about to begin. May the defense party get ready."

Then the angel said, "We have to enter and see what happens inside."

However, I was inclined to visit these stupendous buildings and contemplate the city instead of entering.

The angel held my hand and led me to the center of the city. When we reached the center of this city, I saw a gigantic and massive white Throne. It was brightening and beaming a strong light, the size, length, and dimension of this radiant Throne were massive. I wondered who is it that can sit on this massive Throne. It was so enormous and a strong light was generated. And inside the light, there was what seems to be an image of a Man seated.

And before the Throne, there were seven altars. Opposite to the Throne, there were angels dressed in red and white. They were seated on the side of the Throne. There were also angels dressed in white. On their vestments, it was written, "The lawyers of Christ."

Opposite to them were dark spirits, dressed in black and seated.

The angel said to me, "Brother, this is the place where the judgment of your prayers happens. The angels at your right are the defense, the lawyers of Christ. The spirits on your left are the accusing spirits."

"These angels that are the defense always defend God's people. And these accusing spirits always accuse God's people and the angels in white and red are the judges that are there to examine cases. In the end, it is the seven altars before the Lord that will be the key factors for the fulfillment of the prayer."

Each one of these seven altars had names.

The first altar had the inscription, "The Altar of Heart Disposition and Character."

The second altar is, "The Altar of Family."

The third altar is, "The Altar of the Enemy."

The fourth altar is, "The Altar of Spiritual Battle and Deliverance."

The fifth altar is, "The Altar of the Grace of God."

The sixth altar is, "The Altar of the Love of God."

The seventh altar is, "The Altar of the Cross."

It is in these seven altars that the prayers of the believers are answered.

When the trial began before the White Throne, I saw the first Angel rising with a file containing the prayer of a lady.

Brother, I cannot reveal her name and her country because my testimony would be going all over the world and I have to protect her identity and privacy.

The angel said to the One sitting on the White Throne, "These are the prayer requests of the lady."

The angel listed all the requests of the lady.

Afterward, I saw an accusing spirit rising and he began to oppose the prayer requests of this lady, saying, "We are against this woman's prayer."

The accusing spirit provided arguments and justification for his opposition.

He said, "This woman cannot be answered and she deserves nothing."

Quickly the accusing spirit pulled out a disc.

The angel said, "You must understand that every time you sin on the Earth, there are accusing spirits in the spirit world watching and recording your sin. This recording will be used on the day of the trial and fulfillment of your prayer in the tribunal of prayer where they will present evidence against you."

I saw the accusing spirit holding the disc containing the deeds and sins of the lady.

He said, "I am against the fulfillment of her prayers because she is born in a family that is subject to the laws. She was not supposed to get married but she got married. She was not supposed to have children but she has children. She is going against the laws. The witches of her street have already decided for her but she is going against their law. Even people of her quarter don't like her. This kind of person does not deserve fulfillment. We have the recording of her actions and her sins on this disc."

I saw this accusing spirit placing the disc on a table that was before the Throne. As a result, a TV appeared where images of this lady were projected. I saw that before praying to the Lord, this lady was quarreling with her husband.

And while she was arguing with her husband, the accusing demon said to the One sitting on the Throne, "The Bible says wives should submit to their husbands. But look at her attitude."

I saw many accusing spirits in this place applauding these accusations.

And then another image was projected showing that the lady was in conflict with people.

"She was having rancor and bitterness with people over issues yet the Bible tells us to be at peace with everyone."

The third images that were projected showed the woman criticizing her pastor.

The accusing spirit asked, "Is this woman worthy of the fulfillment of her prayer?"

This spirit replied to his own question and said, "No, she is not."

Then I saw the angels of God, the defenders of God's children rising and saying to the Lord, "You are God of Mercy, the Most Merciful Lord and the Most Compassionate God, may You have mercy on this lady."

The angel implored the mercy and favor of the Lord for the woman.

However, I saw that the accusing spirits were upbeat for they had much evidence against the lady.

On the other hand, the angels of defense were just imploring God's mercy. I saw the angelic judges putting the case before the One who sat on the white Throne.

They said, "The accuser has presented his evidence and the defender reacted asking for your mercy. It is now for the Throne of Judgment to determine the final verdict."

I saw the angelic judges placing the file containing the prayer of this lady above the first altar, which was the altar of heart disposition and character. As a result, I saw black smoke rising.

The angel said to me, "This black smoke is because of the lady's bad character. Many people's prayers emit black smoke when placed on the altar of character because of their bad character. Their sins affect their prayers on the altar of character."

Psalms 66:18 If I regard iniquity in my heart, the Lord will not hear me.

Proverbs 15:29 The LORD is far from the wicked: but he hears the prayer of the righteous.

When the file was placed on the second altar, which is the altar of family, there was lightning.

The angel said, "This is because the laws that govern her family are against her prayers being fulfilled."

The angel said, "Your family may influence the fulfillment of your prayer. There are many people suffering from broken homes, broken relationships and dysfunctional families."

1 Peter 3:7 Likewise, you husbands, dwell with them according to knowledge, giving honor to the wife, as to the weaker vessel, and as being heirs together of the grace of life; that your prayers be not hindered.

Then the prayer of this lady was placed on the third altar of the enemy. The lady had many enemies among the witches. There was black smoke.

When the prayer was placed in the fourth altar of battle and deliverance, there was a fiery light.

The angel said, "The fulfillment of this lady's prayer will come as a result of spiritual battle and prayer of combat."

The angel says, "When you pray and you don't see results you must enter a spiritual warfare and deliverance prayer then you would see the result."

2 Corinthians 10:3-4 For though we walk in the flesh, we do not war after the flesh: 4 For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds.

Then the lady's prayer was placed on the altar of grace.

The angel said, "This altar is about the grace of God. What you don't deserve, Jesus Christ can give it to you for He has died for you."

Then I saw the angel placing this lady's prayer at the altar of the love of God.

The angel said, "In this altar of the love of God, even a sinner can pray and receive an answer for God so loved the world that He gave His only begotten Son. It is by grace that many of God's children are getting the fulfillment of their prayers."

Psalms 86:5 For you, Lord, are good, and ready to forgive; and plenteous in mercy to all them that call on You.

Brother, when the prayer of this lady was placed on the last altar, which was the altar of the Cross, I saw the blood of Jesus flowing and I heard a voice coming out of the blood and saying, "It is not in vain that I have shed My blood. My daughter has suffered so much. If she has sinned, My Spirit is still there, and I still love her despite her sin. Consider, O God, the blood that I have shed."

Hebrews 12:24 And to Jesus the mediator of the new covenant, and to the blood of sprinkling, that speaks better things than that of Abel.

As the voice was speaking, I saw the One that was sitting on the Throne in the form of light. He rose from His Throne.

He said, "Now neither the evil, neither the family, neither her deeds, neither witches and neither battles can oppose the fulfillment of her prayer. I answer favorably to her prayer. I will give beyond what she has asked."

When He said that, all the angels stood up and they clapped for the Almighty God. They glorified the Lord.

Brother, when your prayer is placed on the altar of the Cross, the blood of Christ will speak until your prayers are answered. Even if the law of the family opposes you, even if you are not perfect, even if the accuser opposes you, the Blood will intercede for you.

Hebrews 7:25 He is able also to save them to the uttermost that come to God by Him, seeing He ever lives to make intercession for them.

Brother, I saw many prayers passing before the altar of fulfillment. I saw the prayers of pastors and men of God.

The fulfillment of this lady's prayer was given to the angel of the Lord to bring the answer to the lady.

Given that the accusing spirits had failed to stop God from answering her prayer, they were furious.

They said, "Despite our evidence and accusations, we have failed."

I saw these demons leaving the tribunal of prayer.

The Angel of the Lord told me, "We must follow them in order to see what happens next."

When these accusing spirits left the tribunal, I saw that they arrived in the cosmos in a dark space. Darkness in this place was powerful and unexplainable. I saw that there was a building in this dark space.

I asked the angel of the Lord, "Where are we going?"

The angel replied, "We are going to a city which is the tribunal of Satan, where Satan condemned the people of the Earth. It is a place where he prepared a strategy in order to fight prayer."

When we arrived before the tribunal of Satan, I saw that it had the shape of a beast that was vomiting fire. The mouth of the beast was the entry to the tribunal of Satan. It was like a beast seated with his mouth opened and he was dark. Around the tribunal, there were many demons. I saw that they were drinking blood and talking.

The angel told me, “Since we are sent here by the Lord, the demons won't be able to see us. We must rush because the audience and trial are to begin very soon.”

When we entered this tribunal, I saw numerous demons. Some of them had animal shapes. Some demons looked like wind, some looked like shadows, some looked like fire. There were countless demons. In the middle of these demons, there was a black throne. And besides the throne, there was an inverse cross with a skeleton on it. Around the throne, there were powerful demons. I had the impression we were in a massive kingdom.

The angel told me, “It is here that the devil examines and opposes the prayers of God's people. It is here that he comes up with a method to weaken people's prayer life. It is here that he stops prayer from rising and getting answered.”

In this gathering of demons, they were drinking human blood.

The angel said, "These are the blood of the people of the Earth that were sacrificed by witches and Satanists. Demons drink this blood in order to dominate.”

The angel said, "If a member of your family is a witch, and he ate and drank human blood, your family or your progeny will be dominated here.”

As the angel was talking, I saw a group of demons entering this demonic hall where the audience was drinking blood.

The angel told me, “These are the accusing spirits that were in the trial and the tribunal of prayer. They have come to report the result of the trial.”

But I saw that the throne of Satan was empty. There was another noticeable empty throne where the representative of Satan was supposed to sit in case the devil was absent. When these accusing demons arrived, I saw the audience doing invocation prayer in order to summon the devil. Immediately they began to sing a Catholic song to the Lady Mary.

I said to the angel of God, “Why are they singing the Catholic song about the mother of Christ?”

The angel replied, “The Virgin Mary worshiped in the Catholic Church is not the Mother of Christ but the Queen of the Coast called Mary Marguella. When

the Catholics sing this song, they invite this Queen to their homes and churches. These demons are singing this song to invite the Queen of the Coast to their meeting.”

Soon this Queen was appearing among them. I saw a black Queen landing before the audience. She sat on the throne. Quickly I saw three demons bringing her three cups full of blood.

The angel said, "This is the lady that people call the Queen of the Coast. She is also known as the Queen of the Sea. She was not always a demon but she has become a demon. She is the mistress of the spirits of the Earth and the water. She was not always a spirit. In fact, she was previously a normal human. This story happened a long time ago in Nigeria and far away time in history. Her mother was a widow for her father was already dead. She used to go with her mother to the river to get water.”

“One day she went to get the water alone and she was captured by a water spirit. Yet the water was low. She was drowned by a water spirit and she was consumed. But her soul was thrown in jail for when she was drowned, the water spirits consumed her body, but her soul remained in jail for many years.

One day a water spirit saw her. Then he went to tell the king. He wanted to marry her, saying, “Give me the condition and requirement. I want to marry her.”

The king said, "She comes from the Earth. She will not stay here for long. When her time comes, she will be sent to Hell.”

Since this water spirit insisted, the king accepted to give the young lady in marriage. Long after the marriage, the lady was angry that she had left her mother who was a widow alone, and the mother was also in great need. As she got used to this new world, she was investigating and asking questions in order to get more power. She was told she needed to make more sacrifices in order to have more power. Thus she began to capture souls that came to get water in the river precisely where she was captured by a marine spirit.

She went on to kill men, women, and children up to the point where the village chief forbade the villagers to go to the river.

Since she was in search of power, she went on to sink boats in the sea and the ocean. She had killed so many people. And when she had killed more than 3000

souls, she had become so powerful that water spirits could not control her anymore.

She killed the water spirit that had married her. She killed the water spirit that had killed her on the Earth.

A water spirit that had survived her onslaught went to report to the devil and when the devil sent for her, she refused to come.

The devil himself came to her and said to her, “Now you belong to us, you shall be my servant on the Earth. I give you power, glory, and success on the Earth. You shall be worshipped in churches. A part of their prayers will be for the fortification of your kingdom.”

This Queen of the Coast is also the mistress of witchcraft.

It is in the Catholic church that her worship has been popularized. Her kingdom became rich, thanks to the stars, the destinies and life energies of the people who pray to and worship her.

All the drowning of people in accidents of ships and boats in the water also contributed to her power and progress.

She is at the center of many inventions of the Earth. I will go in-depth about her in my testimony later.

After the appearance of the Queen of the Coast, I began to see smoke on the empty throne before the audience. I heard the accusing spirits saying, “Get ready for the coming of the great master.”

Suddenly the devil appeared on the throne. I thought I would see a dark figure with horns. To my surprise, he was a young man of extreme beauty exceeding all the men of the Earth. He was a perfect beauty. When he sat on the throne, he was wearing a crown having thousands of stars, but he was furious.

He said to the audience of demons, “You all saw what the Creator has done against us. Despite all the evidence, He judged in favor of that poor creature but we must counter the fulfillment of her prayer from reaching her. We must not let her have that blessing.”

I saw the audience worshipping him.

When the devil left, I saw the Queen of the Coast rising and saying, "I want all the demons to be ready since we need more strategies. We need Satan to come back."

CHAPTER 7

FIRST CHAMBER OF HELL: SEX IN DREAMS, THOUGHTS, EYES

Brother, I was taking my bath in the morning. Then I heard the Lord telling me, "Aston, today you will visit Hell."

I said, "Lord, I don't want to go there. I will tell the world that this place exists."

The Lord said, "This is a specific and unique mission you have received in order to tell the world about the realities of Hell so that the people may know that after this life, there is another life."

Later in the night when I was sleeping, the Lord came and woke me up.

When I stood up, I was already out of my body and quickly we began to rise. I saw the ceiling of my house rolling like a sheet of paper and we rose up in the air. When I looked down, I saw that all the houses had no ceiling. I was able to see people sleeping in their beds and sitting in their living rooms.

When I looked at the streets, I saw the souls of the dead. These were wandering spirits. They had no physical bodies and they were looking for a way to get physical bodies in order to enjoy life on the Earth. And in order to get a material body, they were looking for a family that had a photo of their deceased loved one or anything that belonged to them. This enables them to get a physical body.

Then we rose higher. Finally, we entered the mouth of the Earth that was a funnel. When we landed, there were countless of souls in the queue before the throne of Nickel, the Angel of Death. And then we entered the ancient gate of Hell.

As soon as we entered, we started going down for the kingdom of Hell has many levels. We went deep down and we landed in a volcanic land full of lava.

This was the reception of Hell. It was really a huge volcanic region of sea of lava where souls were burning.

I saw that on the border there were 12 openings, which were the entries to the 12 tunnels, leading to the 351 chambers of Hell. These 351 chambers are also called the prisons of Hell. These are continents of Hell. They are a volcanic region where there is fire everywhere. These continents were divided into territories similar to countries of the Earth in terms of their size.

In these lands, the atmosphere was fire and there was no empty space to find refuge for there was fire everywhere. In Hell, there was no air and no wind. There was, however, an unbearable foul odor. And I could not breathe because of this smell.

There was no light in that place. In the reception of Hell, people were skeletal and they had worms all over them. There was no love, no mercy and no compassion in Hell. The people of the Earth are playing and treading upon the love, compassion and the grace of God because they ignore the reality of Hell.

On the Earth, we can commit all sorts of sins. And when we humble ourselves in order to get God's mercy, we are forgiven but when you fall in Hell there is no mercy, no love of God and no answering of your prayer.

We were in the reception of Hell. I saw 12 men standing at the entry of the 12 gates leading to the chambers of Hell. These men were demons and they were dressed like the pope or priest. They were holding incense and they were shaking these incense and they were saying to the lost souls, "Rejoice for this is your kingdom for eternity. Rejoice for this is your everlasting kingdom." These spirits were mocking the lost souls.

Immediately I saw new kinds of demons coming out of these 12 tunnels where the priests were standing. These demons were holding lists of souls that were to be sent to their respective prisons.

I saw in the first tunnel, the demon that was holding the list calling the first category of souls, which was souls that were condemned for sexual sins. When he called these souls that fell into Hell for sexual sins, immediately, I saw demons who were supposed to gather souls that fell into Hell because of sexual sins. Each of these demons was able to gather 50,000 souls, thanks to the move of their arms.

Whenever souls were gathered according to their particular sin, immediately they were taken before the tunnel leading to their specific prison of Hell. Demons were seizing souls and getting them before the appropriate tunnel leading to their respective prison.

Jesus said, “When people fall into Hell, they come first to the reception of Hell, the volcanic region of lava where they are burned by lava and fire. Then they will be assembled in groups according to their sins before the 12 tunnels leading to their respective prisons.”

The Lord said, “The sanction of the sin of the world is divided into 351 prisons. There are respective prisons for every sin people commit on the Earth.”

As the Lord was speaking, I saw demons making movements with their arms and they were able to gather the souls of people according to their respective sin. And these souls were assembled before the 12 entries of these tunnels.

Jesus said, “Let us follow them so that you can see how the judgment happens in Hell.”

I saw how lost souls entered into the 12 tunnels of Hell. Each of these corridors led them to a number of a specific prison.

The first corridor led to 70 prisons. However, I saw that this corridor could fit only one person. Two people cannot pass at the same time. Yet thousands of skeletal souls were piled up and pushed by force inside this little tunnel. These skeletal souls could not resist and oppose these demons who are stronger and had supernatural power. I saw countless people piled up in the corridor where only one person could pass. This corridor was dark and dirty. There were demonic and impure animals passing in this little tunnel.

Then I noticed that on the ceiling of this tunnel there were speakers. As souls were moving into this tunnel, there came a moment of silence.

Then a sweet voice began to speak in these speakers. When this voice was speaking, there was total silence in Hell. No one was speaking.

I heard this sweet voice saying, “I love humanity and I shed My blood for humanity. If people are falling in this place, it is not My will. I did what I could to save humanity and stop this.”

However, when this voice stopped talking, the lost souls began to blaspheme and insult the Lord's voice that was talking to them. They were insulting and abusing the Lord because of the pain that was unbearable.

I asked the Lord about the voice speaking from the speaker.

The Lord said, "The voice is My testament that I left for humanity in this place, in order to tell humanity that if they are falling in this place, it is not My will. I have left this testament to humanity so that they may understand that I did what was in My power to stop men from coming to this place."

We were moving through this tunnel as the light of the Lord was illuminating the place. I saw the demons that were dressed like the pope in the tunnel escaping from the light.

When we reached the end of the tunnel, we arrived before the gates of many prisons of Hell. I saw on the first gate of this prison, it was written, "Chambers of Sexual Sin."

Jesus said, "This is the first prison of Hell that we have to visit."

The first chambers of Hell had a gate that was circular. On top of this circular gate, there was a writing that was not human. It was written, "The Prison of Sexual Offenses."

When I looked at the Lord, He was crying as we stood before this gate.

He said, "My son, those who had sex before marriage will not enter the kingdom of God."

"We are entering this gateway, you will see realities that go beyond your understanding. You will not understand it for it will be difficult, but I will support your heart. What you're going to see here will test your resolve."

We entered the first prison of Hell, which was actually a continent of fire. There was a sea of bubbling lava splashing and hitting black rocks. I saw a huge rock that was vomiting fire like a volcano. There was no empty space on this continent for the fire was raining everywhere. And the voices of people screaming were piercing. People were asking for mercy.

Jesus said, "People come to this place and when they enter, they don't leave."

People were crying, “Lord, get us out.” But Jesus kept repeating, “Too late, too late.”

The Lord said, “My son, you will tell the world the opportunity is when they are alive. Often a man thinks he is master on the Earth, but he was created to be dependent on God. When people live in the world, they think they are masters of themselves. They think they can behave as they want, and they think they can do what they want. And they think they can go where they want. In truth, they are created to be dependent.”

“When the devil came to the garden, he talked to the man about independence from God and autonomous life, saying, “You will choose for yourself and you will be dependent on yourself. You will be like God, you will be the master of yourself independent from God. Living such an independent life from God is good for you.””

The Lord said, “Today the devil is telling My people this is the Time of Grace. They can do what they want and they can sin as they want.”

Brother, when the Lord kicked out the man from the garden, in the beginning, it was the Time of Grace for the law of Moses was not yet introduced. It was the Time of Grace. And we are today in the Time of Grace and the Lord will reject the one who misuses this grace.

When we entered this first continent, there was a board with a list of offenses for which people were punished. The population of this continent consisted of people who were having sex in their dreams. Secondly, people who have sex in their minds and thoughts, people who are fornicators and so on.

I asked the Lord, “How many souls are in these chambers of Hell?”

The Lord said, “You know the sea of the Earth, right? When you count the sand that is beneath the sea of the Earth, that's the number of souls that are incarcerated in this continent.”

The Lord said, “Whenever 30 souls enter the kingdom of heaven, 30,000 enter Hell.”

There were lava splashing in this place. There were black rocks releasing lava and fire was rising to the sky. And above the fire, I saw demons flying. These demons looked like shadows. They were mocking people and saying, “Rejoice.

This is your kingdom. Since you like mating on the Earth, you will also mate here.”

As we stood before this sea of lava, I was hearing the screams of millions but I could not see them.

The Lord said, “People are inside this sea of lava that you are observing. Not even on the surface, they were stuck beneath the lava.”

On the side of this river of lava, there was like a mountain. As we flew above this mountain that was dirty, I saw all kinds of impure animals. Then I saw countless demons digging pits in the ground. I saw that these pits had the names of people living on the Earth.

As these evil spirits were digging, I kept hearing the word “delivery.” Whenever I heard the word “delivery,” I saw bricks and materials that were provided to these demons that were clapping and cheering.

Brother, whenever the people of the Earth continue to sin, they are sending deliveries to the demons that are building their pits in Hell. The demons would be receiving materials for the construction of their pits.

Every man born on the Earth has a demon in Hell bearing his name. The demon bearing your name is the one preparing your pit in Hell. I saw demons digging pits for the world population. There were names of celebrities, public figures, superstars. Every time they committed a sin the demons were clapping and receiving materials.

Then I saw a pit that had collapsed and there was a demon that was sad as he sat above it.

The Lord said, “The owner of this pit was a sinner who committed crimes and fornication until the day he came to Me. Since there is no condemnation for those who are in Me, his pit has collapsed.”

In Hell, I saw a pit built for me with my name on it. It was closed and the demon was sad. When I saw it, I said to myself, really, I would have fallen here had I failed to repent. This is staggering and terrifying. As we were descending in this valley I saw that the kingdom of Hell was vibrating.

The Lord said, “This kingdom is expanding in order to receive more souls. Still, it is not full.”

Then we arrived in a segment of Hell where the souls were condemned for having sexual dreams.

In this part of Hell, there was a man who was a politician. He was in the occult order of Eckankar and he was a politician of the Congo Republic. He was required to sleep with his daughter. He agreed to do it. However, he was coming to abuse his daughter sexually in dreams. He was a spiritual husband to his daughter. The young girl tried to talk to her mother but her mother was an accomplice of his father for she had agreed to this practice.

We visited this section of Hell where countless souls were tormented and held for sex in the dreams. They were a lot of them.

Jesus said, "I had not made marriage and sex to happen in the dream."

We then left the land of souls who had sex in the dreams, and we crossed the Abyss to the land of people who were condemned for sexual and perverse thoughts. On the Earth, they had sex in their minds and thoughts.

When we entered this land, I saw a throne upon which was seated a demon, who was a lizard. He had male and female sex, and his skin was dirty. I saw that this demon was on fire.

I asked the Lord, "Who is this beast on the throne?"

The Lord said, "My son, this is the demon of sexual and immoral thoughts. When people think of sexual and immoral thoughts, they invite this demon who makes their minds his dwelling place, and he transfers his dirt to the skin of the person that is having sexual thoughts. When people died in sin and immoral thoughts and perverse minds, their souls will be dirty like that of a lizard or leopard."

And when I looked at souls in this section of Hell, I saw that they had dirt on their skins like this lizard demon, who was seated on the throne laughing.

He was saying, "Why are you crying, my children? I'm your mother. Rejoice for this is your kingdom for eternity to eternity."

The Lord took me closer to the throne of this demon. And when he saw the Lord Jesus Christ, he knelt down, and when he knelt down, I saw on his back many names.

I asked the Lord, “What is the meaning of these names on his back?”

The Lord said, “These are the names of people who entertain sexual and perverse thoughts on the Earth.”

While this unclean spirit was still bent, we left his throne and we got to a place where I saw many territories, and there was a hole above these territories. The scream of pain and torment were rising and asking for help. We were moving in the middle of the fire that could not burn us.

Then we got to a territory and Jesus asked me to look inside. When I looked down, I was seized with fear, for I saw two people inside. However, these souls had huge heads. I mean, they were macrocephalic, for the proportion of their heads was two meters and their eyes were massive. They were bound and chained.

The Lord said, “These people are here for two reasons. Firstly, the sins of the eyes and secondly, the sins of their minds. They are here for perverse and immoral thoughts. That is why they had big heads and big eyes.”

I saw that there were worms in their heads and eyes that were rotting. I saw that their bodies were burning and they were skeletons. These souls were accusing and blaming one another saying, “You are the one who brought me here.”

When they saw the Lord, they began to ask for help. In fact, they were disputing about who should be helped by the Lord first.

Jesus said, “Peace be to you.”

As a result, they went silent. I noticed that there was a TV on their side projecting the image of a young lady.

The Lord said, “These two people are from Zambia. They used to work in the same company but they were in a lifestyle of fornication sleeping with young ladies. One day one of them was promoted and they celebrated in his home. It is when he was celebrating his promotion and drinking with his friend that something happened. His daughter who was already a young lady left the bathroom where she was bathing, and she was passing and going back to the room, but she was covered with a towel that was revealing the shape of her body. When the friend of her father saw her, he was captivated by the shape of the body of this young lady and he made a joke and sexual remark to her father.

When the father turned to look, he saw how the body and shape of her daughter were showing beneath the towel. As a result, these two were affected by this image. They pretended that everything was fine, but they were already aroused by the body shape of this young lady. Later, when this celebration ended, the father went to have sex with his girlfriend, for he was aroused because of the image of her daughter and his friend went to sleep with his wife for the same reason. However, while they were having sex with their partners, in their minds, they were seeing themselves sleeping with the young lady who came out of the bathroom covered with a towel.”

In truth, many men when they sleep with their wives, they see the pictures and images of other women. When you have sex with your partner and you see the image of another person you must repent.

The Lord said, “The more people feed their minds with perverse and sexual thoughts, the more their heads grow in the spirit and when they die that way, they will end up with huge heads.”

Then we moved to the second prison. There was a person who was trying to rise out of his prison but he could not for his head was huge. Inside this prison, there was a voice of a man regretting.

The Lord said, “The man that is inside this cell has deceived his wife. He spent 15 years in marriage and then he died. And during his marital life whenever he was sleeping with his wife, in his mind, he was sleeping with one of his girlfriends although he was physically sleeping with his wife. Often he had to watch porn movies to excite himself because his wife was no longer attractive to him. Often he was seeing images of pornographic actresses when he was sleeping with his wife. That is why he is condemned here.”

There were countless souls in this section because of immoral and perverse thoughts. There were men who had married women in their thoughts. And whenever they sleep with their wives, they imagined themselves sleeping with those married women in their thoughts.

Beloved, we were in this prison of Hell, where we visited people that had sex in their minds.

After we had left, we were now heading to another land where there were souls of people who had sex with their eyes. While we were crossing the border between these territories, I saw on top of the valley a huge rock where it was written, "Trees of Fire.”

There were trees around them and fires were dripping from these trees. There were voices saying they wanted corruption, wickedness, and immorality. This is their condemnation.

When we arrived in this section of Hell, I saw a demon that was holding a javelin and he was piercing the eyes of a man that was really huge. The demon said to this man, "I'm pulling out our movies that you liked watching."

The man was crying for help, but he was helpless. His body was rotting. He was regretting all the popular episodes of movies that he was watching.

The Lord said, "He used to watch erotic soap opera episodes. These sexual acts in movies stain and defile those who watch them. Sexual scenes in movies and soap operas open gateways for demons to enter into peoples' lives."

The Lord said, "These movies are sent by the devil to stay in and defile humanity. These movies cause demonic possession. These people who are defiled in their thoughts are attached and bound in marriage with demons of Hell. These demons of movies will claim their souls if they fail to repent."

The Lord said, "Whenever people watch images of nakedness on television, a doorway will be opened and a demon will come out of the TV to capture their souls. When this demon comes out of the TV, if the person watching the movie is a single man, the demon will write on his forehead the word "Fornicator" and the Mark 666. If you are married, he will write the word "Adulterer" and the Mark 666. People are marked with 666 by demons of television when they watch sexual scenes in soap operas and TVs.

The Lord said, "This man is pierced in his eyes because every member of the body that caused people to fall in Hell will be tormented. Since this man was watching these movies his eyes were tormented. The Bible says if any member of your body causes you to sin, cut it and throw it away. (Matthew 5:30)"

Then we continued to move and in this segment of Hell, I saw a man. He was French. He was shouting, "Where am I? What is this place?"

When he saw the Lord, he said, "Master, have I done something wrong when I separated the two women that were fighting?"

The Lord said, "My son, one cannot see the nakedness of another, for this will be his part in the place of torment."

The Frenchman said, “Lord, have mercy on my soul. I did not do it intentionally.”

The Lord said, “My son, now it is too late. The judgment has been pronounced.”

The Lord said to me, “One day this man was passing. He saw two women fighting. He was moved to do something about it for no one wanted to separate them. When he tried to tear them apart, one lady landed blows on her opponent and her breast was exposed. This image remained in the mind of this man who was condemned. Sisters that are exposing their body parts will not escape.”

Judgment.

When we moved forward, I saw a cell like a house that was the size of a cage. A voice was saying and repeating the word, “Justice.” Inside this house, there was someone that was shouting, “Please get me out. I'm burning. How can I get out of here?”

Immediately I recognized the voice of this man who was my friend. This hole was bearing his name.

I said, “Lord, this is my friend. Please get him out.”

The Lord said, “It's too late. The judgment is already pronounced.”

The Lord said, “Do you know the lifestyle of your friend who was living with her girlfriend?”

I said, “Yes, Lord. I knew that they were together.”

The Lord said, “When they were boyfriend and girlfriend, they were staying with their respective parents. Very often your friend was taking his phone and writing to her girlfriend, asking her for her naked images. They were sending each other naked images on the phone and he was masturbating with his girlfriend's pictures. He was putting his genitalia on the body of his woman on the phone.”

“Since this was happening in the homes of their parents, he was punished in Hell inside a model of his parents' house, for he was seeing the nakedness of his girlfriend while she was in the house of her parents. The Bible says the maid

that is known in the house of her parent must be stoned. And given that we are in the dispensation of grace, this judgment happens in the afterlife. His condemnation was the house of his parents.”

Deu 22:21 Then they shall bring out the damsel to the door of her father's house, and the men of her city shall stone her with stones that she die: because she hath wrought folly in Israel, to play the whore in her father's house: so shalt thou put evil away from among you.

Brother, I remember when the Lord showed me the tribunal of Satan, the devil said, “If we cannot conquer the world, we should put them in misdirection.”

He said to his collaborators, “This is the way to lead astray humanity.”

I saw the devil taking a device which was a mobile phone and he presented it to the demons. This was well before the launch of mobile phones in circulation on the Earth.

The devil said, “I have already conquered the world through radio and television. I have overcome through tools of communication. Thanks to this new device we call mobile phone, we shall conquer humanity and through mobile phones, we will win many souls. I want every soul to have at least a demon from these mobile phones.”

CHAPTER 8

CHAMBERS OF DIVORCED AND REMARRIED PEOPLE

Brother, when the Lord came, He took me to a mountain, and we were supposed to go to Hell. We stood on top of the mountain.

I asked the Lord, “How come a loving God create a place of torment like Hell?”

Jesus said, “I am the God of love. I'm the God of holiness and justice. Likewise, I am manifesting My love for the people on the Earth when they are alive. As soon as they died, they must face My holiness and My justice.”

We were on top of the mountain. The Lord held my hand and we began to rise.

When we rose up higher, the Lord said to me, “Aston, now you can look down.”

When I looked down, I saw 12 funnels that were turning around at great speed. I was observing these funnels in the four corners of the planet Earth. In the end, I saw that these 12 funnels joining together to form one huge funnel. Out of this funnel was resonating with a powerful voice. I heard this loud booming voice saying repeatedly, “Delivery, delivery.”

As this thunderous voice kept repeating, “Delivery,” I saw two enormous hands of a principality above the Earth. As soon as this loud blaring voice began to request delivery, this principality started gathering countless deceased souls that have died on the Earth.

Brother, I saw countless human souls like the sand of the Earth falling into this huge funnel. This principality was pouring them like sand in the funnel.

I said to the Lord Jesus, “Master, are You seeing this funnel that is turning around, and this huge hand that is precipitating countless of people in the funnel?”

The Lord said, “Aston, what you are witnessing is the entry of Hell through which we will enter in order to visit Hell.”

I said, “Lord, what about these huge hands that are dropping countless of souls in the funnel?”

The Lord said, “The people that are falling in the funnel are the deads. These huge hands that you see belong to the Principality of death. This Angel of Death is gathering deceased souls from the four corners of the Earth and he is pouring them in the mouth of the Earth, which is this turning funnel. Since the kingdom of Hell is demanding delivery of more souls, the Angel of Death is delivering souls of men who have died on the Earth to the mouth of Hell.”

“The abode of the dead is in constant demand of more souls of men for the devil wants the kingdom of Hell to win more souls. There are more people going to Hell than to Heaven. The Bible says in Isaiah 5:14, Therefore Hell expands its jaws, opening wide its mouth; into it will descend their nobles and masses with all their brawlers and revelers.”

Jesus said, “The 12 funnels that you see are the mouth of the Earth.”

The Lord said, "Aston, now we must enter the mouth of Hell in order to visit."

I said, "Lord, we don't have to. I will tell the world that Hell is real. It is not important for me to go there."

I was saying this for I was horrified.

Quickly we began to descend into the mouth of Hell. I was crying to the Lord, for I did not want to go there. There were an unbearable smell and total darkness in the mouth of Hell. I saw unclean spirits that were in chains and in bondage on the walls. They look like monkeys, bears, lions. Some of them were hybrid humans, humanoids, beasts, and reptiles that do not exist on the Earth.

I said, "Lord, who are these beasts in chains?"

The Lord said, "These are wicked spirits in the service of Satan. They wait for the order of the devil. They are demons that destroy families of the Earth. As soon as the devil gives them a mission, the mouth of Hell will vomit them on the Earth."

And while we were descending into Hell, these wicked spirits were roaring, whistling and making noises. It was horrifying. They were mocking us and they were trying to capture us, but they could not bear the light of Jesus Christ.

Brother, I said on the second day of this experience, I visited the chambers of sexual sins. On the third day, the Lord came and we landed in the first chambers of Hell, which was that of sexual sins. We spent many days in that chamber. We were in the corridor where the gates of chambers of Hell were aligned.

But when we look around, we saw a gate that seems endless, where it was written, "Prison of Married People."

Upon the gate, they had the quotation of the word of the Lord from Matthew 19:4-6, "Haven't you read? He replied, that at the beginning, the Creator made them male and female, and said, For this reason, a man will leave his father and mother and be united to his wife, and the two will become one flesh so they are no longer two, but one flesh. Therefore, what God has joined together, let no one separate."

Upon this gate of Hell, there was another passage of the Bible, Malachi 2:14-16, "You ask why? It is because the Lord is the witness between you and the wife of your youth. You have been unfaithful to her, though she is your partner,

the wife of your marriage covenant. Has not God made you one? You belong to Him in body and spirit. And what does the One God seek? Godly offspring. So be on your guard and do not be unfaithful to the wife of your youth. The man who hates and divorces his wife, says the Lord the God of Israel, does violence to the one he should protect, says the Lord Almighty.”

I said to the Lord, “Married people are here too?”

The Lord said, “These are people who did not keep principles and they did not respect the process of marriage. They are here.”

When we entered this place, I saw a demon sitting on a chair. He was playing worldly music and swinging. While this demon was singing immoral songs of worldly music, I saw another door on the side which was opened.

When I looked I saw it was written, “The Place of the Divorced and Remarried Couples.”

As soon as we entered the gate of this chamber, I heard like a noise of altercation, I heard two men that were quarreling for a lady. I heard the first one saying, “She's my wife, not yours. Leave her alone.” It was like people were fighting. When I looked, I saw two people fighting for a woman who was saying, “Leave me alone.”

I noticed that these people were rotting and their lower parts were inside a sea of lava. These two souls were grabbing the lady and there was an altercation.

I asked the Lord Jesus, “Why are these people fighting for this woman?”

The Lord said, “Let's get closer.”

When we got closer the Lord said, “Peace, be still.”

As a result, these men left alone the lady who was exhausted for everyone was pulling her. I saw that she was lying in the burning lava. It was horrifying to see a human being burning like a fish in the fire.

One of these men said to the Lord, “Master, I have not done anything wrong. But this woman is not a good wife. I married her legally. Not long after our wedding, I was sent to war in the east of the country, and I was hit on the leg, but I did not die. However, the authorities abandoned us in the front line and they went on to inform our family that we were dead. As a result, my wife went

to marry this man that is fighting me here. Since I was hit in that war, I could not fight in the front line. I crossed the border to Rwanda, and I began to find a way to survive. I ended up in Uganda. Then I went to Gabon. Finally, I traveled to Europe in Spain. I had no contact with my wife. 10 years later, I traveled back to Congo to find my wife that I had married legally. When I arrived in order to find my wife, I learned that she got married and she had children. In spite of this, I had sexual contact with her though she had another man. When I died, I fell here.”

When this man finished this conversation, then his opponent began to explain to the Lord in these terms, “I have done nothing wrong. So when I met this woman, I found her with children and she told me that her husband was dead in the war. I told her that I loved her despite the fact that she had children and I will marry her. At the end of the day, we got married legally. I have not done anything wrong. Why am I here?”

Jesus said to him, “When you are married to a divorced person, you have committed adultery.”

When we left these people, I saw a lady who was married to a man who came from Europe. This lady did not know that this man had divorced his wife in Europe. When they met they quickly got married and they built a new life.

However, when she died, she was condemned for marrying a man that was divorced. I was pained to realize that it was the man who had done wrong since he had divorced his wife in Europe, but the innocent woman had to pay for she had committed her life to a man who was divorced. The woman found herself in torment for marrying a man who was already divorced. This was a case of remarriage.

Brother, there were countless in this chamber of Hell that had married people that were divorced and because of remarriage, they were condemned.

I saw a pastor in this place of torment. He was trampled by souls that he blessed in wedding ceremonies. He failed to tell them that remarriage was wrong. This pastor told the people that remarrying is not a problem. Then he went to bless the marriages of people who had divorced and these very people were trampling on him and accusing him of validating divorce and remarriage. Yet the Bible says when you divorce, you must stay single until the death of your partner.

1 Corinthians 7:10-14 And to the married I command, yet not I, but the Lord, Let not the wife depart from her husband: 11 But and if she departs, let her

remain unmarried or be reconciled to her husband: and let not the husband put away his wife. 12 But to the rest speak I, not the Lord: If any brother has a wife that believes not, and she is pleased to dwell with him, let him not put her away. 13 And the woman which has a husband that believes not, and if he is pleased to dwell with her, let her not leave him. 14 For the unbelieving husband is sanctified by the wife and the unbelieving wife is sanctified by the husband: else were your children unclean, but now are they holy.

Many people ignored the consequences of the divorce. When you are married, only death can separate you from your partner, for no one can separate what God has joined together. Only fornication would be an acceptable justification for divorce.

Brother and sister, even if your spouse insults or mistreats you, you're going to have to seek grace to settle it for divorce is permitted only in case of fornication.

In this chamber, there were men of God who knew that members of their churches had divorced, yet they went on to bless them. They were guilty and they were condemned in this place of torment. In fact, these men of God are the ones who are suffering the most extreme torment of this chamber of Hell, for they have encouraged and accepted the marriages of people that were divorced. These kinds of pastor were numerous in this place. They have blessed people who are remarrying. They blessed marriages of divorced people. Any pastor who preached remarriage and blessed divorced people in marriage were punished severely in this place.

In this chamber of Hell, there were countless souls that had divorced and remarried. I saw black and white and people of all nations, all colors and all languages.

In this chamber, I saw a pastor that was suspended and bound and chained on a balcony of fire. And there was a Bible opened before him, which he was supposed to read. Actually, this pastor had divorced his wife, claiming that she was not the woman that was supposed to help his ministry and that it was necessary for him to marry a woman that will be a plus and complementary to his ministry.

While he was reading these scriptures about the marriage and divorce, he was insulted and mocked by the damned souls that were tormented in this fire. In fact, these lost souls in Hell were in such a pain that they were insulting one another in an extreme way.

They said to the pastor, “You're going to shut up, stupid. You were a pastor, why have you come here? And how dare you talk to us about these marital issues. You cannot talk to us about the Gospel here.”

As these souls were insulting him, he also began to insult them.

Brother, whenever a man of God blesses a person who is remarrying, he is putting himself against the law. He must repent. Whenever a family validates and takes part in a remarriage of their son or daughter, they are placing themselves under condemnation. They must confess and repent. Whenever church members attend a remarriage of a brother or a sister, they are placing themselves under the condemnation.

Brother, you must not attend the marriages of divorced persons. You are partaking of their sin. You are agreeing and validating their sin. I want to warn parents, you should never accept that your daughter or son divorce unless it is about fornication. And whenever your divorced daughter brings you another man for marriage, do not accept that marriage for it is fornication. You must not accept the dowry either for fear of condemnation, for the Lord does not validate it.

Let us be careful. When people are attending the wedding party of a remarriage, they are placing themselves under condemnation.

Brother, if you are divorced and you have remarried, you are living in fornication.

Act 17:30-31 Truly, then, God overlooking the times of ignorance, now He strictly commands all men everywhere to repent, 31 because He has appointed a day in which He is going to judge the world in righteousness by a Man whom He appointed, having given proof to all by raising Him from the dead.

The Lord is against remarriage.

The Lord said, “The devil has chosen the established authority to influence men. He is using the political government and laws of the country to impose his system in order to capture the souls of men. But the Scripture is the way.”

I want to tell God's children that this year 2020 is the year of sanctification, righteousness, and holiness.

Matthew 5:31-32

31 “It has been said, ‘Anyone who divorces his wife must give her a certificate of divorce.’ 32 But I tell you that anyone who divorces his wife, except for sexual immorality, makes her the victim of adultery and anyone who marries a divorced woman commits adultery.

Mark 10:2-12

2 Some Pharisees came and tested him by asking, “Is it lawful for a man to divorce his wife?” 3 “What did Moses command you?” he replied. 4 They said, “Moses permitted a man to write a certificate of divorce and send her away.” 5 “It was because your hearts were hard that Moses wrote you this law,” Jesus replied. 6 “But at the beginning of creation God ‘made them male and female.’ 7 ‘For this reason a man will leave his father and mother and be united to his wife, 8 and the two will become one flesh.’ So they are no longer two, but one flesh. 9 Therefore what God has joined together, let no one separate.” 10 When they were in the house again, the disciples asked Jesus about this. 11 He answered, “Anyone who divorces his wife and marries another woman commits adultery against her. 12 And if she divorces her husband and marries another man, she commits adultery.”

Luke 16:18

18 “Anyone who divorces his wife and marries another woman commits adultery and the man who marries a divorced woman commits adultery.

1 Corinthians 7:39

39 A woman is bound to her husband as long as he lives. But if her husband dies, she is free to marry anyone she wishes, but he must belong to the Lord.

Ephesians 5:33

33 However, each one of you also must love his wife as he loves himself, and the wife must respect her husband.

Matthew 19:6-9

6 So they are no longer two, but one flesh. Therefore what God has joined together, let no one separate.” 7 “Why then,” they asked, “did Moses command that a man gives his wife a certificate of divorce and send her away?” 8 Jesus replied, “Moses permitted you to divorce your wives because your hearts were hard. But it was not this way from the beginning. 9 I tell you that anyone who divorces his wife, except for sexual immorality, and marries another woman commits adultery.”

Romans 7:2-3

2 For example, by law, a married woman is bound to her husband as long as he is alive, but if her husband dies, she is released from the law that binds her to him. 3 So then, if she has sexual relations with another man while her husband is still alive, she is called an adulteress. But if her husband dies, she is released from that law and is not an adulteress if she marries another man.

Deuteronomy 22:19

19 They shall fine him a hundred shekels of silver and give them to the young woman's father, because this man has given an Israelite virgin a bad name. She shall continue to be his wife; he must not divorce her as long as he lives.

Jeremiah 3:1

1 "If a man divorces his wife and she leaves him and marries another man, should he return to her again? Would not the land be completely defiled? But you have lived as a prostitute with many lovers— would you now return to Me?" declares the LORD.

Malachi 2:16

16 "The man who hates and divorces his wife," says the LORD, the God of Israel, "does violence to the one he should protect," says the LORD Almighty. So be on your guard, and do not be unfaithful.

1 Corinthians 7:11-13

11 But if she does, she must remain unmarried or else be reconciled to her husband. And a husband must not divorce his wife. 12 To the rest I say this (I, not the Lord): If any brother has a wife who is not a believer and she is willing to live with him, he must not divorce her. 13 And if a woman has a husband who is not a believer and he is willing to live with her, she must not divorce him.

Jeremiah 3:8

8 I gave faithless Israel her certificate of divorce and sent her away because of all her adulteries. Yet I saw that her unfaithful sister Judah had no fear; she also went out and committed adultery.

Isaiah 50:1

1 This is what the LORD says: "Where is your mother's certificate of divorce with which I sent her away? Or to which of my creditors did I sell you? Because of your sins, you were sold; because of your transgressions, your mother was sent away.

Deuteronomy 24:1-4

1 If a man marries a woman who becomes displeasing to him because he finds something indecent about her, and he writes her a certificate of divorce, gives it to her and sends her from his house, 2 and if after she leaves his house she becomes the wife of another man, 3 and her second husband dislikes her and writes her a certificate of divorce, gives it to her and sends her from his house, or if he dies, 4 then her first husband, who divorced her, is not allowed to marry her again after she has been defiled. That would be detestable in the eyes of the LORD. Do not bring sin upon the land the LORD your God is giving you as an inheritance.

Hebrews 13:4

4 Marriage should be honored by all, and the marriage bed kept pure, for God will judge the adulterer and all the sexually immoral.

CHAPTER 9

FALSE CHURCHES AND OCCULTIC GOSPEL SINGER IN HELL

Brother, I was born into a Christian family. My father and mother were Christians. They taught us about God when we were still very young. But the issue with me is that I never appreciated the importance of God since childhood. I was never interested in God or religion. And since young people in my area was in music and fashion, this became my way of life.

Over time the devil drew me to the world. I ended up in worldly music. Given that I was never interested in Jesus Christ since my childhood, I nicknamed myself, "Son of Satan."

I remember back then I really considered joining the occult in the later years of my life. At that time, people were calling me the son of Satan, which was my name in worldly music.

Then I met a friend who was a DJ. When he had a breakthrough in world music, we joined him in a local bar for a celebration. On that day when I joined him and friends who were there, we were in the bar hearing music of the late Congo celebrity Frank Luamba. I like his songs so much that I was paying the barman to repeat the song.

On that day we drank and we got drunk. Most of my friends continued to drink while I was slumbering. Suddenly, I saw a Man in space coming down towards

me at great speed. He was really beaming great light. The Man stood in space and He was watching me.

Immediately He called me by my name and said, "Aston, this is not your life, for you are a Christian."

I thought I was just slumbering and this was a dream. I opened my eyes and I shook my head. When I look again, I saw the Man standing in space.

He called my name again for the second time and said, "Aston, this is not your life. You are a Christian."

I said to him, "I cannot be a Christian and I will not serve Jesus."

My friend in the bar heard me talking to a person they could not see. They thought I was drunk. This shining Man was insisting that I am a Christian. But I was categorically denying it.

I said, "I will not serve Jesus."

In the end, He raised his voice that was powerful. Quickly, I decided to leave the bar. In truth, it was my mother who was a believer and she was interceding, fighting spiritual warfare for my soul and sowing numerous seeds so that I will convert and come to God. That is why the Lord Himself came to me in a bar.

Actually, my mother was told in a prophecy that I will serve the Lord. In this prophecy, the Lord warned my mother and said, "If your child ever resorts to occultism, he will go mad because he is chosen."

Often when we were doing rehearsals, my mother would come in the place and kneel and she would declare to me, "Aston, you will serve the Lord. This is not your life."

I remember every time we went to the studio to record worldly music. As soon as we entered the studio, I was losing my voice and I could not sing. Actually, my mother was telling me, "You will not sing worldly music and your voice will never be heard in worldly music." This happened every time we went to record music in the studio. I was losing my voice.

My mother really fought spiritual warfare for me. She cried for my soul and battled for me in prayer. On that day after leaving the bar, I went back home and I began to say to God, "Look, I am a musician. There is no way I am leaving

worldly music and I am also in fashion extravaganza. I will go to church as You are asking me, but I will not leave worldly music and fashion.”

I tried to be honest, for this was a serious prayer.

My mother said, “Whatever, wherever you are praying, it is fine with the Lord.”

My mother used to say, “Aston, you will never sing for the devil. No one will hear your voice in world music.”

After the appearance of the Lord in the bar, I became a believer and I joined a church where I was baptized. I receive the foundation and teaching of doctrine until I was ordained as a prophet.

My pastor kept insisting that I should start my own ministry according to the vision the Lord gave him. But I was hesitant because I was too young. In the end, I left the church. I was considering my options.

It was then I became sick. During this sickness, I began to have angelic manifestations. Angels were visiting me regularly while I was lying sick and I endured for two years. People began to call me the suffering Prophet, because of my health situation. I was lying sick and stuck in bed.

One day the Lord Jesus Christ appeared in my room where I was lying down. On that day when the Lord came, He was dressed in a white garment and He had golden sandals. He sat on my bed by my side. I saw that He was holding a book called the Knowledge of God, and He was wearing a crown upon which it was written, “King of Kings.” There were countless stars on that crown. There was also a crown of thorns on His head, which caused His head to drip with blood. He wore a belt on the neck, where it was written, “Jesus Christ.”

The Lord Jesus was beaming great light like a projector. When He was talking to me, I was just seeing a great light. And inside the light was a Man who was shining like the star of heaven. He was the embodiment of light.

The Lord Jesus looked like in Revelation 1:14-16 His head and His hairs were white like wool, as white as snow; and His eyes were as a flame of fire; 15 And His feet like to fine brass as if they burned in a furnace; and His voice as the sound of many waters. 16 And He had in His right hand seven stars: and out of His mouth went a sharp two-edged sword: and His countenance was as the sun shines in His strength.

The Lord told me, “The time has come, you must rise up for you have work to do.”

When the Lord appeared He placed the little book on my heart and said, “The time has come because your trial and training has finished and the time to work has come.”

On that day when I stood for the first time in two years, people cried for they could not believe that one day I will stand up. When this encounter ended, I was wondering how to begin in the Church. Very quickly, I was convinced by the Spirit to start a series of prayer.

When I began these prayers, I was joined by numerous people, among them a lady who decided to give me a hall where the church is up to today since 2012.

Brothers, since the first appearing of the Lord in the bar, I had joy in my heart to pray to Him. I was praying in 2013, in a room that a mother had offered us for prayer, when suddenly the room was filled with radiant light.

When I opened the eyes to see the light, I fell on the ground and I heard a voice that said, “Aston, I am Jesus Christ, I have to take you on a journey. Our first journey will be to Hell so that you can tell the people that are enjoying the pleasure of this world and people who are striving for the goods of this world that are perishable, that Hell is real. Those who refuse to follow My way will end up in this place of torment.”

Then this voice stopped speaking. I thought I was dreaming and I decided to stand up and to clean my face. However, when I stood up, I saw my body lying on the ground and my spirit was standing. I thought I was having a vision.

Later, when I tried to touch my body, I noticed that my hand was touching empty space. I tried to touch the fan that was in this room, I saw that I was unable to touch physical things. I was scared and I said, “This is not a vision, but something is wrong.”

Quickly, I began to awake the brothers that were praying with me.

I said, “Wake up my brothers and sisters, something is happening to me.”

Quickly, I saw that they were not hearing me. I wanted to touch them to awake them. I saw that I could not touch them, for my hand was passing through them. Panic overtook me. I got out of the room.

When I saw the landlord who gave us this room for prayer, I tried to talk to her but she could not hear me. I went to the gate of the compound in order to open it and talk to the people outside. As soon as I tried to hold the gate of the compound, I saw that I went through the gate.

When I went out of the compound, I went to the neighbor in order to tell them what was happening to me, but they could not hear me. I was in a state of panic. Now my objective was to go back home and to tell them what was happening to me.

It was when I was moving in the street that I saw people who were in the same situation as me. It was then I came to the realization that I was no longer in the world of the living. I saw these people crossing houses, trees, and physical matter. I thought I was a physical man and I was moving following the direction of the street. But these people were crossing houses, solid and material matter.

These people were complaining that their bodies were buried. I was again in fear. When I reached the bypass of the city, I saw a popular gospel singer. He was wearing shorts. He was crying and saying, "Why did you people bury my body? I have now become a wandering spirit and I have no place to go."

I was stunned to see this singer. And I began to call him to talk to him about what I was experiencing, but he was running at great speed.

FALSE CHURCHES

I was moving in the city when I saw the first church.

I said in my heart, "I must get into this church so that they can pray for me."

When I got into this church, I saw people sitting on the ground. They had chains on their hands. They were many groups seated in circles around with flags of different countries. I saw that these people were guarded by soldiers that were four meters tall. These soldiers were holding javelins and they were cold-blooded. They were keeping these souls. I tried to talk to these souls that were in bondage. I saw that they were crying.

Quickly I heard the voice of the Lord saying, "Not all churches are good. Not all churches are churches of God. There are people that are bound in chains because of the churches that they attend. Many people's souls are captured because of the churches they attend. That is why many people do not see the

hand of God because they are bound when they go to pray. They will always wonder and they will cry. If you stay in this church, you will be captured like these souls that you see in bondage.”

Then the Lord took me to Hell. The place was really dark and the sand was red. It was a huge place. I could not understand this place because it does not exist on Earth.

Souls that fell in this place were saying, “What is this world? This place is not Earth and it does not exist.”

Jesus said, “The sand is red in this place because of the fire burning underneath.”

Then I saw huge crowds in a long queue. I saw these people were silent. These people died in the four corners of the Earth. They were of all races and all countries and they were supposed to watch a review of their lives and their actions so that they would be sent to various chambers of Hell. I saw people who had faces of dogs and bodies of humans. They were demons that were guarding these queues.

GOSPEL SINGER IN HELL

I was watching this queue when I noticed the Gospel singer who was wandering the Earth. He was in the queue where people were watching the reviews of their lives. When his turn arrived, he stood before the throne of the Angel of Death, Nikkel.

I saw Brother Charles complaining and saying, “No, I should not be here.” He said, “I am a servant of God, I have served the Lord all these years, I should not be here.” Brother Charles was really putting up a protest.

I saw that God’s children who were in this queue before the Angel of Death, Nikkel behaved like they should not be there. They were boasting and saying, “We are good children, we should never be here.”

These believers could not accept that they fell into Hell. They spent years of their lives going to church and serving the Lord. However, I saw that flying demons that were moving in this place were mocking and laughing at them.

I saw our singer Brother Charles saying to the Angel of Death, Nikkel, “I would not accept this. I have served the Lord and I sang for Him for many years. It is impossible. I cannot be here. I must leave this place.”

The demon that was laughing at him replied and said to him, “If you had really served God, you would not fall into this place. The people that are falling here are people that have failed to obey God. They followed the example of our master by refusing the way of their Creator and God. These are the people who come here.”

As Brother Charles had protested, his life was projected on the screen. I watched the life review of Brother Charles and I saw the secret and evil deeds he committed that brought him to Hell. I cannot say openly the sin that brought him to Hell. However, the journalist is insisting that I should be talking about the evil deeds that led Brother Charles to Hell.

Beloved, the Bible says you shall not worship other gods but the Lord.

Brother Charles was the leading Christian singer in our country. Yet, when I was watching the movie of his life, I saw a scene at the beginning of his career when he was about to start his musical career. He went to consult a mystic in order to be famous and to excel in the industry. It was a shock to see a Gospel artist resorting to occultism to become famous.

Brother Charles was successful in his career and people liked him a lot. No one in the evangelical population could imagine that he had resorted to occultism to have success. Brother, this is terrible. We have here a case of a servant of God that has resorted to mysticism to have success.

Yet the Lord is more than willing to give His servant the anointing to excel and to make him succeed. Everything you are looking in this life, the Lord can give it to you. The Bible says elevation comes from the Lord.

“For not from the east nor from the west nor from the south come promotion and lifting up. But God is the Judge! He puts down one and lifts up another.”
(Psalm 75:6–7, AMP)

What is grave and dangerous is that all the success that Brother Charles had in the world came from the enemy. God’s children have his albums. God’s children still hear his songs since he was really intense. By listening to his songs, they are inviting demons.

Since Brother Charles was popular, many sisters sought his help in their careers. Actually, I watched on the screen scenes of Brother Charles sleeping with singers and married women who sought breakthroughs in their careers too.

Brother Charles used his popularity to profit from sisters. He was secretly living a lifestyle of adultery. Many female singers of Congo slept with Brother Charles as they were seeking elevation.

As the life of Brother Charles was being projected on the screen, I saw a scene where he had sexual intercourse with one of his relatives. This was incest, which is a sin before the Lord. In his life review, I saw that Brother Charles, who was popular in the country was going out with women who were already married. He used his popularity for sex.

If you have sex with a member of your family, you are committing incest. You must understand that you will not escape God's judgment.

Brother Charles watched the movie of his life, how he slept with his relative and how he was sleeping with married women and how he resorted to occultism to have success in his career.

When he had finished watching the movie of his life, he was in tears. He could no longer protest and complain for the testament of existence had recorded everything he ever did. And everything was projected on the screen.

I saw that Brother Charles was still in denial. He was overwhelmed and he could not accept what was happening. As a result, the Angel of Death Nikkel ordered the demons to open something that looked like a container and I saw wild black lizards coming out in great numbers. These lizards were ordered by the Angel of Death to bite him. I saw countless lizards rushing to him and they began to bite him and devour him. He was crying and repenting, but it was too late. Afterward, he was cast into the Abyss.

When he was cast into Hell, the Lord said, "Let's follow him so that we can see."

When the gates of Hell opened, I noticed that this was an ancient gate. And when we entered this ancient gate, I saw that we were descending. In fact, Hell has many levels. As we were descending I saw that we were landing in a huge, massive volcano and lava where souls of men were falling. This extended sea of lava and volcano was the reception of Hell, where souls were supposed to land and be taken to their respective chambers.

CHAPTER 10

INCUBUS AND SUCCUBUS: SPIRIT HUSBANDS AND SPIRIT WIVES

Incubus is a demon in male form who lies upon sleepers, especially women, in order to have intercourse with them. Succubus is a demon in female form, appearing in dreams, seeking to seduce men through sexual intercourse.

Brother, I am Aston Adam Mbaya who has been to the 351 chambers of Hell. The Lord came and took me to Hell. When we arrived in the first chamber of Hell, I saw many doors that were guarded by demons.

In this first chamber, I saw that it was written, “The Prison of Those Who Have Brought the Condemnation of Sexual Sins.”

There was a board with a list of condemnations of various sexual sins. When I read this list, I saw the kind of sexual sins that lead to condemnation.

The first sexual sin was the sin of people who have sexual intercourse in their dreams. When we arrived in this chamber of sexual sins, I could not see people. All I could see were great flames of fire and I heard people who were crying inside the fire. We could hear people but we could not see them.

Then the Lord showed me a man who had a ring of marriage on his finger. He was skeletal. When he saw us coming, the man began to tell us his story.

He said, “When I got married to my wife, I was faithful to her until death. I have never committed fornication. I have not lusted after women. I was faithful to my wife that we grew up together since childhood. And when we got older, we got married legally. However, when I got into my marriage, I began to have the constant dream of sexual intercourse with a woman. I could not identify the lady that was coming in my dream to have sexual intercourse with me. I have never been able to see her. Yet every night this woman came to have sex with me.”

As these sexual dreams became repetitive, I decided to talk to my pastor, and we set a program for deliverance prayer. On that day of deliverance, the pastor prayed for me in order to stop and cancel these sexual dreams.

However, right after the prayer session, I came to see that his prayer did not stop this phenomenon. And these sexual dreams continued. And when death came, I was condemned in the afterlife because of these sexual activities in the dream.

Beloved, I saw that this brother who was inside the pit of fire was surrounded by seven female devils. Actually, the woman who had constant sexual intercourse with this man in the dream was one of these seven female demons of Hell. The female devil was a siren who was coming in his dream to abuse and mate with him. This female demon was pouring stain and impurity on this man during sexual intercourse.

This man was defiled and stained by sexual intercourse in the dream. Many people are stained and made impure by sex in dreams but they don't see the dangers and the consequence in their spirits that are defiled.

While this man was talking to us, I saw that this brother was in a pit and seven female demons were dancing around him. This evangelist had his wedding ring on the finger, which was not burning.

The Lord said, "This man was an evangelist. However, he used to dream of sexual intercourse for a long period of time. This has brought him here. When he died, the demons of adultery brought him here in this pit."

When I heard this I began to repeat, "No, no, no, this is not possible. It should not happen."

The Lord said, "85% of people in Hell are condemned for sins that they are unaware of."

The Lord said to this man, "I did not make marriage and sexual act to happen in the dream."

The man said, "How could I lose my soul because of dreams?"

And the Lord said, "My son, it is too late."

The Lord said, "One day this evangelist was walking in the street and he saw a beautiful lady. When he saw her he was aroused with lust in his heart although he was already married. He really wanted to have an affair with this woman for

he lusted after her. Despite the lust in his heart, he said to himself, "I am an evangelist, I already have a wife, I cannot do it." "

This man did not know that the lady that aroused his heart was a witch and she had the spirit of water mermaid in her that made her seductive in the street. And this water spirit dwelling in the witch was able to read the mind of the evangelist when he was lusting after the lady witch. Quickly the marine spirit captured the thought of lust that the evangelist was entertaining in his heart and she took it to the marine kingdom.

When she met the queen of the sea and the hierarchy of the underwater kingdom, she said, "Your Highness, I dwell in the body of our servant Linda the witch. I have made her pretty, attractive and seductive. I made her chest bosomy and I made her dressing indecent and revealing. I gave her my beauty for seduction on the earth. And while she was walking the street, an evangelist was seduced by my beauty and the seductive attraction that I gave to Linda. Since the evangelist has lusted after my beauty, I would like to marry him."

The evangelist was in love and he was full of lust. He had opened the door through his thought of lust and he had failed to confess.

When the mistress of the sea heard this report from this mermaid, she agreed to her marriage proposal.

Thus the spirit of the witch was summoned underwater. The mistress of the sea said to the mermaid of seduction, "Right, since you want to marry the evangelist, we need to meet his family. And we need to give a dowry in order to officialize the marriage."

Afterward, they went to the surface and they found a member of the evangelist's family that was into witchcraft. They gathered in a meeting in order to talk about marriage and to give a dowry.

They said to the family, "We have come to marry your son, the evangelist. He fell in love with our daughter."

The family of the evangelist said to the mistress of the sea, "You can take him in marriage since he is in love with your daughter, but you're going to have to give us the dowry that can satisfy us. And this is what we want for dowry."

“We all know that the evangelist is a servant of God. Therefore, we want you to reduce the years of his life so that he will die young at the age of 33. This is the dowry that we require from you.”

The queen of the sea and the mermaid of seduction agreed to kill the evangelist at the age of 33. On that day, the marriage between the evangelist and the mermaid of seduction was sealed in the spirit world of witchcraft.

Right after the marriage, the evangelist began to have continual sexual dreams. He was worried and he went to talk to the pastor. The latter prayed for his deliverance and protection against sexual aggression in the dream. Though he talked to the pastor, the sexual dreams continued.

Actually, whenever the pastor prayed the evangelist spent one week without sex in the dream. But over time, the sexual dreams came back again. Whenever these dreams came back, he went to see the pastor in order to tell him and when the pastor prayed, this dream would stop for a week. Then they would come back again.

One day as the evangelist was sleeping, the mermaid came in his dream and they had sex. As a result, the evangelist ejaculated. When that happened, the mermaid collected his sperm and took his sperm to the marine kingdom. And she went to find her friends, the ladies of the sea underwater, and she showed them the evangelist's sperm.

She said, “My husband has good sperms. I would like to have children with him.”

Immediately the mermaid introduced these sperms in her womb. As a result, she got pregnant. Later she delivered a beautiful child in the marine world.

When her friends the ladies of the sea saw that the child was beautiful, they said to their friend the mermaid, “Next time when you visit your husband in order to mate with him, we will come with you.”

When that day came, she went to sleep with the evangelist in the dream. She came with many of her friends from the sea world, and they all mated with the evangelist.

When the evangelist noticed repetitive sexual dreams he went to see the pastor. Whenever the pastor prayed he was protected against this sexual attack in a

period of one week. But since the repentance was not done correctly, and since he failed to do the confession correctly, the ladies of the sea kept coming back

When he reached 33 years old, he died and the day he died, these ladies of the sea began to fight for his soul.

Each one was saying, “He belongs to me.”

Given that his spirit was stained and defiled because of sex in the dreams, he ended up in Hell.

Immediately I began to think about all the sexual dreams I had.

The Lord said, “There are principles in order to be delivered from spiritual marriage. Firstly, you need to confess to God and then to His servant, because you are captive and married in the spirit. After this confession, you need to go through deliverance prayer. After this prayer, you need a letter of divorce in order to return the dowry that was given for your marriage. This is done when you take a seed offering and you bring it to My servant. When My servant prays, My kingdom will issue a letter of divorce and thanks to your seed offering, the dowry will be returned to the marine kingdom and the divorce will be sealed.”

This is the principle that the Lord showed me.

The Lord said, “There are four types of spiritual marriage. Firstly, the angels that slept with women in the era of Noah. These angels come in dreams to sleep with humans.”

“Secondly, there are witches that come to sleep with people in dreams when the latter yearned and lusted after them during the day.”

“Thirdly, there are also sexual thoughts of lust that become a dream.”

“Fourthly, there are also the wandering spirits of the dead that come to sleep with people in dreams.”

In order to officialize these spiritual marriages, these spirits would find a member of your family that is a witch and they would give him dowry for the marriage.

The Lord told me, “There are 54 kinds of dreams. Many people watch erotic soap operas and movies. These sexual acts in movies stain and defile those who watch them. Sexual scenes in movies and soap operas open gateways for demons to enter into people’s lives.”

The Lord said, “People that are attached to them are bound in spiritual marriage with demons of Hell. These are demons that marry people and have sex with them in dreams. People enter into spiritual marriages when they watch sexual scenes in movies. They would end up having sex in the dreams. These demons of movies will claim their souls if they fail to repent.”

The Lord said, “Whenever people watch images of nakedness on television, a doorway will be opened and a demon will come out of television to capture their souls.”

Men’s dreams are a spiritual reality of their lives. The lives of men are connected to their dreams. Your dreams reflect your spiritual life. What you dream is what is likely to happen. Dreams are a world of its own. It is an assembly of images that are projected in sleep.

There are symbols and signs in dreams that are messages that God's children must decode. One of the languages God is using at the end of time in order to talk to His children is dreams.

There are coded messages in dreams and God's children need the anointing to discern these dreams that contain messages. The Spirit of God can give the interpretation to God's children.

God’s children must learn the signs and interpretation of signs. Because of technology and modernism, God's children are failing to read the signs in dreams and in everyday life. Even in meteorology, scientists rely on signs in the sky to predict the weather. In medical science, the doctor looks for signs in the blood to determine and diagnose sickness.

When the Lord wanted to take me to another pit, I called Him and I said, “Lord, what if I were in the place of the evangelist?”

He looked at me and said, “It is too late for him.”

Brother, we are not better than these souls that are in Hell. They heard the Word like us, they were warned like us. I am here to warn you because the Lord told me that my mission is to warn humanity.

The Lord said to me, “My child, your voice has become like music people play when you preach.”

Matthew 11:17 saying, We played the flute to you, and you did not dance! We mourned to you, but you did not wail!

Jesus said to me, “The fact that you have seen Hell is not a guarantee that you are saved for there were many that had testified and still fell to Hell.”

Luke 13:3 I tell you, No: but, except you repent, you shall all likewise perish.

Exodus 20:17 You shall ... not covet your neighbor’s wife, nor his manservant, nor his maidservant...

Job 31:1 I made a covenant with my eyes; why then should I think on a maid?

Job 31:9-12 If my heart have been deceived by a woman, or if I have laid wait at my neighbor’s door; 10 Then let my wife grind to another, and let others bow down on her. 11 For this is an heinous crime; yes, it is an iniquity to be punished by the judges. 12 For it is a fire that consumes to destruction, and would root out all my increase.

Psalms 81:12 So I gave them up to their own hearts’ lust: and they walked in their own counsels.

Proverbs 6:24-25 To keep you from the evil woman, from the flattery of the tongue of a strange woman. 25 Lust not after her beauty in your heart; neither let her take you with her eyelids.

Matthew 5:28 But I say to you, That whoever looks on a woman to lust after her has committed adultery with her already in his heart.

Mark 4:19 And the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke the word, and it becomes unfruitful.

John 8:44 You are of your father the devil, and the lusts of your father you will do. He was a murderer from the beginning, and stayed not in the truth, because there is no truth in him. When he speaks a lie, he speaks of his own: for he is a liar, and the father of it.

1 Corinthians 9:27 But I keep under my body, and bring it into subjection: lest that by any means, when I have preached to others, I myself should be a castaway.

1 Corinthians 10:6-7 Now these things were our examples, to the intent we should not lust after evil things, as they also lusted. 7 Neither be you idolaters, as were some of them; as it is written, The people sat down to eat and drink, and rose up to play.

Ephesians 4:22 That you put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts;

1 Timothy 6:9 But they that will be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition.

2 Timothy 2:22 Flee also youthful lusts: but follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart.

2 Timothy 4:3-4 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; 4 And they shall turn away their ears from the truth, and shall be turned to fables.

Titus 2:12 Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world;

James 1:14-15 But every man is tempted, when he is drawn away of his own lust, and enticed. 15 Then when lust has conceived, it brings forth sin: and sin, when it is finished, brings forth death.

James 4:1-3 From where come wars and fights among you? come they not hence, even of your lusts that war in your members? 2 You lust, and have not: you kill, and desire to have, and cannot obtain: you fight and war, yet you have not, because you ask not. 3 You ask, and receive not, because you ask amiss, that you may consume it on your lusts.

1 Peter 2:11 Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against the soul;

1 Peter 4:3 For the time past of our life may suffice us to have worked the will of the Gentiles, when we walked in lasciviousness, lusts, excess of wine, revelings, parties, and abominable idolatries:

2 Peter 2:18 For when they speak great swelling words of vanity, they allure through the lusts of the flesh, through much wantonness, those that were clean escaped from them who live in error.

2 Peter 3:3 Knowing this first, that there shall come in the last days scoffers, walking after their own lusts,

1 John 2:16-17 For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. 17 And the world passes away, and the lust thereof: but he that does the will of God stays for ever.

Jude 1:16 These are murmurers, complainers, leading lives according to their lusts. And their mouth speaks proud things, admiring faces for the sake of gain.

Jud 1:18 because they told you that at the last time there will be mockers according to their lusts, leading ungodly lives.

CHAPTER 11

47,000 CITIES IN PARADISE: THE FIRST CITY

40 days in Heaven.

Brother, I am Aston Adam Mbaya and I would like to share the divine experience of my visit to the first city of Paradise.

I was reading a Bible passage where the Lord said to the thief, “Truly I tell you, today you shall be with Me in Paradise.” (Luke 23:43)

After reading that passage, I moved on to the next page, but I felt in my spirit that I should come back to this passage. I continued to meditate on this passage about the thief that was to meet the Lord in Paradise.

Then suddenly I heard the voice of the Lord behind me.

The Lord said, "Aston, today I am taking you to a land of marvels, which is the expectation of all the saints. Those who have chosen the way of the truth shall rejoice in that land of wonder. Today we are going to the Paradise of God, and you shall see the marvelous City of God. You shall experience joy and gladness in Heaven."

The Lord spoke about great things and I was full of joy and rapture of delight to hear this. I was filled with expectation and I could not wait. I was out of my body and my notebook fell where I was meditating. Immediately I began to worship the Lord.

The Lord kept talking about the Paradise of God and the joy awaiting those who are walking in His ways and persevering. When I was looking at the Lord, I saw that His body was beaming a great and luminous light. The Lord was wearing a crown that had countless stars. There was still fresh blood dripping from His hands and feet.

At that moment, I saw the ceiling of my house rolling like a sheet of paper. Then we began to rise in space at a tremendous speed. As we reached the height of the sky, I saw people rising in space with great speed, and they were dressed in brightening white garments. I never saw people defying gravity and rising in space like rockets at great speed.

The Lord said, "These are people who have escaped the corruption of the world. They suffered to keep God's principles. They are rewarded today, and they are heading home to receive consolation that the world cannot give."

These saints were beaming great light and shining.

The Lord said, "These are good deeds that followed the saints. Those whose lights are stronger are the ones who are winning souls. They were not ashamed of the Gospel. Wherever they went, they talk about the good news of the Gospel. They were assisting the poor and doing works of liberality with their own money. You're going to tell My people not to be ashamed of the Gospel. They must evangelize and warn the world. The saints that are shining less are the ones who failed to win souls. Yet every single believer is supposed to evangelize. It is a duty. There is darkness in the world, but you are supposed to be light and power of the Holy Spirit."

I saw these saints rising in Heaven and they were dressed in brightening garments. I noticed that their garments had little bells on the bottom ends. As they were rising these bells were making noise.

I asked the Lord, “What is the meaning of these bells that are ringing and making noise?”

The Lord said, “When these redeemed saints were on the Earth, these bells were the voice of My Spirit in their consciences and their minds. Whenever My children fell into sin, whenever they were going out of the way of righteousness, My Spirit was ringing the bell in their minds and consciences, reminding them to confess and repent. And whenever My Spirit was ringing the bell they were convicted of their sins and they were repenting. They overcame for they were responding to the reproach and conviction of My Spirit. They took measures to amend and repair whenever My Spirit rang the bell in their soul, telling them to come back to My way. They went back to the way of righteousness, keeping My principles. As a result, they kept their garments white. My children are not alone in this world. My Spirit is always with them, convicting them when they move away from the path of righteousness. My Spirit will not be silent, for whenever they fall, My Spirit will always ring the alarm in their minds convicting them to repent and get back in the way of righteousness without delay.”,,

And thine ears shall hear a word behind thee, saying, This is the way, walk ye in it, when ye turn to the right hand, and when ye turn to the left. (Isaiah 30:21)

Paul, looking intently at the Council, said, "Brethren, I have lived my life with a perfectly good conscience before God up to this day." (Acts 23:1)

“However, when My children are no longer responding to the bell, that My Spirit is ringing in their consciences in order to confess and correct their mistakes, there is danger. When My Spirit is no longer ringing the bell in your mind or reproaching you about your sin you are no longer Mine. For those who belong to Me will be convicted in their consciences by My Spirit through the bell that would be ringing to warn them to repent.”

Keeping faith and a good conscience, which some have rejected and suffered shipwreck in regard to their faith. (1 Timothy 1:19)

By means of the hypocrisy of liars seared in their own conscience as with a branding iron. (1 Timothy 4:2)

The Lord said, “Many of My children are not walking in My principles and they make decisions without consulting Me. Their garments are dirty as they are living like the world. Yet on Earth, they are foreigners and strangers.”

Hebrews 11:13 These all died in faith, not having received the promises, but having seen them afar off, and were persuaded of them, and embraced them, and confessed that they were strangers and pilgrims on the Earth.

Jesus said, "You will tell them I will not let anything impure within the city gate."

But nothing that is impure will enter the city, nor anyone who does shameful things or tells lies. Only those whose names are written in the Lamb's book of the living will enter the city. (Revelation 21:27)

As the Lord was speaking, I saw the saints rising at a tremendous speed and I wondered.

The Lord said, "There is no more time left. Time is finished. These redeemed saints are eager to see the kingdom I have prepared for them. Aston, you have to see what I have made available for My people. I did not die in vain and I did not shed My blood in vain. Tell them there is a world of peace and felicity I have prepared for them where they should live forever in peace with exceeding joy."

THE TRANSFIGURATION OF THE REDEEMED SAINTS

As the Lord spoke to me, I saw the dead in Christ rising into space. They were of all nations and all colors. I saw African, Asian and European and others. They were climbing the height and pillar of Heaven. Then I saw that these redeemed souls reached a height in space where wonders began to happen. At that moment, I saw that these people of all colors and all languages were glorified and exalted.

Basically, when these saints reached this place in space, they were no longer African, Asian or European. They were transfigured into beings of light. They became radiant light shining brightly, like the stars of Heaven, for their skin became transparent light.

The Bible says, Then the wise will shine like the brightness of the heavens, and those who lead many to righteousness will shine like the stars forever and ever. (Daniel 12:3)

They left earthly and human characteristics. They were released from human and corrupt nature. Their human skins and pigmentation were obliterated. They

were clothed with transparent light, for they were transfigured and they became like the stars of Heaven, for they were no longer black and white, nor African, Caucasian, or Asian. They turned into great lights. I was in wonder and awe.

The Lord said, “My Word purifies and sanctifies and those who are purified will overcome decay and corruption in order to be dressed with immortality. They will be dressed with an incorruptible and imperishable body in order to live forever. These saints have left imperfection and they are being dressed with perfection. They are heading to true perfection. My Word must change My people.”

Jesus said, “The people’s heart disposition is what will save them. When you are committed to purify and sanctify yourself detaching from the issues of life, you shall be saved.”

Therefore, since you have been raised with Christ, strive for the things above where Christ is seated at the right hand of God. Set your minds on things above, not on earthly things, for you died and your life is now hidden with Christ in God. (Colossians 3:2-3)”

THE ENTRANCE TO THE HEAVENLY DOMAIN

As the newly arrived saints stood before the gate, there was great light like a projector emerging from the city gate.

Brother, when I entered the pearly gate of the city, the Paradise of God was beyond description. I don't have the appropriate vocabulary to describe the splendors of the holy city. It was magnificent. There was intense light. The city was massive beyond all human conception. I was lost in awe.

Then the Lord left me and an angel joined me. He was trying to talk to me about the City of Light. I did not mind him, for I felt completely overcome with wonder and admiration.

The angel said, “Brother, welcome. What you see is the 47,000 cities of Paradise.”

Brother, I testified about the 351 chambers of Hell. The eternal kingdom of Heaven is bigger than the 351 chambers of Hell. The inconceivable height and glory and vastness of this domain of light can never be fully comprehended.

I was talking to myself. I said to myself, “I am not going back to Earth. I will stay here all my life.”

I saw the newly arrived saints who preceded me. They were standing there beholding the city in shock and awe. They were lost in wonder and surprise.

The pavement of the city was transparent gold. When I began to move in the Paradise of God, I beheld new creation emerging every second in this land of glory. The newly arrived saints were in wonder and admiration. For every second new things came into existence. The angels and the living creatures were in admiration for the new creations and new species that were called into existence in the heavenly world by the Lord.

We beheld and marveled at the coming into existence and the manifestation of new things made by the Lord. The saints were on their knees, for we were in awe, wonder, and admiration to discover new creations and new things that were made every second in this land of wonders by God. I saw the living creatures and the elders exalting the Lord.

They said, “We revere You, You who live forever. You make everything new. To You belong wisdom and intelligence. Your intelligence is incomprehensible. Your ways transcend our understanding and reason.”

I saw the living creatures on their knees worshiping the Lord all the time. They said, “To You belongs wisdom, intelligence, and knowledge.”

Brother, they were kneeling all the time to worship the One who lives forever.

I saw that in the Paradise of God, there was no race for all the saints of Heaven shone brightly like the stars of Heaven. In God, there is no race and tongue, only hearts prepared to receive from God. If only you can prepare your heart for the Lord, you shall inherit the eternal kingdom.

I saw banners flying in the Paradise of God upon which it was written, “King of Kings.”

THE KINGDOM OF WELLBEING

There was intense light, bolts of lightning, and thunders. I heard from a distance the roar of the redeemed praising the Lord. I saw that these saints of Heaven had inscriptions on their foreheads and their hands that said, “The Word of God.”

In Heaven, I saw the public infrastructure which is the commonwealth of the saints. These are treasures that the Lord has made available to every citizen of the heavenly world. And I saw the personal property, which was the rewards of those who had served the Lord in their lives and walked in holiness.

I asked the Lord about the light of saints of Heaven.

The Lord said, “They kept themselves pure and away from sexual defilement and stain. They washed in the water of the Word. Thus, they are shining and they are forever the light and stars of eternity.”

In this city, I saw terrestrial animals and celestial animals unknown on Earth. It was breathtaking. There were birds everywhere, and I saw animals that we have on Earth and animals that are found only in Heaven. I saw white lions, yellow lions, and blue lions. There were lovely evergreen trees producing golden fruits of light all the time.

The joy was immense in this domain. The saints were full of heavenly emotion. I saw the inhabitants of Heaven hugging one another strongly and they were giving one another gifts. These triumphant and joyous citizens of Heaven live in a community. They were a big family. They were a community of people living for one another.

There was an exceeding overflow of joy in this land of saints who were a big family. These happy saints of Heaven had no sexual desire and no fleshly demand for they were shining with the presence and light of God.

Then we were led to the homeland service, where every soul was supposed to be led to his mansion and place of rest, which were in the 47,000 cities of Paradise. This is the new domain of light that the Lord went to prepare for His people.

I saw thousands of golden cities. Each one of them was in an enclosure. I saw many cities built on top of the mountains of Paradise. They were entirely encircled by massive walls.

In Paradise I saw a skyscraper having a thousand floors. I was lost in admiration and wonder. Each celestial city was in an enclosure, and they were separated from each other. They were radiant angels in all these cities.

Then the Lord took me to the first city of the heavenly world, which was encircled by a wall that was immense. The city was adorned with all kinds of precious stones, which were shining like diamonds. I saw countless angels around the city wall. They were singing celestial songs. I saw on the city wall, it was written, “The City of the Abandoned.”

I asked the Lord, “What does it mean, The City of the Abandoned?”

The Lord said, “This was a city that I built for My people. They lived on the Earth and served Me in the Church. However, they failed to resolve the issue of sin in their lives. When they died, they missed what I built for them, and they fell in the outer darkness in Hell. No one is profiting from their rewards.”

The Lord said, “You will tell the people on Earth when they come to Me and receive Me, they must fight the good fight of faith to the end. What matters is the end of the race and the end of the battle. Happy are the dead in Christ, for their deeds shall follow them. (Revelation 14:13)”

Brother, this lovely city built with precious stones was abandoned. Radiant angels who were guarding the city was singing a song that said, “Woe, woe to the men who deserve this kingdom that our Father has made available for your well being. You have abandoned the rewards of your work and the fruit of your labor. Oh, who will profit from the fruit of your labor and toil?”

The angel was singing, “Woe to the Earth and the inhabitants of the Earth. You have abandoned your rewards after serving God. Yet, the main objective is to inherit the kingdom of Heaven. Why have you attached to your souls the things that rot instead of things that will be forever?”

Brother, we must fight for the eternal things and we must use our time in daily devotion that secures our salvation, such as prayer, Bible reading and God’s service. For whatever we see on the Earth will pass away when we die. Even our children, our women will not be on our side, we will face the judgment individually. Understand that if the rapture of the church is delayed, death will come as a thief. One day death will surprise us when we did not expect.

I was observing this tremendous city with all its wealth, abandoned by believers who failed to separate from the world. There were wealth, gold and all kinds of precious stones in this abandoned kingdom. The Golden City was empty for the heirs of the kingdom were cast out into the outer darkness. Because of the pleasure of the world, the children of the kingdom were cast out into the darkness.

When I heard about these saints who failed to inherit the fruit of their labors, I wanted to cry, it was painful.

I remember the story of a sister who died recently. When she was buried, she came in the dream of one of her loved ones and said, “Pray for me because where I am now I am told there is no place for me.”

Brother, the work you do for God is not in vain. There is an eternal reward waiting for you. The way you walk every second, every minute, and every day will secure your eternal rewards and treasure. You must be sanctifying yourself every second, every minute and every day. Repentance must never be postponed for many have planned to repent tomorrow, but they never reach tomorrow. They died and abandoned their heritage. You must return to your first love.

Brother, we entered the abandoned city and there was no one inside. The golden kingdom was empty with its wealth and precious stones. I saw at each house in the city there was the name of the owner.

The first house that I visited in this kingdom was the mansion of King Solomon. It was a palace, a villa really beautiful. Its length can be estimated to 80 meters. This mansion was circular. There were many lovely and green gardens inside. This mansion was fenced with concrete, and these concrete walls were adorned in gold and precious stones. On top of each concrete wall, there was the name of King Solomon.

Inside the mansion, there were many tables. Upon these tables, I saw a book and it was written, “The Wisdom of Solomon.” I saw all the books that Solomon wrote, such as the Book of Wisdom, the Books of Ecclesiastes and Proverbs, the Song of Songs, and some Psalms.

Inside the palace of Solomon, I saw angels sweeping the court. I saw angels guarding the palace. Some angels were watering the garden.

The mansion was closed and the Lord said, “We must enter and see.”

When we got inside the palace, I was in awe and admiration for the beauty of this house exceed all understanding. The most beautiful city on Earth will not come close to this construction. This mansion was more beautiful than the greatest city on Earth. Solomon’s house was well done with an architecture that was perfect.

I was contemplating the house. There were a lot of bright angels dressed in the purest white. On their garments, I saw that it was written, "The Historian," for these angels were talking to the visitors and telling these saints of Heaven the story of Solomon.

I was joyful when I entered the mansion of King Solomon. I saw a pool of water. Inside this palace, I saw streams of water with fishes. While I was in admiration the harp and brass band were resonating. The angels of God kept playing music, golden instruments of music were resonating as the angels were singing the songs and psalms of Solomon, but the heir of the kingdom, King Solomon has forfeited his eternal inheritance.

The angels told me, "This mansion was built for King Solomon. He did many good deeds on the Earth. He gave a lot of offering but he was unable to come here."

I was stunned to see King Solomon who wrote some books of the Bible but failed to make Heaven and his house was empty. I don't know, I suppose it will cost billions to build such a house. Inside the palace on the table, there were celestial food and wine ready to be served, but the son of the kingdom was cast into the outer darkness. He left his reward.

"But the sons of the kingdom will be cast out into the outer darkness; in that place, there will be weeping and gnashing of teeth." (Matthew 8:12)

Brother, what do you want to gain in this world? House, money or car, you will toil and work hard to gain these things. However, when you die others will profit from it. Therefore, we must labor for imperishable and eternal things, not for passing and temporary things.

Whatever wealth King Solomon accumulated on the Earth, what was waiting for him in Heaven was a million times greater, but he followed the passing things of this world. He lost his mansion in Heaven because of this world. What will it profit a man if he gains the whole world and loses his soul? (Mark 8:36)

In this sumptuous mansion, there was food ready to be served.

The angels inside the mansion were walking in the court playing the role of protocols. They were opening the door to the visitors coming from various cities of the Paradise of God. The photo of King Solomon was there in his mansion, but the king was not there.

When we left the king's palace, I saw that the king's neighbor had a gigantic mansion. This was actually the abandoned palace of a well-known prophet. He had served God faithfully. In his church, women don't do hair and cover their heads. His palace was in pure gold.

While we were visiting this kingdom, I saw that the residents and inhabitants of various cities of Paradise were also visiting this tremendous city. These citizens of Heaven were doing sightseeing since this city was an eternal testimony to the inhabitants of the heavenly world, reminding them that many have accumulated the wealth of the Earth but they failed in the battle to grab eternal life.

The light shining upon the saints was also illuminating the city. The saints of Heaven were glorious and full of joy. The city needed no sun or moon for the presence of God was shining upon the city.

And the city has no need of the sun or of the moon to shine upon it, for the glory of God has illumined it, and its lamp is the Lamb.(Revelation 21:23)

CHAPTER 12

THE CHAMBER OF THE CONDEMNED OF THE COVENANT: BABIES INITIATED AND DEFILED BY WITCHCRAFT

Brother, I am Aston Adam Mbaya and I have been in hell for 351 days.

I was with the Lord. As we were leaving the chambers of marriage where souls were condemned for fornication and marriage related issues, I saw countless lost souls lifting their hands towards the Lord saying, "Lord, get me out of here."

Jesus said to me, "I do not force people to do My will and keep My instructions. These people are condemned for their own actions."

I said to the Lord, "How is it possible for a God of love to create such a place?"

And Jesus said, "Being the God of love does not mean that I am no longer the God of justice."

We were in hell where the Lord took me to a chamber where it was written, “The Condemned of Covenant.”

I asked the Lord, “What does it mean “The Chamber of Condemned of Covenant?”

The Lord said, “We will enter inside this chamber and you will discover what is there.”

Brother when we entered the gate of this prison, I heard voices of millions crying. Very quickly, I started to notice that these were not voices of adults but little children and babies. Then I saw a demon waving his hand and saying to countless children that were crying in torment, “Children, please don't cry, stop crying. You must rejoice for this is your kingdom forever. You should always be in this place. That is your kingdom.”

I said, “Lord, the voices I am hearing in this chamber seems like that of children.”

Jesus said, “The children you will see here are not the ones you saw in the abortion sector demanding justice. The children that are here landed here because of Covenant.”

I said, “Lord, what do you mean?”

The Lord said, “Mortals, born of a woman, or a few days are full of trouble. They spring up like flowers and wither away, like fleeting shadows. They do not endure. Who can bring what is pure from the impure? No one.”

I said, “Lord, you told me that children escape the judgment.”

The Lord said, “The devil is cunning. He never wanted men to escape judgment. Therefore he has gone after children. He is fighting children when they are still in the womb of their mothers.”

Brother, while the Lord was speaking, I saw a rock and beside this rock, I saw a demon who had the skin of a crocodile over his body. He was seated like a mother carrying a baby and changing baby nappy. However, when we got closer, I noticed that the nappy that this demon was dressing the baby was covered with scorpions, snakes and worms. When this demon put this nappy on

the baby, the little baby cried more and screamed from pain for these worms and snakes were biting him.

I heard the baby saying, "What have I done to deserve this? I have not even lived life on the earth."

While the baby was crying, I saw this demon saying, "Baby, don't cry. Please don't cry."

This demon was changing the baby's nappy that had scorpions and snakes that were eating his flesh. The demon took another nappy that was full of scorpions, snakes, and worms and when he covered the baby with this nappy, the baby cried even more.

And this demon kept coddling the baby and saying, "Don't cry, baby."

Then this demon laid the baby on a table that was burning with fire and I saw that the fire was consuming the baby flesh.

I said, "Lord, this is just a little baby. What has he done to deserve this?"

The Lord said, "This baby died when he was eight months. One day when he was a baby on the earth, her mother washed his nappy and placed it on the dryer. While she was putting this nappy on the dryer, her neighbor who was a witch was observing and talking in her heart and saying, "She has delivered a beautiful baby and she is putting this beautiful nappy on the dryer in order to show us that it's all about her." It is when the mother of this baby was distracted that this lady witch went on to touch the nappy that was laid on the dryer and she transferred the spirit of witchcraft on the nappy. When it was evening, the mother removed the nappy from the dryer. It was when she dressed the baby with the nappy that had the spirit of witchcraft that the baby contracted witchcraft. When it was night on that very day, the lady that was a wizard flew above the house and called the spirit of the baby out of the body, and she took the baby to the gathering of witches in the astral world."

The baby was seven months old when he contracted witchcraft and was taken to the marine kingdom, where he drank human blood in the gathering of witches. In the physical world, the baby was still a seven-month baby, but in the world of witches, the baby had consciousness and he had adult reason and intellectual ability. As a result, he began to practice witchcraft.

Though he was a baby in the physical world, this baby was sent to various missions out of his body to cause traffic accidents and innocent lives were killed. He committed many offenses and crimes of witchcraft during that lapse of time from seven months to eight months.

Before his death, he attended the gathering of witchcraft where he was sent on a mission of destruction against a Christian family. When he came to attack this family, the fire of God erupted and burned his spiritual body.

When he came back in his body of a baby, he was affected. In that morning, his mother checked him and he saw that her baby had fever. Quickly, she took the baby to the hospital, where he died and he fell to this place.

I saw this baby wearing a nappy that had snakes, scorpions, and worms that were tormenting him. He was crying continuously.

The Lord said, "This is his judgment. It will be forever and ever."

I saw the baby talking to the Lord. I was stunned to see that he was talking like an adult.

He said to the Lord, "I have no experience of life on the earth, and I never heard the gospel. What have I done to deserve this? I have lived for eight months only on Earth. Then I fell here in torment."

The Lord said, "Even those who have never heard My word in their lives will be judged for the stained souls will not enter the kingdom."

Jesus said to the baby, "Your body on the earth was that of a baby. But in the spirit world, you were not a baby. You had consciousness and reason so you are accountable."

Yet the child continued to protest that he never heard the Gospel.

The Lord said, "God does not show favoritism. All who sinned apart from the law will also perish apart from the law. And all who sinned under the law will be judged by the law."

Brother beside this baby, I saw something that was burning. When I looked, I saw that it was a placenta. And inside this placenta that had worms, I heard a voice crying out for help. It was actually another baby that was inside this placenta where worms were eating him and he was asking for help.

I asked the Lord what he had done.

The Lord said, “When his mother was pregnant, one day she felt sick and she went to the hospital where she was supposed to be transfused with blood. However, among the donated blood of that hospital, there was an occultist that donated blood that day. The lady was transfused with blood from that occultist. The occultist’s blood entered the baby in the womb. Many days later, the occultist began to do magic prayer. And in this prayer, he was claiming the souls of anyone that was transfused with his blood. While he was claiming these souls, he saw that this baby had his blood and that he had legality in his life. He came to take the soul of the baby out of the body to the satanic world, where he initiated the baby in black magic. When the baby became a conscious adult in the spirit world, he was told he will serve Satan. Later the woman had a miscarriage and the baby died. And he fell in this place in hell.”

Beloved, not far from where we were, there was blood in a bowl that was burning and there was a voice of a child speaking from the blood, which said, “Why have you done this, mother? Why? Why have you done this, mother?”

The Lord said, “Aston, the blood you see is a three-month fetus. Her mother was a witch and she always said when she will have children, her first child would join her in witchcraft activity. When she got engaged to a man she got pregnant by accident. Since this pregnancy was not planned, her fiance forced her to abort. Yet she already transmitted witchcraft to the baby in the womb, though this baby was just three months old. When the mother aborted the pregnancy, the child was already a witch, and she fell in hell for there was nowhere else to go.”

Brother, I saw a baby of one week and two weeks in this place, because of witchcraft and black magic. There were many babies in this place for different actions of their parents that were in witchcraft. The voices of babies in this place were painful, and I was sad, especially the blood of a fetus that was two months old. The baby was shapeless because she was in formation in the womb of her mother when she died. I could see that her face was still under formation inside the blood.

She kept repeating, “Oh, Lord, I am lost forever. I am lost forever.”

I said, “Lord, what has this blood done?”

The Lord said, “She is not blood. She is a human being.”

I said, Lord, ‘What has she done?’

The Lord said, “One day when she was in the womb of her mother, on that day her mother felt the appetite of eating kaolin (white clay). She asked her friend who was with her for some kaolin failing to realize that her friend was a witch. The mother got the kaolin from her friend and ate it. Her friend who was a witch bewitched the fetus through the kaolin that the mother had eaten. As a result, the child received the spirit of witchcraft while she was still in the womb of her mother. Weeks later, the pregnant mother had a miscarriage. And when this happened, the baby was already initiated in witchcraft through the kaolin that her mother had eaten.”

I said, “Lord, is there no more mercy left for this baby?”

The Lord said, “Too late, no defiled and stained soul can enter the kingdom of heaven.”

The Lord said, “Tell mothers when they found out that they are pregnant, they must go to church to consecrate their pregnancies to God. Many parents are failing to consecrate their pregnancies to God for protection. They are failing to protect their babies. This irresponsibility is leading all these babies here. They must present their pregnancies to God in the church through My servants for consecration for many pregnancies and children are not consecrated. It's these mistakes that exposed babies. When mothers present their pregnancies to Me, tell them to bring a seed with them for the consecration prayer.”

The Lord said, “All these fetus and babies of weeks and months are falling in this place as a consequence of parents’ failure to present their pregnancies to My servants. Remember to tell mothers to bring an offering to My prophets for the consecration of the pregnancy and My servant will announce the pregnancies of these women that will be sealed with the seed.”

The Lord said, “Many children are born having covenants, bondages, and reclamation of unclean spirits. Every pregnancy must be consecrated with oil and sealed with a seed. The pastor will pray to undo the reclamation, covenants, and bondages before the birth of the child so that he will grow up in grace. The pastor will pray over olive oil and the mother would anoint her womb with oil.”

Brother and sister in this section of hell, I saw thousands of babies because of witchcraft transmission. It was horrible. I will never forget these babies in hell. Many babies are being initiated in witchcraft in the wombs of their mothers. It

was my first time seeing and knowing these horrendous things, and these images are still in my mind. Life will never be the same again.

CHAPTER 13

THE CHAMBERS OF THE CONDEMNED OF COVENANTS: SUBCONSCIOUS COVENANTS WITH THE DEVIL

We were still in these chambers of hell reserved for those who entered in subconscious covenants with the devil. Then I saw a flat landscape that extended beyond the site. It was really dark.

The Lord took my hand and we began to move in this landscape. After traveling for some time, we finally arrived before a footpath that seemed like sand.

On one side of this path, there was a river of lava and fire, but on the other side, there were countless demons that were seated in a gathering. I saw that they were dressed in black hoodie clothes. I saw that these demons were holding books that they were reading quickly.

I noticed a remarkable throne before them. Seated upon that throne was a high ranking demon called the representative of Lucifer. There were countless books before his tables. While I was watching I saw the demons were continually bringing captives that were in chains before his throne. And these demons were throwing these captives on the ground with violence before the throne of this representative of Satan.

When I looked carefully, I concluded that this gathering of demons was actually a court where trials of deceased souls were taking place. It was a court where souls were judged by demons for their actions. Since they were found guilty according to the record and data recorded in these books, they were cast to the lava of fire that was on the other side of the footpath opposite to this court.

The first soul that was facing trial in this court was a kid. He was crying and claiming his innocence. I saw that the child stood on the bar before the throne in the middle of demons. As he stood before the throne, I saw that there was a demon that kept accusing him in this trial. I was able to recognize this demon for he was the animated character I was watching when I was a child.

Actually, it was the cartoon character called Tintin Milou. The demon Tintin Milou kept accusing the child.

He was saying to the kid, “You are guilty for you used to watch our animated movies and cartoons. You belong to us. You cannot deny it for you were watching our animated movies.”

While the animated character was accusing the young child, these demons in hoodie clothes were laughing, and they joined the demon Tintin in his accusations against this child.

When the kid was accused by this cartoon demon of animation, I saw the high ranking demon on the throne scrolling the pages of an open book that was before him. I noticed that his hand was long and his finger was skeletal.

Finally, the demon said to the kid, “You were our servant on the earth. You really worked for us and you deserved a reward for you are a faithful servant.”

I saw this demon ordering his servant to give the kid his reward for he deserved it.

The demon said, “He worked for us and he did our bidding.”

I saw how the kid was cast in the lava of fire. When the child was screaming I saw images of cartoons he used to watch on the earth scrolling.

The Lord said, “Demons are behind these cartoons and animated characters in order to initiate children in witchcraft.”

When this kid was thrown in the lava of fire, the trials continued in this court of hell for I saw many children were being prosecuted. On the earth, they spent their short lives watching cartoons, such as Booba, Pokemon, Dora, etc.

When I looked at all these children that were prosecuted, I noticed that all these kids have the Mark 333 on their foreheads.

The Lord said, “These are candidates of hell. Whatever overcomes you, you become its slave and captive.”

The Lord said, “The devil came up with animated cartoons with the intent of winning the souls of children in order to drive them to perdition. Note that

children that are addicted to cartoons and animation are marked on their forehead with a code 333 and they're regarded as servants to the devil.”

Since they spend time watching satanic cartoons, they have entered in a covenant with the devil subconsciously. The enemy plotted to get their souls to fall in this chamber of hell reserved for those who have entered in a subconscious covenant with him. I mean, as children are exposed to these images of demonic cartoons, they are marked with a seal of witchcraft, which is 333. This is the code of the astral world of witchcraft and wizardry.

Brother, whenever our children are exposed to satanic cartoons, they will be initiated subconsciously in witchcraft, and they will be marked with the code of the Astral Kingdom of witches, which is 333.

Brother, codes govern the various dimensions of Satan. The code 666 is that of sin, defilement, and impurity that will come to climax in the Great Tribulation. However, code 333 is the kingdom of witches that is characterized by wickedness, hate, and jealousy. This subconscious covenant leads children into the kingdom of enchantment.

When children are watching these satanic cartoons, they receive this code of the Kingdom of witchcraft and they are initiated subconsciously into witchcraft. When these children die, I saw that they were prosecuted by the judges of hell. They were cast into the lava of fire. This is the way the enemy is winning countless souls of children through animation and games.

While the trials of these kids continued, I saw a lady that was brought to this court of hell and a mother was following her and this mother kept repeating to her, “You cannot deny your action and you cannot refute these accusations for you are guilty.”

The mother said to the young lady, “We know one another. You cannot deny anything here. I got you. You must admit your offenses. Don't try to deny it.”

The young lady asked this mother, “What have I done? I have not done anything wrong.”

I saw that the young lady was held on both hands by two demons. And they were pulling her while these demons were dragging her to court. I saw that her feet were not touching the ground as the demons were pulling her.

The scene reminded me when an offender is captured by the police on the earth. The lady was dragged with violence by demons, and she was thrown with brutality on the ground inside the court for her trial before the throne of the emissary of Satan. Behind the young lady was this mother that was agitated and accusing her.

The young lady was confused and kept saying, "I have done nothing wrong. I am innocent."

The high ranking demon said to the woman that was accusing the lady, "Servant, you have done a lot of work for our master. You have brought us a lot of souls that you have captured. You deserve a reward. Faithful servant, this lady that you brought us is guilty and she belongs to us. Why is she refusing it?"

The demon said to the wizard woman who was accusing the deceased young lady, "We will talk about the throne that the master Lucifer has promised to you later. For the moment, we must deal with this soul who is claiming that she has done nothing wrong."

I came to understand that the woman that was accusing the young lady was a witch serving the devil.

The demon said to the accused lady, "You have served us a lot in your house. Every morning before going to work, you bought our cakes that our servant that is behind you was cooking and selling in your neighborhood. Thanks to that enchanted cake that you bought every morning for your family, you introduced sickness in your family. Thanks to that enchanted cake your husband has lost his job and your children have become rebellious. Our servant, the wizard that is accusing you was cooking that cake every morning. Whenever she was cooking cakes in order to sell she was declaring curses, enchantment and she was putting evil fate on this food."

Brother, whenever this wizard woman was cooking the cake she was cursing and uttering evil words against the customers that came to buy her cakes.

She said, "Whoever will buy my cake will suffer sickness. He will be struck by unemployment. The children eating my cakes will become rebellious toward their parents."

The demon said to the young lady, ‘Since you are buying this cake every day in the morning, you brought sickness, unemployment, and rebellion in your home. You have served us well. You are a good servant, and you deserve the reward.’

The young lady began to cry and venting her innocence.

When I looked at Jesus, I saw that He was mourning and in tears for the soul of the young lady.

Jesus said, “Aston, you're going to tell My children the food that they are eating on the earth are destroying them. These foods are not good. The enemy is using these foods against you.”

The Lord said, “The woman behind the lady was a witch. She was cooking cakes and was cursing whoever came to buy. She said adults will have conflict, misunderstanding and disharmony in their homes. Children will be rebellious, hard-headed and undisciplined.”

Since this lady was buying these cakes every morning her home was affected. Her children became rebellious. And her husband lost his job and there was no peace at home. This food constituted a subconscious covenant between the enemy and people who came to buy the witch's cakes.

Brother, God’s children are not led by the Spirit of God and they don't pray when they eat. The Bible says, Rejoice at all times. Pray without ceasing. Give thanks in every circumstance, for this is God's will for you in Christ Jesus. Amen.

CHAPTER 14

47,000 CITIES OF PARADISE: NOTHING DEFILED SHALL ENTER IN

This is Prophet Aston Adam Mbaya’s testimony.

Welcome, Beloved. The time has come to prepare the Church for the coming of Christ. For the Church that will be raptured is the Church that is being prepared. We must talk to God's people about the return of the Lord. The word Paradise is mentioned three times in the Scripture, yet this word unveils the mystery of

existence. I am here to testify about the 47,000 cities of Heaven, reserved for those who have fought and conquered.

The whole thing started when I was reading the Bible. It was during this meditation that I saw a great light flashing lightning. And in the middle of this streaming light, I heard a great voice that spoke to me and said, "Aston, you will be a witness of new realities that you will unveil to My people. You will tell them that they who are faithful have an eternal inheritance kept for them in the realms of everlasting light."

Brother, at this stage, I was already in the habit of hearing the voice of God. However, I was still overwhelmed to see the Lord again. His garments shone like the light and His face with a brilliance of the sun. He was glorious and all-powerful.

The Lord said, "Aston, once more, I have come to take you today. This time around to the Paradise of God, you will visit this blessed and glorious land where mountains sing for the blessed souls of God, where lighting and pure crystal and water and all things glorify the Lord. It is a happy land of light and joy, where there is no cry, no worry, no pain and no toil of the terrestrial life. Paradise is a land where redeemed souls are rejoicing over the salvation and redemption granted to them by God. For it is only the souls that I have redeemed that can enter Paradise the Heavenly Kingdom."

The Lord said, "Aston, today I will travel with you for 40 days in Heaven in order to visit the 47,000 cities of the heavenly regions."

Upon hearing these words of the Lord, I saw my soul rising in Heaven. And while I was rising in space, I saw countless of deceased souls over the world. They were rising in space towards bright regions. They were rising at the speed of lightning.

I said to the Lord, "Who are these people and where are they going?"

The Lord said, "My son, these are redeemed souls that I have bought with My blood for God. They did not accept the things of this world. They did not love this life. They refused to follow the devil and his lust. They followed the way of God. They accepted shame, ignominy. They have accepted criticism and mockery, and they served Me faithfully till death for I have a people that I have chosen, a people that I have destined because I know those who belong to Me."

"Aston, the people you see rising towards the portals of the heavenly domain have received My word. They kept My word and they persevered. They did not love their lives and they paid the price in order to inherit the everlasting kingdom of light. They live far from lies and sin."

I said, "Lord, I can see that these redeemed souls are holding palm leaves."

The Lord said, "The palm leaves that the saints are holding is a sign and testimony that showed that they served Me faithfully. It is the symbol that shows that they have fought hard to follow My ways, they fought to do My bidding, and My will till death."

Brother, I saw the dead in Christ rising and climbing the pillars of Heaven toward the heavenly domain. And these redeemed souls were full of raptures of eternal joy. They were ecstatic and overflowing with joy. I saw that they were dressed in garments of brightening white that shone with the light of Heaven and they were singing songs of praise to the Lord as they were rising to the celestial world. It was wonderful to see these faithful believers rising to the heavenly and I was lost in wonder and admiration.

As I beheld this ascension of the souls singing songs of the redeemed, the Lord Jesus asked me to look down to the Earth that was far below. For we were standing in space.

When I looked down at the Earth, I saw three categories of people in the world population. Actually, I was observing the men in three dimensions. I saw the three parts of men on the Earth. I mean, I saw their bodies, their souls and their spirits.

Basically, the first group of people that I saw had lamps that were burning and shining in their souls.

The second group had their lamps extinguished.

The third group had no lamp at all.

I said, "Lord, I can see that there are three categories of people on the Earth."

The Lord said, "Aston, the souls that have lamps shining in their lives are people who have accepted Me in their lives, and they walk faithfully in My principles."

I said, “Lord, but they seem to walk slowly.”

The Lord said, “This means that they have accepted the suffering inflicted upon them. They were mocked, ridiculed, criticized and rejected by men, but they have accepted their suffering in order to follow My voice. They have turned their backs on prosperity, blessing and the goods of this world. All that count for them in this life is to keep My word.”

I said, “Lord, what about those who have their lamps extinguished?”

The Lord said, “These are people who accepted Me in their lives. But when glory, leisure, entertainment and the good of this world came, they slackened. They have abandoned the way of God because of well being and the pleasure of this world.”

The Lord said, “Those who do not have lamps in their souls are people who never accepted Me in their lives.”

Jesus said, “When I come back to take My Church, I will rapture only those who have their lamps shining and burning. You are the light of the world. A city on the hill cannot be hidden. Neither do people light a lamp and put it under a basket. Instead, they set it on a lampstand and it gives light to everyone in the house. In the same way, let your light shine before others that they may see your good deeds and glorify your Father in Heaven.” (Matthew 5:14-16)

Brother, when I observed the churches of the world from space I was stunned for I saw that they were full of people whose lamps were put out and those who did not have lamps in their souls, yet people whose lamps were shining were outside the Church. I saw churches singing songs to the Lord, but they were in total darkness. I saw the souls that had burning lamps away from churches, yet those who were in these churches had their lamps put out.

As I continued to watch these churches, I saw a Dark Angel suspended above a Church that was blocking the prayers of God’s children from reaching Heaven.

The Lord said, “These people are coming to Church, but their lives are influenced by satanic power, but My chosen ones are far away from luxury, wealth and the things of this present world. They don't seek glory and wealth.”

I was observing the churches of the world, and I saw countless souls in white garments that were dirty and torn. They were crying and saying, “Lord,

remember us, we also want to rise to Your kingdom. Remember what we did for Your kingdom.”

The Lord said, “My son, the people that you see are churchgoers. They enjoyed hearing material and false doctrines that please their ears. As a result, they failed to sanctify themselves. They corrupted themselves through a sinful life. They were fine to live in sin, lies, fornication. Though they were coming to Church, they failed to solve the issue of sin. That is why they cannot come up to My kingdom. I am sad for these souls that are dying in sin. They are asking Me for mercy, yet I do not remember and answer sinful people after death.”

Brothers, I observed these lost souls as they died in sin. They could not rise like the redeemed who had purified their garments. These carnal Christians were asking for mercy and grace which were far from them for their souls were dead. I saw these souls in shame as they were in confusion and trouble. They were wandering the Earth and running all over the place. Meanwhile, those who were faithful were rising to the air heading to the pearly gates of the eternal kingdom. Those souls in torn garments were wandering the mountains and the land. They could not rise for they failed to sort out sins in their lives. Despite their efforts, their services, and their sacrifices, they failed to rise to Heaven because of sin.

Beloved, life on the Earth is limited. However, eternity is waiting for us in the afterlife. Therefore, we must prepare our journey to eternity. These deceased souls were left on the Earth and could not fly because their lamps were extinguished and the road to Heaven was shut forever for them.

As we were in space when I looked up above us, I saw countless of saints that had been redeemed. They were from all sections of the Earth. They were washed from their sins. These mighty hosts of redeemed spirits were made perfect. They were illuminated like daylight. They that are wise shall shine like the brightness of the firmament, and they that turned many to righteousness as the stars forever and ever for that they were all singing to the glory of God, and they were rising towards the portals of the eternal kingdom of Heaven.

Initially I thought that I was witnessing the rapture of the Church.

I said, “Lord, is the world aware of the ascension and rapture of these people?”

The Lord said, “That is not the case. These redeemed souls have gone through death and they were buried in the land. Now they are glorified and they have come up for they have cleaned their garments and they kept their lamps burning forever.”

I was contemplating and admiring the dead in Christ for they shone with a brightness I cannot describe. They were holding palm leaves and they were singing for the glory of God. I could read the aspect of their faces that was reflecting divine peace and love. They were singing a song that is terrestrial but inspired by the Spirit of God which said, “Glory to the Lamb, for You are glorious and worthy to be praised. The Lamb is sovereign, for You are glorious and worthy to be praised. The Lamb is sovereign.”

I heard the sound of harps and trumpets of celestial angels that were resonating for the arrival of the redeemed.

I heard the angels of Heaven welcoming the redeemed and telling them, “We are in delight over our brothers who had to partake persecution, suffering and had remained faithful.”

There was a great festivity and celebration at the height of space. We were in this region of bright clouds, something like a glorious, glowing. I thought this region of bright light was our destination.

But the Lord said, “My son, this is not yet the Paradise of God.”

Quickly I saw appearing before the host of Heaven and the redeemed the staircase of light, which was golden. The stair was shining like crystal.

The Lord said, “This is the staircase of life.”

Then suddenly, I saw rain falling from Heaven over the redeemed. The saints were sprayed by the rain whose water was crystal clear, sparkling and transparent.

The Lord said, “The transparent and crystalline water of this rain is My word that is washing them. It is written that they are sanctified by My word for these multitudes of saints must stand before God. I must present them to God as a glorious Church without stain or wrinkle or any such blemish but holy and blameless.” (Ephesians 5:27)

As the Lord was talking, I was in wonder and overwhelmed to observe the overcomers who were full of celestial emotions and everlasting joys and pleasures. I have never seen this atmosphere on the Earth for our light affliction, which is but for a moment working for us a far more exceeding and eternal weight of glory. (2 Corinthians 4:17)

These hosts of saints have won the race and they have conquered. I saw how they were hugging one another in a sense of great victory over the world, the flesh, and the devil. They were filled with great rejoicing in their souls. It seems that the same disposition is extended into the heavenly kingdom and the overcomers were filled with great rejoicing in their souls. It was such a solemn moment of triumph. I did not feel like coming back to this world again. I have never seen this kind of place on the land. Then I saw these dead in Christ rising in this staircase of life.

When we reached the top of the staircase, we entered a tunnel of intense and great light which led us away from creation to eternity. When we reached the border of the eternal world, Brother, I saw a huge and green landscape and I saw a massive and giant city that I cannot describe. The city was indescribable. I saw that the Eternal City was encircled by a wall that went beyond sight. There were celestial melody and songs everywhere. The city was built in diamond, gold and all kinds of precious stones.

I said, "Lord, what is this place?"

The Lord said, "My son, what you are beholding from far is the Paradise of God. There are 47,000 cities in the heavenly world, and you will spend 40 days in the City of Light in order to visit the 47,000 everlasting cities in the Kingdom of Paradise. My son, I have done everything for humanity. This is what I have prepared for humanity. Each of these cities has the size of a terrestrial country of the Earth."

I was so overwhelmed and didn't wonder to see this great city. The city was so immense that I could not see its beginning and its end. The city gates were purest gold and pearl. It was shining like crystal. The wall of this city was adorned with multiple precious stones and it was beaming multicolor light. The vast wall of the city caught the attention of the redeemed saints. It was all perfect, attractive and beautiful. I am unable to describe the city. It was majestic and splendid. I was beholding this huge celestial landscape and I was in wonder and admiration before this side of this vast land. I saw that there were 12 gates through which the saints were admitted to the heavenly world. These gates seem like that of a Catholic Cathedral.

At each of these 12 gates of the holy city, there were two angels who are working in the protocol and welcoming the newly arrived redeemed souls. I heard them saying, "Welcome to the Paradise of God."

However, in order to enter the gates of Heaven, there are conditions. I saw the door was opened only to those who are singing celestial melodies and those who are separated from the world by purifying themselves. The Bible says, “Enter His gates with thanksgiving and His courts with praise. Give thanks to Him and bless His name. For the Lord is good, and His loving devotion endures forever. His faithfulness continues to all generations.” (Psalm 100:4-5)

When we arrived before the city gate, the Lord got inside the city and the gate closed itself behind Him. The people entered the city gate in groups. The gate was built in multiple precious stones of all kinds. I saw that before the 12 gates of Heaven, there was a queue of redeemed souls and I was able to recognize pastors, Christian singers, even my relatives, and well-known people. I was the first in the queue before the city gate.

And when the Lord entered I went on to knock on the gate so that the Lord would open for me. I was calling the door to open the gate for me.

Quickly, the two angel keepers of the gate came and told me, “You're going to have to sing a celestial song in order to get the gate to open for you. Celestial songs are Christian songs that you sing on the Earth that are inspired by the Holy Spirit.”

It was then I began to sing a Christian song. Since the song that I was singing was not inspired, I saw that I was no longer in white garment for I was naked.

The angel told me, “You need to have a white garment in order to enter the city. You will need to sing a celestial song.”

When I was talking to the angels, I saw in a relative distance a group of angels singing an old Christian song that we sing on the Earth which said, “This is the end of my suffering. I will go there among the angels to see the Lord.”

It is when I began to repeat this song that the white garment came back on me and the gate of Heaven was opened for me. I came to understand that many songs we sing on the Earth are not inspired

When I joined the Lord in the Paradise, the Lord got me outside again so that I can see how the saints were entering the city gate. Before the 12 gates of Heaven, I saw that the saints were entering the kingdom with 10 popular Gospel songs that we sing on the Earth. These are old songs that are well known. And four of these songs were from Brother Alain Moloto. The old Protestant songs

are inspired, including old songs from revival churches. Modern songs are mostly not inspired.

Before the city gates in the queue of the redeemed, I saw a popular Congolese Gospel singer. She was singing her own song in order to enter the city gate. However, the angel keepers of the gate told her, “You cannot enter the glory because of makeup products that you were using on the Earth.” The Gospel singer Sister Mary could not enter the place of rest because of wigs, jewelry, and makeup products.

Likewise the women are to dress in suitable apparel, with modesty and self-control. Their adornment must not be with braided hair and gold or pearls or expensive clothing. (1 Timothy 2:9)

When the singer Sister Mary began to cry, the angel informed her that because of outward adornment she could not enter. The singer was in tears and complaining.

She said, “I sang a lot of songs for the Lord which are edifying many people. I have even saved souls thanks to my music. How can I be disqualified?”

Brother, you can arrive before the gates of Heaven. However, this is the place of God's election. Only those who have purified themselves can enter the holy city.

The lady was crying and regretting it. Then I heard the voice of the Lord roaring within the city.

The Lord said, “I have never known you, servant of iniquity. Depart immediately.”

She was cast to the outer darkness.

I then saw a Christian lady who was next in the queue. She was also barred from Heaven because of the pants that she was wearing on the Earth. I saw a Bible verse scrolling on the Jasper wall, where it is said a woman should not wear men's clothes.

A woman shall not wear anything that pertains to a man, nor shall a man put on a woman's garment, for all who do so are an abomination to the LORD your God. (Deuteronomy 22:5)

Sister, if you wear pants, you are not entering Heaven, even if it is lady pants.

Then I saw another Congolese singer. It was Brother Alain Moloto. I saw that he was dressed in white and his white garment was tainted with red

I asked the Lord, “Why is his garment tainted in red?”

The Lord said, “It is because he has sacrificed himself for the testimony of the Gospel. He is a martyr.”

While the singer Alain stood before the city gate, I heard a voice that was roaring like waves of great water. This was the voice of the Lord.

In fact, the Lord asked singer Brother Alain seven questions which are the seven conditions in order to enter the glory of God.

The Lord asked him the first question, “Were you reading My word regularly?”

The singer replied, “Lord, you know it.”

The Lord asked him the second question, “Were you praying regularly?”

He replied, “Lord, you know.”

The Lord asked him the third question, “Were you evangelizing the lost?”

The singer replied, “Lord, I did my duty.”

The Lord asked him the fourth question, “Were you faithful when giving your tithe?”

The singer replied, “Lord, you know it.”

The Lord asked him the sixth question, “Have you preached the Gospel and truth?”

The singer replied, “I did my duty.”

The Lord asked him the seventh question, “Have you been a faithful Christian to the end?”

He replied, “Lord, I stumbled, but I was supported by the Holy Spirit.”

The Lord asked him, “Have you supported the poor, the orphans, the widows.”

The singer replied, “Lord, you know my deeds.”

The Lord said, “Faithful servant, you are now admitted in My kingdom.”

Immediately I saw seven bright angels coming out of the city, in order to welcome the singer who was in tears, for he had defeated the world system.

At that moment, the Lord Jesus told me, “This is a true redeemed of salvation. This man fought all his life in order to inherit the kingdom of Heaven. Tell My people, the one who will overcome and conquer in this battle against the system of the world he will inherit this kingdom.”

Brother Alain Moloto was emotional for he had overcome the world system of the enemy.

The Lord said, “My son, you must overcome the world in order to inherit the kingdom of Heaven.”

Brother when I returned to Earth, I decided to work in order to defeat this system of the world. In fact, from the days of John the Baptist until now the kingdom of Heaven suffers violence and the violent take it by force. (Matthew 11:12)

The Lord said, “Aston, even if you have seen Heaven and Hell, if you fail to walk accordingly, you will not return here for those who are stained and defiled will not enter the Paradise of God.”

There shall not be anything defiled there, or one who makes defilement or lies, but only those who are written in The Book of the Lamb. (Revelation 21:27)

CHAPTER 15

THE CHAMBER OF FALSE RELIGIONS AND VANDALISM

CHAMBER OF FALSE RELIGIONS

We were in this section of false religions where the suffering was intense. The fire in this section of Hell, I have never seen it on the earth. There were burning flames that were consuming everything on the way. There was lava of fire everywhere, The damned souls were all in torment and they were all seeking help.

These souls were in false religions for they refused to accept Jesus in their lives. Hell is a prison where souls are condemned forever.

On that day after visiting the chambers of false religions, I was down and hopeless in my heart because of the suffering of these lost souls. I could not accept that humanity could be subjected to this degree of suffering and atrocity. They were all crying, it was cruel. These souls were skeleton and they cried for having rejected the Lord. There was no peace, no rest, no beauty in this place. Only gnashing of teeth and cries.

On one hand, people were tormented by demons. On the other hand, people were tormented by fires of Hell that were enormous. There was unbearable pain. Men cannot bear this suffering. What I am trying to tell you, brother, are not empty words but reality.

All these souls in this section believed in false religions and they rejected Jesus. When they fell into this place, they came to the realization that they were wrong, but it was too late. They were crying in an unbearable torment. As we were leaving this chamber of Hell I heard these souls regretting.

One of them was saying, “Why have I not seized the opportunity to believe in Jesus Christ when I was on the earth? Why did I not believe in the Bible as the only Word of God?”

But it was too late for these souls.

I saw leaders of false religions saying to the Lord, “Now we believe in You, Lord, for You alone are God. Come to help us out of this place.”

Jesus said to them, “You are God on the earth and people look at you as God. Now you can save yourself.”

These leaders said, “There is only one God, the Creator of the universe. It's You. We accept You today, please save us, save us from this place.”

Jesus kept saying, “Too late, too late, too late.”

I said, "Lord, have mercy on these souls."

The Lord said, "I have mercy for these souls but men in their folly do not want to walk in My way. When men are on the earth, they treat Me as if I represent nothing, as if I was of no value. You must understand that after death, men will recognize that I did not shed My blood in vain for humanity."

The Lord said these words as we were inside the flame, leaving this chamber of Hell.

GRANDFATHER IN HELL

When we left this chamber, we were in this dark tunnel. I saw demons entering with captives souls that were enchained. These souls were led to their respective chambers of torment. They were passing with demons. These souls were crying.

It was in this tunnel that I saw my grandfather among these captive souls. I was shocked to see my grandfather that fathered my mother in this horrendous place of torment. He was among these captives. When he saw me he called me by my name.

He said, "Aston, what are you doing here? You should not be here. Go back."

It was the first time that someone recognized me in Hell. I was troubled.

I said, "Lord, this is my grandfather."

I saw that he was pushed and dragged by demons. It was unbearable. I wanted to follow him in order to try to help but the light of the Lord stopped me from moving.

The Lord said, "Stay with Me for you are under My protection. It is too late for your grandfather. He chose to live his way. His deeds will follow him."

I said, "Lord, why have you shown me a member of my family?"

The Lord replied, "I did it so that you may know that the judgment after death is severe for everybody."

I said, "Lord, it is here that these visits must end. I don't want to see these things anymore."

The Lord said, "You will continue your mission."

I was in tears seeing how demons were pushing my grandfather. When I began to testify, I kept this detail a secret. But over time, I came to understand the true family is God's children who keep the Word of the Lord. I was moving with the Lord behind these captives that were dragged by the demons in this alley.

CHAMBER OF VANDALS

Later we got before a chamber of Hell where it was written, "The Prison Of Those Who Destroy Public Property."

There was a thick darkness in this burning tunnel. There were impure and demonic beasts that were moving in this tunnel. There were also serpents and demons moving in this tunnel. I noticed that demons don't rest; they are always busy and active. There was no rest for these unclean spirits serving the devil and they were furious, desperate to hurt.

I noticed that the gate of this prison was circular. The gate of the prison was reddish and rusted, and it was burning with intense fire. On top of the gate, it was written, "The Condemnation Of Those Who Had Destroyed Public Property."

I said, "What is the meaning of this?"

The Lord replied, "The judgment of God concerned man's relationship with his Creator and also man's relationship with his neighbor. According to the established principle, man is supposed to protect his neighbor's goods and public property."

When the gate of this prison was opened, the flames sprang from this place with intensity and violence. This was unbearable. Not even a furnace heated seven times will be equal to this kind of fire. Even volcanoes and their strength will not match that fire. These flames came out of this chamber with intensity and they covered us as we entered inside the flames in that chambers. There were countless souls screaming because of pain and they were begging the Lord.

What caught my attention in this prison was a group of people that had tires on their bodies and these tires were burning them. They were inside these tires, and they were trying to remove these tires, but they were unable to do so. And these tires continue to burn them. I saw that these tires were saying, "Justice, justice."

I said, “Lord, what have these people done to suffer like this?”

The Lord said, “These young men were burning tires on the boulevard built by the government on the road leading to a government ministry. As a result, the boulevard was destroyed when the rainy season began. The road was made fragile by the tires they were burning and it could not bear the rain. And until today, the boulevard is parted in two and it cannot be used. These young people were among the group of mobs creating insecurity in the city. As a result, the government of Congo issued a decree to round up them up and kill them in secret. As a result, they fell in this place.”

When the Lord spoke like this, I did not believe.

I said, “Lord, when a property of the state is destroyed, people should not come to this place because of that.”

The Lord said, “The world must be informed about this truth.”

When these young people saw Jesus they cried to Him for deliverance.

The Lord said, “Those who destroy public property will not inherit the kingdom of heaven.”

Beside these young boys, there was a man who said to the Lord, “Have mercy on my soul. I recognize that what I did was wrong. Give me another opportunity. Allow me to go back to Earth to tell the world to change their ways.”

The Lord said, “My son, you had the opportunity to repent on the earth.”

This man said, “Lord, the Bible never mentioned these things and I never heard a pastor talking about it.”

The Lord said, “Everything is written in My Word.”

The Lord said, “This man was renting in a compound where they had a public toilet, but every time he goes to the toilet, he would refuse to flush water, and people were complaining. And whenever he was suspected to be the person who has been doing it, he was denying categorically. People were bothered and they were complaining and wondering who is doing this. Those who suspected him was telling him, “At your age you should be flushing water after using the

toilet,” and he was laughing at people. Often he was insulting people for reproaching him yet deep in his heart, he knew he was guilty. When he died, he found himself inside this place and his lower part was inside hot excrement that was burning him.”

There was a horrible smell here. Worms were biting him.

When we moved away from him, I saw a man inside a pit. I saw there were grade marks written all over his pit. It was written, “Free marks.” The man was trying to come out of his pit but he was unable. His lower part was inside the pit, but his upper part was out. I saw that there were report cards that were demanding justice. The man was asking the mercy of the Lord.

He said, “Lord have mercy on me. I was only trying to do good to people and those who have failed in their exams. I gave free marks to help them pass. Your Word said we should do good to people.”

The Lord said, “Parents have paid school fees for the education of their children, but you have failed to teach them correctly. As a result, they cannot pass the exams by themselves. They are failing in exams but you are giving them free marks that they don't deserve. As a consequence, you have young people with good marks but empty heads. Your judgment has been decreed. It is too late for you.”

The man said, “Lord, Your Word says we should do good.”

The Lord said, “Education is sacred and intelligence is precious.”

This man kept saying, “I helped these children.”

The Lord said, “Your duty was to instruct people not to give them free marks. You have destroyed children’s education. They moved from one class to another but they did not deserve it.”

In his pit, there were reports, bulletins, and notebooks that were demanding justice.

CHAPTER 16
THE 47,000 CITIES OF PARADISE:
THE CITY OF MERCY

I was reading the Bible when suddenly the Lord light shone in my room and I was transported to the heights of the sky, where I saw that I was rising with the deads in Christ, that came from the four corners of the world. After rising higher in the sky, finally, we reached a place in the sky that was the border between creation and eternity.

When I looked back, I saw behind us the stars of our solar system. We were in the empty space that was the border between creation behind us and eternity before us. In this empty space, I saw before us it was written, "Home Service." When the dead in Christ head to the Paradise of God, they arrive first in the reception service of the heavenly domain.

When we arrived at the reception of heaven, I saw countless bright angels playing music and brass band. The music was intense. When the saints reach this borderland of the kingdom of God, they were bewildered and lost in wonder and admiration. They could not believe that they had made it. They felt unworthy to inherit this eternal realm of glory and transparent light. They were praising and glorifying the Lord for they still felt that they were sinners not worthy nor fit for this glory. The saints were filled with the spirit of praise, the Paradise itself seems too good for them. The grandeur and beauty of everything exceeded their highest expectations. Souls were overcome with the raptures of joy.

The borderland of the eternal kingdom was a meeting place between family members, friends, and Church members. It is one of the many stations located in distant portions of Paradise. This was the introduction to this heavenly home. It is a place where the redeemed are being prepared for the glory of the city.

I was beholding the new order of existence, and I saw a lady resident of paradise receiving a newly arrived brother and she said, "Welcome Junior, is that really you?" and Junior replied to her, "My sister Sofia, really! Are you a citizen and resident of heaven?"

Then they fell in each other's arms. The newly arrived saints were received by friends, family members and acquaintances, who preceded them in this heavenly world of transparent light. There was nothing that can be compared to this reunion in the heavenly domain.

I was surprised to see men and women falling into each other arms and holding one another strongly. They were overwhelmed in joy praising God and giving thanks for granting them to enter this transparent kingdom of light.

I said, "Lord, why are men and women holding one another strongly? They are not married. This is immoral."

The Lord said to me, "Aston, in this kingdom My people are dressed with a glorified body, that is deprived of sexual feeling and inclination. They are like angels for they are no longer man and woman. They have no sex in this world of light."

I saw men welcoming their wives and wives welcoming their husbands. I saw that they were no longer husbands and wives, for wives called their husbands, "Brother," and husbands called their wives, "Sister," for they were no longer married. They were no longer husbands and wives although the bond was there.

I saw a woman receiving her newly arrived husband in this place of everlasting joys and pleasures. She said to her terrestrial husband, "Brother, how are the children? Are they fine? They must follow the way of the Lord."

I was stunned to see this woman calling her husband, "Brother" and the husband calling his wife, "Sister."

In this new reality of light, there was the fullness of joy, astonishment, and wonder for those who have fought the good fight of faith and overcame. I was encouraged and emboldened to see that after persevering these people made it to the everlasting domain of eternal joy.

I said to myself, "Even if the road to heaven is tough I will persevere to the end. I will keep washing my robes and making it white."

There was music in the reception of heaven, for I heard these happy spirits singing this song, for He is glorious and worthy to be praised, the Lamb is sovereign, for He is glorious and worthy to be praised, the Lamb is sovereign."

I stood with the Lord as we were joined by a bright angel and I said, "This is a song we sing in the land."

This angel knew my thought and answered me, "Brother, don't be surprised for this song of worship came from the Lord and are sent to earth to bless God's people. We also sing this song here."

I heard so many terrestrial songs that originated from heaven. I was told these were the songs of the Lamb. I was in a rapture of joy in this place of reunion.

I said, “Lord, you don’t have songs in heaven, that’s why You are singing our songs?”

The Lord laughed and said, “Have peace, My son. The world is full of impurity, therefore God has sent His word to heal and save many in the land.”

I was lost in this place of joy and intense music. It was a joy that no bar and nightclub can offer, nothing in this passing world can equal the overflowing joy that was abounding in the souls of these happy saints among celestial angels in this heavenly domain. It is written in 2 Corinthians 4:17-18 For our light affliction, which is but for a moment, works for us a far more exceeding and eternal weight of glory; 18 While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal.

The newly arrived saints of the earth were welcomed and received by angels of light and they were instructed about the weight of glory set before them further in the city. I saw radiant angels welcoming the redeemed souls with golden fruits of light.

I asked the Lord, “What are these fruits given to these people?”

The Lord said, “These fruits of light given to the overcomers are for the consolation of their souls. These redeemed souls need consolation for their hearts are full of injuries, pain and hurt they have encountered in the world. They come from a world of pain and tears. They need consolation.”

I was watching these happy spirits.

When I saw a newly arrived soul eating a mango, I said, “Lord, you have mangoes in heaven?”

The Lord said, “All the good things that God made on the earth are also here. Furthermore, in the Paradise of God, you will taste and eat delicious recipes of Paradise cooked by the angels. Moreover, the redeemed saints coming from the four corners of the world will find their local and national recipes within the city gate. They will eat the food they left in their village, city, and country. The Africans will find their food, the Chinese and European as well. Eye has not seen, nor ear heard, nor has entered into the heart of man, the things which God has prepared for those who love Him.”

The Lord said, "People will find some aspect of their culture in the Paradise such as their local food."

We were in the reception of heaven where there were great reunions of friends and family members and the place was filled with great music of heaven. There were countless redeemed souls arriving from all over the world. They were dressed with garment of the purest white. I saw radiant angels serving them with natural juice made of all sort of fruit. I never saw that kind of juice bottle.

I said, "Lord what is this juice? I would like to be served by the angel."

The Lord said, "Your situation is different. You are a visitor but these redeemed souls are overcomers. They fought and they won the race. They paid the price and they died in Me, and they deserved this juice of consolation. My people must be consoled, for they come from the suffering of the world and the great battle against the devil. Now they will rejoice."

Suddenly I heard the blast of the sound of the trumpet resonating. The angel of the Lord was sounding the trumpet in order to gather the newly arrived redeemed souls for the journey towards the eternal gateway of Paradise. I saw the innumerable saints forming a line.

Then a staircase of light came down from the sky. It was shining, golden and beaming light. I watched the redeemed saints climbing the staircase of light. The transparent light in this place is nowhere to be seen in the land. These redeemed saints were shining like the stars of heaven.

The Lord said, "The light of these redeemed souls is their good deeds following them. Tell My children to never tire of doing good. Tell them to help the poor, the orphans and the widows. Tell them to help their families before helping My Church. They must evangelize for their deeds will follow them. Those who evangelize will shine more and those who use their own money to help the poor, the orphans and the widows will shine like the firmament. You got to be the light of the world."

Finally I saw the new saints of heaven climbing the staircase of light. When we reached the top end of the staircase of light, I saw a vast land, as far as the eye can see.

In a relative distance we saw a shining city beaming great light. We stood observing in a distance of 10 kilometers beholding this golden city. There was great music emanating from the city. Then I saw a flying board moving in

space, upon which it was written, “The Lamb of God, the marvelous City of Light.”

We stood with the redeemed saints on the sand, that was actually multiple precious stones mixed together, producing vivid multicolor light of gold, emeralds, chrysolite, diamond, and gold.

Brother, we stood observing the glory of the eternal city. There were 12 great avenues leading to the 12 gates of the city. These great avenues were like roads in the land with band and border. However these avenues were not made of stones but eternal precious stones.

I saw that the 12 avenues leading to heaven were separated by evergreen garden with flowers of unfading glory, and with an endless variety of colours, many of which I never saw anything before to which I could compare them.

Inside these gardens I saw radiant angels dressed in white. These angels held incense which they were shaking, and smoke was released by these incense. There were heavenly perfume aroma released by the smoke of incense which were the aroma of this land of wonder. I was observing the glory that the Lord has prepared for His people.

Then emerged before us in a relative distance the chariot of heaven under the conduct of the angels, approaching the newly arrived redeemed souls, in order to transport them to the portals of Paradise. I saw this great retinue of angels with flaming chariots of light that were pulled by white horses. There were heavenly chariots pulled by 2 horses, 4 horses and 6 horses. Angelic riders conducted these chariots that seem to be made of light. When the celestial vehicle reached the innumerable saints, I saw at the 12 avenues the rider of the celestial carriage embarking one saint at a time.

Brother, we have to fight, for I saw the radiant angels marveling the redeemed saints who have overcome the world and inherited immortality. They were emotional to see men and women that have newly arrived to the eternal world. The angels of the Lord had high respect and deep appreciation for the newly arrived saints who had escaped corruption. These saints were admired by celestial angels because of the nature of the battle they faced on the earth.

The angels look at the saints with exceeding joy for they came out victorious in the great battle against sin. It was something, to be able to battle the system of the world, and to come out victorious and overcomer, for the newly arrived saints have managed to defeat a world of corruption, impurity and spiritual war

orchestrated by fallen angels and demons. They fought the good fight of faith and they won. Thus the overcomers were highly regarded and highly rated by angels.

I watched the angels embarking the saints in the flaming chariot, and these radiant angels felt inferior before the redeemed saints for they were delighted to see those who have battled the devil and overcame his angels. Man is highly exalted in the heavenly world after winning the war against sin, corruption and the devil.

When angels arrived before these newly arrived saints they look at themselves as inferior for men were superior before them. Then I saw the rider of the heavenly vehicles calling the newly arrived saints, one by one, to embark the chariot of light.

When it was my turn I was called and I took a seat with the Lord inside the heavenly car. Quickly I saw that the rider of this celestial vehicle was unable to drive.

The Lord said, “He is unable to bear My glory that is why he cannot drive. I am leaving you with him and I will meet you within the city gate.”

When the Lord left the chariot, I was joined by another bright angel, and quickly the heavenly rider entered one of the great avenues leading to one of the 12 gateways of Paradise. I saw that the wheel of this chariot of heaven was golden and emitting sparks of lightning.

As the rider drove in this avenue leading to the holy city, I saw bright angels shaking incense inside evergreen garden with groves of beautiful trees and blooming flowers of endless variety.

I asked my companion angel, “Who are these angels inside these gardens full of clusters of heavenly flowers beautiful beyond description?”

I cannot describe the shining light of this pleasure ground of glory and these magnificent flowering shrubs. The temperature in this land was of satisfying coolness.

The angel told me, “These incense and the smoke that you see are the prayers of the saints rising from the earth. These angels holding incense are priests. They offer the prayers of God’s people, that are the smoke coming out of these

incense, as aroma of perfume that filled these evergreen garden of heaven, in which were altars with burning fire.

I asked my companion angel, “What are these altars besides the angels in these garden?”

The angel said, “These are the altars of prayers and fulfillment. When the saints of the earth pray, their prayers come to the altar of prayer and fulfillment. Tell them to continue to pray for the Lord is the answer.”

I saw an altar of fulfillment burning with great fire.

The angel said, “These are prayer altars of men and women who spend time in fasting and prayer. They are dedicated in prayer and sacrifice and there is a great fire in their altars of prayers, and the fulfillment of their prayer comes down in the form of smoke. Tell God’s children to be dedicated to fasting and prayer. Even if the world rises against them they shall receive great authority in the spirit world and against the enemy.”

As we passed these gardens, I saw an angel shaking the incense but there was no more smoke coming out of it.

My companion angel said, “Tell your brothers and sisters, tell your friends and families to keep praying. However, the believer that owns this altar of prayer has given up praying, for he lost patience. Tell God’s people to always pray.”

When we reached the end of this avenue of Paradise, we arrived before the shining glory of the Jasper wall. The city wall is made of jasper and the city is pure gold, like transparent glass. The city had a great and high wall with twelve gates inscribed with the names of the twelve tribes of Israel, and twelve angels at the gates.

Before the majestic wall that encircles the city I saw myriad and myriad angels. There were countless orchestra of heaven playing music in this place. We entered into His gates with thanksgiving, and into His courts with praise. We entered the portal of Paradise singing a song of worship. We were in wonder and great amazement.

I was then introduced to the 47,000 cities of the celestial world. Each of the city of Paradise was encircled by a wall and guarded by angels, and they had specific names.

Firstly I visited the City of the Abandoned, then I was taken to the City of Mercy. When we got inside the gate of the City of Mercy, I saw countless angels playing heavenly melody before the wall of the city. I noticed that they were singing sad songs. The celestial song was all about the apostate believers, that have abandoned the Lord for the pleasure of this world. The angel sang for apostate believers that should come back to the Lord. Though these were sad songs, the angels were not sad but joyful for there is no such thing as sadness in heaven. They were singing to the Lord to recover the apostates who are their brothers, friends, and families, that have abandoned the way of the Lord

Brother, when the gate of the City of Mercy was opened, I saw innumerable mansions of heaven as far as the eye can see. There were no residents in these mansions of light. I saw that they were God's angels inside these mansions of light. Then I saw that houses in the City of Mercy were not completed, there were houses in the foundation. There were houses midway and they were houses that were almost completed.

I saw that the bricks that are used for the construction of these mansions of light were golden and they have the names of the saints that owned these properties.

The first house that I saw on my left was a mansion. It was like a building or apartment of many levels. It was an apartment of approximately 25 levels. I saw clearly that the building was not completed. The names of the owners of the property were written on each brick of this mansion. The construction was supposed to go on, however it was stopped.

Then I saw the name of the owner on the building written on a board. I then saw the angels builders of this palace standing before this mansion of light.

When I looked, I saw that they were repeating the same things again and again. They were saying, "Lord, help our brother that has deviated to return to the way. Lord, help our brother that has deviated to return to the way."

I saw that the angels builders were also intercessors for they were all interceding for the deviants that had returned to the world. Then I notice that in front of this unfinished mansion there was an altar, and blood was flowing from the altar.

In fact, before these mansions of light in the City of Mercy there were angels builders interceding and they were altars of blood. I heard a voice emanating from the blood that was flowing from the altar. The voice in the blood was

interceding and pleading for the soul of the owner of this apartment of light that has deviated and returned to the world.

I could not understand what was happening here. I said, “Why has the Lord brought me here?”

I was with God's angel when suddenly we were joined by the Lord.

When the Lord came, He said, “Aston, this City of Mercy and these houses belong to Christians. They were My children, and they were walking in My word and principles and they served Me, but today they are apostates and they have returned to the world. Others have resorted to occultism.”

The Lord said, “The blood in the altar is the blood I shed on the cross and the voice speaking in the blood is My intercession. I am interceding and pleading and crying every day for these souls that deviated to return to the way. I am doing all that is possible to get these backslidden Christians to come back to Me. I am trying countless ways to get them to come back, even those who have entered magic and occultism.”

When I heard this I was not happy. I said, “Why is the Lord caring for those who have resorted to occultism to have churches and money? In the world, we criticize and condemn pastors that have resorted to occultism, yet the Lord still cares for them.”

I saw that Christians on the earth have different attitudes toward deviant men of God who have resorted to occultism for fame. I thought the Lord was angry against them yet the Lord was interceding and crying for them so that they would get back to Him, but my instinct was that these pastors working for the devil should pay for their action in hell.

The Lord who read my thought said, “In heaven, there is no grudge and rancor. However when My children in the land learned that one of them fell, deviated and resorted to occultism, this become a subject of gossip and the lost soul will be rejected because of his shortcoming and sins, but I cry and I do all that is possible so that these souls that have been building these houses to join their houses. These people have returned to the world and they have backslidden but My desire is that they return to the way.”

The Lord said, “In this kingdom, there is no hate. There is no wickedness and rancor. One does not fight his brother.”

Jesus said, “These brothers that you think they should go to hell stumbled and fell in the morning, you don’t know if you will fall in the evening. Many saints of the earth don’t know if they will fall tomorrow. You must follow My way today. I am interceding for My people and I am asking you to intercede for your brothers that have fallen in sin and occultism. You should pray that they return to the way. Tell the Church not to reject them but to always intercede. Behold, these are their mansions and buildings filling the City of Mercy.”

The Lord said, “This building here belong to My servant Maria from Spain. She deviated, but her mansion has reached this level. It is almost completed, for she was serving Me with all her heart. She was supporting the orphans, her family, and My work.”

The Lord said, “Tell the Church to support first the orphans, secondly the widows and thirdly their families and then My work.”

The Lord said, “Whenever you see a fellow believer living in sin, since you have noticed it you have to pray and intercede for him to come back in the way. This lady was faithfully serving Me, and she was doing a lot of good to her husband until the day she caught her husband in the act of adultery. She was hurt. She said in her heart, “I have been serving the Lord with all my heart, and I have been taking care of my husband, but this is how he pays me.” It was then she gave up and blamed God for what happened, and she returned to the world. I sent My servant to her but she hardened her heart, and she is now in prostitution. That is why these angels are standing here interceding and asking God to return their sister on the way. It is written in Ezekiel 33:11, I take no pleasure in the death of the wicked, but rather that the wicked should turn from their ways and live.

Brother we must intercede for the apostates for they have houses in heaven that are vacant and uncompleted.

CHAPTER 17

THE VOMIT OF THE DRAGON ON THE CHURCH

Rev 12:15 And the serpent cast out of his mouth water like a flood after the woman, so that he might cause her to be carried away by the river.

The Antichrist that is coming is the personification of the pleasure of the flesh and the pleasure of life.

1 John 4:3 And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come, and even now already is it in the world.

I had an experience when I was meditating on God's Word. It was during this meditation of God's Word that I heard the voice of the Lord speaking to me.

The Lord said, "My son, Aston today once again, I will lead you to a higher mountain. And when we rise to that mountain, I will show you the Antichrist that was prophesied in the Scriptures. You have learned that the Antichrist will come. He will oppose God and oppose the love of God."

Beloved, you have heard about the coming of the Antichrist. The Bible talks about the one that will rise and will oppose Christ in the last days. The world is awaiting the coming of the Antichrist that will oppose God and battle against the true and living Church of Christ. We are told that a man will rise and oppose the Lord and the world is waiting for this man. This is what we heard and learned from pastors.

But there was a special and particular insight from the Lord Jesus Himself. And without this vision, I would not be able to know and identify the Antichrist.

When the Lord appeared to me, He told me that the Antichrist will be the enemy of the Church.

The Lord said to me, "Aston, the Church has been through three ages during history. The First Age of the Church is the primitive age when the Church began in the book of Acts of the Apostles. The Second Age is the age of world expansion of the good news of the Gospel and the Church. In that age of propagation of the good news of the Gospel, powerful men and Godly servants showed up on the scene to spread the gospel to the world. But you must know that the present age of the Church, which is the Third Age of the Church, is the end of time where the Church which is My body and My bride will be saved through sanctity and sanctification of the Spirit. This is the last generation of the Church and salvation will be through purification and holiness."

"During these three ages of the Church, the devil fought the Church through corruption and destruction. His aim is to corrupt and pervert the Church. He is working to cause the Church and God's children to live in carnal corruption.

The Church must now prepare to meet the Lord, but the Church that will rise will be the Church of holiness and purity.”

As the Lord was talking, He took me to the height of this very high mountain, where I saw the whole world. I was watching the earth when I saw a beast in space. This beast had seven heads and in each of his head, there were seven horns.

This dragon had words written all over his body. I saw that this dragon was vomiting fire that was reaching the whole world.

When I looked, I saw that this beast had claws, and he was holding a book on his claws. This dragon was actually holding a red Bible.

Upon the cover of this Bible, it was written, “By Jesus.”

Brother, I saw that the Bible of this dragon was dripping with sap that was completely black.

Jesus said to me, “Behold, this dragon that you see is the Antichrist that was promised.”

I saw that this beast had many stars on his head, which contain the names of all the nations of the Earth and the body of the dragon was full of eyes. And in each of his eyes, there were names of all the population of the world of all nations, all races, and all languages. Young and old had their names in the eyes of the beast.

When this dragon was vomiting fire, I saw that the fire devoured everything. I saw that the world population was swept and submerged by the fire that was vomited by this dragon of space.

As the fire of the dragon swept across the nations of the earth, I saw that the people of the world that was submerged in the fire of the dragon seemed to be in leisure, pleasure and entertainment enjoying life.

I asked the Lord, “Why are the people of the Lord happy about the fire of the dragon consuming them?”

I asked the Lord about the dragon and his horns.

The Lord said, “Aston, the horns of the dragon that you see are the governments of the nations of the earth for they will bow to the devil and worship him. They will oppose the saints and sound doctrine. The crowns on his heads represent the authority he has over the population of the earth. He will come to combat the Church. The dragon will fight the Church through corruption, but the Church will be saved thanks to holiness and purity. The enemy of the end-time Church will be the pleasure of flesh.”

When the dragon was vomiting his fire on the world population, at that moment I saw that the people of the world were fully given to the pleasure of the world.

When I looked I saw that from the red Bible of the dragon, this black sap was dripping all over the world and the world population was tasting and drinking this sap that was dripping from this red Bible.

And they said, “Since the creation of the world, we have never tasted such a pleasurable thing.”

Quickly I saw the gates of many churches were opened. As a result, God’s children and men of God went out to drink the sap of the dragon that was raining all over the world. I saw ministers, pastors, evangelists, and people highly elevated in power. They were all running in the street in order to taste the sap of the dragon that was dripping from his Bible and raining all over the world. I saw that when people tasted the sap of the dragon they were like dizzy and delirious.

Beloved, I saw ministers and God’s children who had tasted and drank from the sap of the dragon returning to their respective churches. However, I saw the angels of the Lord leaving the many churches where they were assigned because of the ministers and God’s children that have drunk the sap of the dragon.

I saw Angelic armies that were in many churches, leaving these churches and going back to heaven because God’s people have preferred to drink from the dragon.

As a result, the powers of darkness have entered and conquered and besieged the many churches replacing the army of God.

In the aftermath of this event, I saw that these churches quickly adopted the doctrine of the dragon and the teachings of demons. These ministers that drank

the sap of the space dragon began to preach the gospel of prosperity, the gospel of elevation, the gospel of blessing and wealth.

I saw that these material and liberal teachings of the dragon had invaded the churches of the earth. As a consequence, heaven was shut and darkness had covered all the earth.

And all the churches that have adopted the teaching of the dragon and doctrine of demons were in complete darkness.

As the world was covered in darkness because of the doctrine of the dragon, I saw the world government officials endorsing and approving same-sex marriages because they have drunk the sap of the Antichrist.

Then I saw the Church of the Antichrist over the world and there were many. As I continued to watch, I saw the Roman Catholic Pope in a meeting with world leaders. They were preparing to impose on the countries of the world including the Islamic countries the doctrine of same-sex marriage.

I said, "Lord, so many of Your people have now received the mark of the Antichrist because of his doctrine."

The Lord said, "This is happening because the Church don't do My will anymore. My will is that My people may keep My word. Yet those who drank from the dragon including God's children and ministers were unable to keep God's Word. The dragon has managed to remove the biblical doctrine of purity and sanctity, replacing them with material and prosperity doctrine from his Bible. As a result, God's children were unable to keep the word of the Lord for they have drunk from the dragon."

Then I saw the dragon in space addressing the great ladies of the sea, asking them to rise from the marine world to the surface world and enter the bodies of women.

When I saw these sirens I saw that they were humans in their shape, but they were demons from water. They entered the bodies of the ladies on the earth. As a result, these women began to put on transparent clothes.

The Lord said, "These women who are inhabited by water spirits will be sirens on the earth. They are wearing miniskirts. They are exposing their breasts. They are doing makeup, they are putting wigs. As a result, sexual perversion got in the Church, even rape."

When the Lord showed this, He said, “All the churches have stained themselves. If I were to come today, there will not be even one that will be saved for the teaching of the dragon has taken over the churches of the earth.”

I asked the Lord, “Who is the Antichrist?”

He said to me, “The Antichrist that is coming is the personification of the pleasure of the flesh and the pleasure of life.”

I saw that there were little groups of people that were preserved from the teaching of the dragon. They were dressed in purest white garments. They were holding their Bibles, but I saw that these saints were persecuted and whipped by the Antichrist.

The Lord said, “Those who are persecuted and whipped by the Antichrist are My people and My chosen ones. These little groups of people are keeping the word of truth and they are living in sanctification and the fear of God. These are the people that I will rapture.”

I said, “Lord, why are Your people suffering and are being persecuted?”

The Lord said, “This Church that will rise in the Rapture will suffer, they will endure and will be persecuted. They must be tested in trials, but they should not deny My name. Whoever denying Me, I will deny Him. You're going to tell My Church that they will be whipped by the devil, they will be persecuted. They will be chastised by the enemy, but they must display perseverance and faithfulness. You're gonna tell the Church they are living in the Third Age, which is the age of the end of time, and Satan has risen to lead astray the Church. The Antichrist will enter the Church and oppose God.”

When God's children and the ministers have drank the sap from the Bible of the dragon, God's teachings were replaced by the doctrines of demons and teachings of the dragon. I saw that churches that have drank this out from the red Bible of the dragon, they had the Mark 666 on their foreheads.

And these churches were preaching prosperity, materialism, and liberalism.

I said, “Lord, why all this is happening in the Church?”

The Lord said, “This is happening because My Church has refused to follow the way and trajectory I have prepared for them. They have turned their backs on

the teaching of repentance, the teaching of piety and the teaching of sanctification. They chose sin. As a result, the devil has entered and conquered their churches.”

At that moment I saw the space and fire breathing dragon of the second heaven addressing the world population.

He said to the people of the world, “Now I have the solution to all your problems. I am holding the solution to all the problems of humanity. Therefore I am here to tell you to live life the way you want. You can marry and remarry and you will be fine. You can go for fornication and you will be blessed. You can break the engagement and you will prosper. You can live in lies and you will rise and you will be blessed for I have the solution to all your problems. I am holding the solution to all the problems of humanity therefore you can live the way you want.”

As the dragon was encouraging the world to live in sin, I saw in the Church, God’s children going for abortion, practicing sin and living in fornication and they were blessed. They were prospering and promoted in their work despite living in sin. The dragon was encouraging the whole world in sin.

I said, “Lord, Your people are living in immorality, as instructed by the dragon and they are blessed.”

The Lord said, “My son, I don't bless people who live in sin. Whenever My children are living in fornication and they are blessed, the blessing is not coming from Me. It is the Antichrist who is the dragon. This beast of space is blessing many people who live in sin to encourage a life of sin in order to prepare their souls for the lake of fire and brimstone. The objective of the dragon is to bless people in the Church and lead them to hell. Many are living in sin and blessed by the dragon and they are comfortable. They see no need for repentance. Because the space dragon the Antichrist is preparing their souls for perdition. These people would no longer be mindful of repentance and renunciation for they are blessed with material goods and they think it's God blessing them although they live in sin.”

I saw that God’s people were no longer in need of purity and sanctity, for they were blessed materially despite their sin and fornication.

In the meantime, the dragon continues to utter words before the world population, saying, “I have the solution to all the problems of the world. Come to me with all your problems, I have the solution.”

And he was giving solution and answer to the problems of men of God that were living in sin.

Brothers, I saw that all these churches were blessed materially, but the fear of the Lord and sanctification were not there anymore. The purpose of the Antichrist was to get God's children to be blessed with perishable things and material goods that are temporary so that they will lose their souls.

People were coming to Church to get married and get blessed but not for the kingdom of heaven. I saw that in many churches on the earth when people were praying their prayer was centered around the goods of this world and perishable things that are passing. They only pray for that which is passing and the Lord was not hearing their prayer.

In the meantime, the dragon the Antichrist kept uttering blasphemous words claiming he has the solutions to the problems of the world.

The dragon was shouting in the sky saying, "You can continue to sin. You can continue to fornicate. I have the solution to your problem. I will bless you."

Brother, if you do not hear the teaching of sanctification, renunciation and holiness in your church, you must leave that church. This is not the Church of God. The Antichrist is already ruling many churches blessing them with money.

The Lord Jesus did not preach prosperity and elevation. He preached love, repentance, forgiveness, brotherhood, whereas material and prosperity preaching comes from the dragon. It is a doctrine of the Antichrist. They are preparing God's children for the lake of fire. These doctrines of materialism come from the dragon the Antichrist.

That is why the people that are living in repentance, renunciation and sanctification are the people that are suffering. But those who live in sin are prospering and they are blessed by the dragon for they have drunk the sap of the dragon preparing them for the lake of fire.

Let God's grace not lie to you. When you live in sin and claim you are under grace, you are deceiving yourself, for you will perish. Men of God from the Antichrist are in fornication and perverse behavior for they are blessed. But they separated many families because of fornication.

I saw children rebelling themselves against their parents and the dragon was encouraging them saying, “You will now be cursed. Oppose your pastors and you will not be cursed.”

I saw people criticizing their pastors because of the dragon.

Then the Lord said to me, “Look up at the sky.”

When I looked, I heard a voice saying, “Be careful, My people. Evil is certainly coming but be careful. I don't want divorces. I don't want evil. I don't want rebellion and fornication. People are coming to Church these days but they don't know the way of the Lord. The Antichrist has hardened the hearts of many. They don't respect God's Word, prayer, authority and holy place. They are hardened because the whole earth has drunk from the Antichrist.”

I saw that the space dragon was happy and he was encouraging them to continue to sin.

CHAPTER 18

THE CHAMBER OF FORNICATORS IN HELL

Brother and sisters, the mercy of the Lord is on the earth abundantly but everybody will face the justice and holiness of God in the after life. We have been taught that God is only love, yet the Lord is also a God of justice and holiness.

When you read the Bible properly you will see that not all preachers are preaching the Truth. You are accepting the gospel of money, luxury, and worldly treasure that will lead you to the place of perdition.

The Bible says the Lord will send the spirit of lies so that they will believe in lies.

2 Thessalonians 2:11 And for this cause God shall send them strong delusion, that they should believe a lie.

1 Kings 22:22 And The Lord said, "unto him, Wherewith? And he said, I will go forth, and I will be a lying spirit in the mouth of all his prophets. And He said, Thou shalt persuade him, and prevail also: go forth and do so.

Thus people believe in the so-called gospel of prosperity, glory, and success. They think they are going to heaven with the worldly gospel. Yet 85 percent of people in Hell have no understanding of the kind of sins and offenses that led them to that place.

I said in the beginning that I have visited the 351 chambers of Hell during 351 days. This was in the framework of the call of God and the anointing of the Lord Jesus. It was actually the Lord Jesus who came to my house to take me to visit the 351 chambers of Hell. Not just Hell but also the kingdom of paradise. The kingdom of the tribunal of the Lord. The world of satan. The world of prayer and fulfillment and blessing. These are the experiences I had with God.

I said last time I visited the chambers of those who were condemned for sexual immorality. The Bible says in 1 Corinthians 6:18 Flee fornication. Every sin that a man does is outside the body, but he who commits fornication sins against his own body. 19 Or do you not know that your body is a temple of the Holy Spirit in you, whom you have of God? And you are not your own.

Beloved, I talked about those who had sex in their thoughts and their dreams and their eyes. They were stained and could not enter the kingdom of God.

I am not giving this testimony to scare people but to edify God's people so that those that are deviant would come back to the way of the Lord.

When we were leaving the place of those who had sex in dreams, thoughts and eyes, we rose up higher above the valley and we crossed the border to another region of Hell. When we came down we were above the river of flames where people were screaming as they were burned in fire.

Brother and sister, Hell is a volcanic kingdom where there is no wind and no water like in our world. I saw that there was no sun in Hell but thick darkness in the atmosphere. As we were moving, I saw damned souls being tormented by fire and demons.

I said to the Lord, "Why is that men are burning in the fire but demons are not burning?"

The Lord said, "Their time has not yet come but the time of their punishment is coming."

When we reached the peak of the mountain, I thought I would see a flat land but we saw another valley that was very deep, full of river of burning lava and screams of pain were rising from the valley.

The Lord said, "This valley is the valley of those who had sexual intercourse out of marriage. It is the valley of fornicators. Let descend and see their torment."

Brother, when we were descending in this valley, the fire was intense and souls were burned in very high temperatures and screaming. The torment was intense and unbearable. In view of these horrors, I was crying.

I said, "Lord, I cannot bear this horror. Please return my soul to the surface. I promise to tell the world about this place."

The Lord said, "This is for your interest. You got to warn the world that Hell is real."

When we reached the ground of this valley, I saw a river of lava that was splashing like an ocean wave and hitting the rocks. At this point, I could hear intense screams of the lost souls but I could not see them. Then we enter inside the river of lava and we descended deep beneath the lava. Immediately I began to see a pit of fire.

In the first pit, I saw a lady who had her hands tied behind her back. And her legs were spread. I saw that she was tormented by 6 huge rats that were devouring her genital parts. All her body was burned in the fire but her private part was not burning for it was devoured by these huge rats.

When the lady saw the Lord she begged for help. She said, "Lord, pity my soul have mercy. Now I believe in You now. I accept You in my life and I give up my sins. I want to get back in the right way and walk in Your principle. I was ignorant about this place. I thought Hell does not exist. I thought it was just talk but now I believe. Lord give me one minute to return to earth and to tell the people of the world that Hell exists. Just give me 30 seconds. When I return to earth I will repent and keep Your word and fear You. I will be faithful and obedient."

When I looked at the Lord I saw that He was crying and I was also crying.

The Lord said to the lady, “My daughter, you had so many opportunities to repent on Earth but you refused to do so. How can you say that you will repent in 30 seconds? You had a life time of opportunity that you have squandered. You knew that My word was against illicit sexual acts but you went on to have sex out of marriage. It is too late for your judgment has been pronounced. It is written that the fornicator has his portion in eternal punishment. This is your inheritance for I cannot do anything for you anymore.”

Revelation 21:8, But for the fearful, and unbelieving, and abominable, and murderers, and fornicators, and sorcerers, and idolaters, and all liars, their part shall be in the lake that burneth with fire and brimstone; which is the second death.

The Lord said, "It is too late."

The woman kept begging the Lord. She said, “Lord, have mercy. Grant me favour please.”

The Lord said, "At this stage, there is nothing I can do."

Then the woman got silent watching the Lord for she knew that she was not leaving this horrendous place. And she asked the Lord to remove these huge rats that were devouring her private part but the Lord said, “My daughter, I love you but I cannot do anything. It is too late.”

She said to the Lord, “If You really love me, You would have saved me from this place.”

The Lord who was in tears turned His attention to me and He looked at me in the eyes and said, “Aston, do not wait until it is too late. Go tell the inhabitants of the world they should not wait until it becomes too late. Things should not reach this level. You gonna tell the people of the world that scorn My servants, warning them. Time is short and judgment is near. Every man will be held accountable for his deeds.”

The Lord was talking to me and the lady was also hearing His warning silently. Then she began to beg the Lord again to have mercy on her. I saw that the Lord had shed a lot of tears for the lady and the Lord’s garment was wet because of the tears. He was pouring a lot of tears for the lady.

As the Lord was looking at the lady, He said to me, “You see, this lady has lost her virginity at the age of 14. She was not a prostitute, but whenever she was engaged with a man for 6 months or 2 years they were having sexual intercourse like married people. One day she fell sick and she had a headache that led her to death. People have to keep the principle of God for sexuality and the Word is against sexual activity out of marriage.”

Finally we left this woman. When we reached the following pit, I saw a man that was climbing his pit. He was saying, “I must leave this pit. I cannot take it anymore.”

I saw that the pit was like 30 meters and his pain was intense inside. And he wanted to come out of it. He was climbing to come out and when he reached the top of the pit, I saw a demon showing up and this demon trampled on him. As a result, he fell down. I was pained to see how he fell down in an altitude of 30 meters. And the demon descended down there and began to trample on him. His bones were broken but he was not dying.

He was crying and saying, “This is unbearable. I cannot take it. I want to die. What have I done to suffer this? I want to die.”

I said, “Lord, what has he done to deserve this torture?”

The Lord said, "This man was not a prostitute for he only slept with one woman all his life who was his wife, but he had sexual intercourse with his wife during engagement before marriage. They were living like married people and after many years they got married and they had children. And they lived in marriage for 40 years. And when he died he fell here.”

I said, “Lord, it is true that they had sex before marriage. But they got married and he was faithful to the same woman.”

The Lord said, "Marriage does not erase sin but My blood does.”

I said, “Lord, he was faithful in marriage and they were already married despite sex in the engagement period.”

I was like a lawyer defending this man before the Lord.

Jesus said, “My son, marriage does not remove sins they have committed in engagement. They have failed to confess and ask for forgiveness for those sins before marriage. That is why he is here. If My people, who are called by My

name, will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.” (2 Chronicles 7:14)

Beloved, we must learn to confess and turn away. It is not because I am testifying that I am worthy to enter the kingdom of Heaven. We all have to humble ourselves. Testifying is just the grace that I have received but we must fight and battle to save our souls. When we confess our sin we must make sure that we are moving away from these sins. We must come back to the way of the Lord abandoning the old way.

We were in this chamber of sexual sin. When we moved to the next pit, I saw a demon raping a woman. This demon was rotting and there were worms all over his body. And when he was raping this woman all the worms on his body were falling covering the woman.

I said, “Lord, what has the lady done to suffer such torment?”

The Lord said, "The lady was attached to sexual activity. It was like a game for her. She had no limit. She slept with men without reservation and this is her torment.”

When we moved to the next pit, I saw a man who was skeletal. He was inside hot oil boiling and burning him. However his genital part was still flesh and disproportionate. I saw that a demon introduce a hook in his genitalia which was voluminous. This was horror.

I said, “Lord, what has this man done to be tormented this way?”

The Lord said, “One day he was at home resting. His younger sister received the visit of her friend but she was away. Given this man’s sister was away, he took this opportunity to make advances on her sister’s friend. The latter said to him, ‘I am a friend of your sister and we have become like a family. I cannot accept this behavior. This is not right and it will not work.’ When the young lady refused this man, the man was embarrassed but he was unwilling to give up. The man said to the young lady, ‘It’s OK, let forget about this and let’s consider that it never happened. But there is something to drink. Let me offer you some juice.’ However the young woman began to feel insecure and insisted that she had to leave but this man continued to insist to offer her something to drink. In the end the young lady accepted to wait because of the man’s insistence. This man went inside his room and undressed and he came out of his room naked before the young lady. He asked her to sleep with him but the

young woman refused to sleep with him. The man grabbed the young woman in order to force her. And while they were struggling, thankfully for the lady there was a knock on the door. It was actually this man's father that was knocking on the door. Quickly the man went back in his room and dressed. And he had never slept with the young lady. However, he has failed to confess the exposure of his nakedness and genital organ to the lady. Thus his male organ is being tortured in Hell."

Brother, the member of our body that takes us to Hell will be tormented. Since this man has exposed his male organ to the young woman his male organ was being pulled with hook by a demon. And that was his torment. And I saw that his private part was rotting and was pulled with a hook.

Then we moved on to a place where there were women who had suffered rapes in their lives.

I said, "These women were raped in their lives. They are the ones who have suffered the rape and abuse. Why should they be here?"

The Lord said, "Let us move forward and see."

As we went forward I saw a woman laying on the ground. Her legs were spread and cockroaches were coming out of her private part. And her chest was cut and worms were coming out.

She was saying, "I have done nothing to be here. I don't deserve it."

I asked, "What has she done?"

The Lord said, "She was raped by soldiers in the war-torn east of Congo. When these soldiers have finished raping her they cut her belly with machetes and she died."

The Lord said, "If only she was My servant and My daughter, she would not have fallen in this place. It is because she died in sin that she fell here."

Then we continue to move in this place of sexual sin punishment. Then I saw a hole and from that hole, there were screams of torment. And when we got there I saw people standing and shivering. When I looked at these people, I saw that they were covered all over the body with cockroaches. Their bodies were completely covered with these cockroaches and they were shivering.

The Lord said, "These people you see here have dishonored themselves by having sex in bars, in tunnels, in cars and public places. Since they have dishonored themselves in public places they are being dishonored here in this dark hall."

This was my visit to the valley of fornicators.

1 Corinthians 7:2 Nevertheless, to avoid fornication, let every man have his own wife, and let every woman have her own husband.

1 Corinthians 5:1 It is reported commonly that there is fornication among you, and such fornication as is not so much as named among the Gentiles, that one should have his father's wife.

Ephesians 5:3 But fornication, and all uncleanness, or covetousness, let it not be once named among you, as becometh saints;

1 Corinthians 6:13 Meats for the belly, and the belly for meats: but God shall destroy both it and them. Now the body is not for fornication, but for the Lord; and the Lord for the body.

1 Thessalonians 4:3 For this is the will of God, even your sanctification, that ye should abstain from fornication:

Ezekiel 16:26 Thou hast also committed fornication with the Egyptians thy neighbors, great of flesh; and hast increased thy whoredoms, to provoke Me to anger.

Matthew 19:9 And I say unto you, Whosoever shall put away his wife, except it be for fornication, and shall marry another, committeth adultery: and whoso marrieth her which is put away doth commit adultery.

1 Corinthians 10:8 Neither let us commit fornication, as some of them committed, and fell in one day three and twenty thousand.

Galatians 5:19 Now the works of the flesh are manifest, which are these; Adultery, fornication, uncleanness, lasciviousness,

Jude 1:7 as Sodom and Gomorrah, and the cities around them, in like manner to these, committing fornication, and going away after other flesh, laid down an example before-times, undergoing vengeance of everlasting fire.

Revelation 2:14 But I have a few things against thee because thou hast there them that hold the doctrine of Balaam, who taught Balac to cast a stumblingblock before the children of Israel, to eat things sacrificed unto idols, and to commit fornication.

1 Corinthians 5:11 But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater, or a railer, or a drunkard, or an extortioner; with such an one no not to eat.

Revelation 9:21 Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

Matthew 5:32 But I say unto you, That whosoever shall put away his wife, saving for the cause of fornication, causeth her to commit adultery: and whosoever shall marry her that is divorced committeth adultery.

Revelation 2:21 And I gave her space to repent of her fornication, and she repented not.

Numbers 25:1 And Israel abode in Shittim, and the people began to commit whoredom with the daughters of Moab.

Mark 7:21 For from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders,

Acts 15:20 But that we write unto them, that they abstain from pollutions of idols, and from fornication, and from things strangled, and from blood.

2 Corinthians 12:21 And lest, when I come again, my God will humble me among you, and that I shall bewail many which have sinned already, and have not repented of the uncleanness and fornication and lasciviousness which they have committed.

Matthew 15:19 For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies:

1 Corinthians 5:10 Yet not altogether with the fornicators of this world, or with the covetous, or extortioners, or with idolaters; for then must ye needs go out of the world.

1 Corinthians 7:1 Now concerning the things whereof ye wrote unto me: It is good for a man not to touch a woman.

Galatians 5:21 Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God.

1 Corinthians 5:9 I wrote unto you in an epistle not to company with fornicators:

Ephesians 4:19 Who being past feeling have given themselves over unto lasciviousness, to work all uncleanness with greediness.

Acts 15:29 That ye abstain from meats offered to idols, and from blood, and from things strangled, and from fornication: from which if ye keep yourselves, ye shall do well. Fare ye well.

Acts 21:25 As touching the Gentiles which believe, we have written and concluded that they observe no such thing, save only that they keep themselves from things offered to idols, and from blood, and from strangled, and from fornication.

Colossians 3:5 Mortify therefore your members which are upon the earth; fornication, uncleanness, inordinate affection, evil concupiscence, and covetousness, which is idolatry:

Hebrews 12:16 Lest there be any fornicator, or profane person, as Esau, who for one morsel of meat sold his birthright.

Hebrews 13:4 Marriage is honorable in all, and the bed undefiled: but whoremongers and adulterers God will judge.

1 Timothy 1:10 For whoremongers, for them that defile themselves with mankind, for menstealers, for liars, for perjured persons, and if there be any other things that is contrary to sound doctrine;

Revelation 22:15 For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.

Leviticus 18:6 None of you shall approach to any that is near of kin to him, to uncover their nakedness: I am the LORD.

1 John 1:9 If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.

Ephesians 5:33 Nevertheless let every one of you in particular so love his wife even as himself; and the wife see that she reverence her husband.

CHAPTER 19

THE CHAMBERS OF SEXUAL SINS: CONDOM USERS, ABORTERS, PORN VIEWERS, IMMORAL POPES, PASTORS, POLITICIANS, GAYS, AND LESBIANS

Welcome, beloved. I was visiting the chamber of sexual sin where there were many departments.

PROSTITUTES IN HELL

Then we moved to a place that looked like a concrete bed of fire, where demons were throwing people. It was like a bed of fire where people were burning, for they were in prostitution in their lives. They are laid on this concrete bed of fire because they used to lay on the bed of prostitution. This was their torment, they would lay on this concrete bed of fire.

As we were there, I heard a young lady saying, “Lord, my mother and father were pastors, please get me out of here.”

Immediately we moved towards the lady.

And the Lord asked her, “My daughter, is this place really the portion you have chosen over Me?”

She replied, “Lord, I wished I had listened to my parents. My father and mother talked to me and warned me about hell. I was hearing about this from my parents all the time. I was not ignorant about it. But I did not expect this place to be so horrible. I failed to listen to my parents when they warned me. I was influenced by my friend in university and we used to go out to prostitute ourselves and sleep with men. We were sleeping with our teacher in university to get marks and to pass, and we were going to bars and night clubs to sleep with men for money. Through prostitution, I dishonored my parents who were respected in our city. It was a shame. They used to say to me, ‘Daughter, with your lifestyle of sin that you lead in university, if you continue to harden your heart refusing to repent, you are running a grave danger, for there is a place

called hell or place of torment,' but I ignored their warning. I could not understand the gravity of this place and I continued with my lifestyle of prostitution. One day I went out to bars and nightclubs with a man to have fun. It was when we were coming back to the university that we had an accident and I fell here.”

The Lord looked at this lady and cried.

The Lord said, “My daughter, you had the time and opportunity to repent in the land. But why have you squandered your life and opportunity? Now, look at where you have fallen. It is too late.”

In this place, I saw a world celebrity that was living in prostitution. And I saw people of all races and all nationalities.

IMMORAL POPES AND PASTORS IN HELL

I saw many Popes of ancient times in this place and I was stunned. They were cast on this bed of fire and they were in torment.

I said, “Lord, Popes are being tormented in this place.”

The Lord said, “They have an appearance of piety but denying its power.” (2 Tim 3:5)

The Lord said, “These priests are a bunch of hypocrites. Many of them pretended that they have no children, but they have children and their girlfriends are the sisters of convents. They said to themselves and to sisters in the convents, “If we sleep with sisters of the convents, it's not an issue for we are saints and they are also saints. It's between us.””

The popes that I saw here were from a century ago before I was born. They all slept with sisters of convents and they had children for they considered that the sisters were saints like them. They pretended to live in holiness yet they slept with sisters. They gave the sisters money and they had children with them. This was prostitution.

In this place I saw pastors and these pastors were severely tortured. Demons put something that looked like a Bible on their chests. It was not a real Bible, but a metal Bible heated at high temperatures that they pressed on their chests. Demons told these leaders who came here because of immorality, “You knew the Bible very well. Show us your knowledge.”

This concrete bed of fire was a bed of prostitution, I could not see its beginning and its end and they were countless souls that were trapped in this concrete bed of fire. We finally flew over the concrete bed of fire.

Then I saw a river of lava and beneath the river of lava, I saw countless souls that were held captives and chains. They were down beneath the river of lava

SOULS IN HELL FOR PORNOGRAPHY

Above the river of fire, I saw TV sets, phones, tablets and all kinds of electronic apparatus.

The Lord said, “These souls were attached to pornographic movies. They were watching pornography on TVs, phones, tablets and all these electronic devices, which were shouting “Justice” above the river.”

These apparatus were condemning them. These phones that they were using may have broken down, but in hell, they will shout justice for they are the ones who have stained these devices.

I saw TVs and phones floating and claiming justice. The more these apparatus were claiming justice, the more these huge chains were binding these souls that were dammed. I saw that these chains were rising higher to the surface.

The Lord said, “These chains were rising to Earth. When those who watch pornography die in their sin, this chain would bind them on the neck pulling them beneath the sea of lava.”

Brother, I always feel pain when people in funerals say to their deceased loved one, “Rest in peace,” for many are not going to the place of peace and rest.

When the rich man died, the Bible says his soul went to the place of torment and the majority of the dead are going to the place of torment, but people keep saying, “May your soul rest in peace.”

I saw people confessing and demanding mercy in the place of torment, but it was too late for them. They were millions of souls in the lava and in chains because of pornography. They were stuck in the depth of lava. They could not even float above the sea.

They were deep down and we descended, I saw that these chains were bigger than humans. These chains were suffocating them tightly.

SOULS IN HELL FOR LESBIANISM AND HOMOSEXUALITY

I saw a place that was a huge pit and inside that pit, there were people and they were in the flames. They were like dizzy, running in all directions, seeking escape from the fire and they were crying.

I saw that these people were holding their private parts. Actually, I saw that snakes were coming out of their private parts. These snakes were moving all over their bodies entering their eyes moving to the belly and coming out in their sexual part. I saw all kinds of demons above the pit and they were mocking and laughing at these lost souls.

Jesus said, “These are women who had sex with women. They are lesbians. These men here are the ones that were in sodomy and homosexuality. Their fingers and sex organs were replaced with snakes.”

Among these people, I saw a national politician. This politician was entering in a homosexual relationship with men that were working in his cabinet. In order to work in his government department, they must accept to sleep with him. I saw that his genital organ has turned to a snake that was biting him.

I saw another politician who was killed by the president. He was an opponent and he was hanged and executed because he opposed the dictatorial regime of the late President Mobutu but he was also in homosexuality when he died in that political execution.

To my surprise, brother, I saw the former President Mobutu himself in this place of lesbians and homosexuals. Our late President Mobutu was a man who behaved like a king in the country. This man caused chaos in the country. He liked glory and authority because he thought he was a god. I saw that the former president was tormented by men who were here.

These men said to him, “You are the one who brought us here and we are lost because of you.”

I saw that these men were biting the late president in his genital part, accusing him of being the cause of their torment.

I said, “Lord, even our president is in this place of homosexuals and lesbians.”

The Lord said, "This was the lifestyle he chose when he was on the earth. He was sleeping with women and men. All the men he slept with are here."

They were assembled before him and they were accusing him and they were biting his private part.

I saw that in hell that was what is called the place of entertainment. Brother, if you had killed a man and caused a woman to fall in hell, you will be brought to the place of entertainment so that the people you brought to hell can torture you. Anyone who came to hell because of you will torture you in hell because you are the reason for which he fell in hell.

DAMNED SOULS IN HELL FOR ABORTION

Then we left the place of lesbians and homosexuals. As we were moving. I saw a huge pit with countless babies. They were crying and saying, "Mommy, why did you stop my life? Why did you not allow me to live? Oh Lord, may justice be done."

I saw that there was no fire here. I was stunned to see so many babies in hell. This is really horrendous.

The Lord said, "These are aborted children. When their parents die, they will receive their justice."

I said, "Lord, but there are countries that authorize abortions."

The Lord said, "The devil knows that it would not be easy to convince the majority to accept abortion. That is why he has entered the political system to make it a law and they legalized sin that is supposed to lead people to hell."

Then I saw a woman who was burning in the fire.

She said, "Lord have mercy. Get me out of here."

She said to Jesus, "My husband was working in a good place. Then he lost his job and we began to suffer poverty. One day he said to me, 'Darling, since we are in financial difficulty, we should not have more children. We have to prevent unwanted pregnancy for we will not be able to finance their studies.' Not long after that decision, I got pregnant by accident and he got angry. He forced me to abort the pregnancy. I went on to abort and everything went well.

However, many months later, I got pregnant again for the second time and I aborted. It is when I got pregnant for the fourth time that I got into trouble and I died during the abortion process. I died because of his decision. He forced me. He is left in the world with the children but I am dead and I am suffering because of his decision.”

The Lord said, “No one is responsible for someone else’s action.”

The Lord said, “Who are these babies that are tormenting you?”

She said, “These are the four babies I aborted in the world.”

[The real aborted babies go to heaven to be with Jesus. The aborted babies in hell are projections of the condemned conscience to torment such women eternally for committing those abortions.]

THE TORMENT OF CONDOM USERS

I saw that all these women that have aborted, their wombs were rotting. When I was watching them, I saw above us a huge condom with sperm that was rotten and have become acid. And inside these condoms were men who were using condoms to prevent pregnancies. They were killing children because of condoms and they were burned by this acid inside the condoms that were shouting “Justice!”

Then I saw a man inside this condom. He had agreed with his wife to leave a space of two years between children and he was using condoms in order to avoid unwanted pregnancy. He fell to hell because he wasted his sperm by using condoms since he did not know how to calculate the menstrual period in time.

This chamber of hell was massive and there were those who had sex before marriage, those who had sex in their dreams, those who had sex in their minds and thoughts, those who had sex with their eyes and those who were in prostitution. There were those who aborted. I saw those who fell in this chamber because they were using condoms to prevent pregnancy.

Then the Lord said, “It is almost dawn on the earth. We have to leave this chamber.”

As we were leaving this chamber of sexual sins, I saw a man that was dragged inside this chamber by demons.

He kept saying, “Release me. Leave me alone.”

I saw that his genital organ was disproportionate and it was rotting and there were worms coming out.

I said, “Lord, what is wrong with this man?”

The Lord said, “He is in the habit of introducing his finger in the genital organ of little girls and this is his punishment.”

Then we left the chamber of sexual sin and when I woke up, I saw that it was 7 am.

CHAPTER 20

JUDGMENT AT THE GATE OF HEAVEN FOR CHRISTIANS WHO HAVE DIED

Beloved, God's children will stand before the gate of heaven when they die. They are not going directly to the place of torment. Yet they are not entering within the heavenly city gate. They will stand before the gate of heaven to receive God's judgment.

I was raptured in heaven. And when I got before the pearly gate of heaven, I saw the deads in Christ singing songs of worship. They were in the queue before the ancient gate of the holy city. I saw that the gate was opened for some of these saints that were admitted to the eternal kingdom.

However some of these saints were turned away despite the fact that they have reached the gate of heaven. When I joined one of the 12 gates of heaven, I found myself in the queue of God's people.

Immediately the Lord told me, “Pay close attention to what will happen here.”

When I looked, I saw a lady that was dressed in a white garment. However, when she got closer to the gate of heaven, I saw her white garment disappearing. And I saw that she was dressed in leggings. She was wearing an

undershirt. And she had a wig on her head. When she saw that she was in tight leggings, she was embarrassed and ashamed.

Then I saw the gate of heaven opening and an intense light came out of the city. Immediately I heard a sweet voice emerging from the city.

I heard the voice of the Lord saying to the lady, “My daughter, everything you are wearing on your body does not belong to this kingdom. And you cannot enter this kingdom with this adornment.”

When the lady heard these words from the Lord, she said, “Lord, it’s not me. It’s my husband. When I was single I used to dress with modesty. I was practicing holiness of the body for I had given up pants, makeup and wigs, and all these vanities. It is when I got married that my husband began to pressure me to be modern and sexy and presentable to people. He did not like my way of dressing. I had no choice since I wanted to please my husband. I thought I had no choice I had to follow the will of my husband.”

Immediately I heard the voice of the Lord saying to the lady, “You broke My commandment because of the love of your husband. You have no portion in this glory.”

At that moment I saw the pearly gate of heaven closing. When the woman heard the Lord speaking that way she fell on the ground and began to cry.

She said, “Lord, I have run this race for heaven all my life. Did I run in vain? I lived this life fearing You and keeping Your words. And I was faithful to my husband. I was never a fornicator. I was going to church and I served You and I paid my tithe. I did all that the Bible required.”

At that moment, Brother, I saw the ground opening where the lady was on the pavement. And she was swallowed by the ground which has closed itself.

When this happened, I saw the Lord Jesus crying.

I said, “Lord, where did she go?”

The Lord said, “She has lost her place. My son, My words are truth and I am the Word. Whoever claims to have received My Word has received Me. If you have received a part of My Word and refused to comply with another part of My Word you have not received Me.”

I said, “Lord, what is the voice emerging from within the city gate?”

The Lord said, “It’s My voice.”

But I could not understand that the Lord was by my side and also within the city.

The Lord said, “My son, you will tell the Church that women who wear wigs will not enter My kingdom. Tell My Church women who use makeup will not enter My kingdom. Tell My Church women who wear pants and tight leggings exposing the shape of their bodies will not enter the kingdom of heaven.”

As the Lord spoke I felt pain and I cried for this lady. But I noticed that there were no tears in my eyes.

An angel got closer to me and said, “There are no tears in heaven and there are no cries in heaven.”

Deuteronomy 22:5, The woman shall not wear that which pertains unto a man. Neither shall a man put on a woman’s garment; for all who do so are an abomination unto the Lord thy God.

Beloved, when I finished testifying yesterday about a woman’s adornment, I received a phone call from a brother in France who watched my testimony on YouTube. He sent me the definition of pants. And when I checked the dictionary, it was clear for the dictionary defines pants as a man’s clothes, not a woman’s clothes. And the Bible says a woman shall not wear that which pertain unto a man for all who do so are an abomination unto the Lord thy God.

The devil is so cunning that he designed the so-called lady pants. Yet pants are man clothes according to the dictionary definition.

In the time of Moses, the priests were wearing pants like underwear beneath the garment in order to hide their feet and nakedness. But today people are wearing it in the street.

And for God's children living in the western world, we recommend them to wear pants as underwear in order to protect themselves from the cold. It is used as underwear in winter for protection.

I am giving this recommendation. This is similar to what Prophet Branham instructed women to wear back in the 40s and 50s for protection against the cold.

This lady lost the race because of trying to please her husband instead of the Lord.

I then saw another lady dressed in white before the gate.

She was about to enter the gate when the voice of the Lord within the city gate said to her, “Stop, you cannot enter. Those who are divorced and remarried will not enter the city.”

She was disqualified and cast out to the outer darkness.

Matthew 5:32 But I say to you that whoever divorces his wife for any reason except sexual immorality causes her to commit adultery, and whoever marries a woman who is divorced commits adultery.

Then another lady came. I saw on her white garment around her heart the garment was torn and it was red.

The Lord said to her, “You still have conflict, rancor, and hate in your heart for people.”

The lady began to cry and said, “Lord, I have served You faithfully on the earth.”

Matthew 7:21 “Not everyone who says to Me, ‘Lord, Lord,’ shall enter the kingdom of heaven, but he who does the will of My Father in heaven. 22 Many will say to Me in that day, ‘Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?’ 23 And then I will declare to them, ‘I never knew you; depart from Me, you who practice lawlessness!’

I saw another woman at the gate of heaven. She was barred from entering the kingdom of heaven because her husband requested anal sex and oral sex from her. She complied with the request of her husband for she wanted to please her husband. They practiced these things in bed.

The Lord tells me, “Tell My Church that the marital bed must be exempt from stain.”

Hebrews 13:4 Marriage is honorable among all, and the bed undefiled, but fornicators and adulterers God will judge.

Brother, I remember that Peter said women whose husbands are not Christian will repent because of the character of their wives. It is the partners who know God that are supposed to influence their husbands, not the other way round. It is not marriage that will take you to heaven - it is by doing the will of God. The word of God is absolute. The feeling and emotion of your husband will not change God's word.

1 Peter 3:1 Likewise, wives, be in subjection to your own husbands, so that if any do not obey the Word, they may also be won without the Word by the conduct of the wives, 2 having witnessed your chaste behavior in the fear of God.

Then I saw a man standing before the gate. When the gate opened, the Lord said to him, "You have failed to support and assist your father and mother because your pastor claimed that they were witches. You turned your back on your parents. I am not a God of rancor, conflict, and hate. Whoever fails to take care of his family shall not see My kingdom."

1 Timothy 5:8 But if anyone does not provide for his own, and especially his family, he has denied the faith and is worse than an infidel.

Brother, this man was told that his parent were witches. Thus he had rejected them. Yet the Bible says to love your enemies. We cannot reject parents and loved ones for these are the people that God placed around us.

Maybe you have an issue with a family member and you are in conflict and you have turned your back on him. In any case, we must practice love for the Lord said in Matthew 5:43 "You have heard that it was said, 'You shall love your neighbor and hate your enemy.' 44 But I say to you, Love your enemies and pray for those who persecute you, 45 so that you may be sons of your Father who is in heaven. For He makes His sun rise on the evil and on the good and sends rain on the just and on the unjust. 46 For if you love those who love you, what reward do you have? Do not even the tax collectors do the same? 47 And if you greet only your brothers, what more are you doing than others? Do not even the Gentiles do the same? 48 You therefore must be perfect, as your heavenly Father is perfect.

This man had hatred for his own parents because they were supposedly witches. And he refused to assist them and hear about them. And he was disqualified.

I saw that all people that were disqualified kept saying, “Lord, we have served You, we have done this and that for You.”

In truth, they failed to do the will of God which is His word.

Brother and sister, I saw a man coming towards the city gate. He was dressed in white. I saw that the more he got closer to the gate, his garment was sparking light which got stronger and stronger. Immediately I heard harps and trumpets playing - there was great music. The more this man walked towards the pearly gate of heaven more light and more sparks of light were flowing from him. I saw that the man was singing songs of worship. As it is written in Psalm 100:4, Enter into His gates with thanksgiving, and into His courts with praise. He sang brother Alan’s song called Divine Love. He also sang, “This is the end of my suffering. I will go there among the angels to say thank you to Jesus.” I saw the angels of heaven that were singing along with him. When the gate of heaven opened great light emerged.

I heard the voice of God saying to him, “Come closer, My beloved son. This is the kingdom of Your beloved Father. You deserve to enter this glory.”

Beloved this was a born again Christian. But I saw that he was overwhelmed because he did not believe he would make it. He was like when you win millions in a lottery. He was shouting and glorifying God while the angels were playing brass band and sounding trumpets for him.

The Lord said to me, “People are saved in three levels. Firstly they are people that are simply saved. Secondly, they are people that are shamefully saved and they are people that are strongly saved. Those who are shamefully saved are born again believers that don’t evangelize. They don’t pray regularly. They don’t read the Bible every day but they were still making an effort to keep My word.”

Then I saw a man standing before the gate of heaven. The Lord asked him, “Have you helped your family?”

He wanted to start justifying himself.

The Lord said, “My son, you are beloved and welcome to this kingdom. You do not need to justify yourself at this stage. Enter the kingdom of your Father.”

I asked the Lord, “Why did this man try to justify himself?”

The Lord said, “He was supporting My work with a lot of money but his family with little. This was not out of hate. He preferred to support My work over his family. People give a lot to pastors but they are refusing to give to their family members. You will tell My children to support first their family and then My work. They should not ignore the need of their family in order to support Me. Firstly they must support My family and then My work.”

CHAPTER 21

THE UNCLAIMED MANTLE OF REVIVALIST ALEXANDER OF CONGO

I was transported beyond the grave to see the grave realities of the afterlife. When I saw the spirit world and the world of the dead, I was feeling despondent because of the things that I saw. Grave and dangerous realities are waiting for humanity beyond the grave.

I was so horrified that I said, “Lord Jesus, if I ever serve You please get me out of here.”

Quickly, the Lord Jesus Christ appeared to me and said, “I want you to tell the world about the realities of the afterlife and the judgment awaiting humanity.”

Then the Lord began to show me the world. It was in absolute darkness.

Isaiah 60:2 For, behold, the darkness shall cover the earth, and gross darkness the people: but the LORD shall arise on you, and His glory shall be seen on you.

I said, “Lord, I can only see darkness.”

The Lord said, “This darkness is not the night but people’s deeds. The people of the world are walking in darkness. That is why you see the world covered by darkness. People are walking in ignorance; even My people are attached to the things of the world. Light has come into the world but people love darkness instead of the light because their deeds were evil. (John 3:19) I said, You are the light of the world. A city that is set on a hill cannot be hidden. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it gives light to all that are in the house. (Matthew 5:14-15)”

The Lord showed me the world clearly. The Lord told me, "Let Me rewind the time so that we can travel to the past."

Immediately I saw the Lord making a hand sign. He was scrolling something. As a result, we translated in time and found ourselves in the past. The Lord is the Master of time and circumstances. I saw that when I was out of the body with the Lord as we traveled to the past, my senses were powerful. I was able to recognize people that I don't know. I have never seen the Revival leader Alexander. I heard about this man who is the instigator of the Revival hitting our country but when the Lord scrolled the time and took me to the past, quickly I saw a man that was dressed in safari clothes and he was walking in the street.

At that moment I saw another man coming down from heaven. This man was dressed in white and he had wings.

I said to the Lord, "Master, who is the man walking the street and who is that man coming from heaven and having wings?"

The Lord said, "You don't know the man dressed in safari clothes and walking the street?"

Quickly the Lord pulled out a photo and He showed me a photo. At that moment I was able to recognize the Revival leader Alexander.

I said, "Lord, what about the man who is winged and who is following him?"

The Lord said, "A man is a man. An angel is an angel and God is God. The one coming down from heaven with wings is My angel. He is an angel. Say angel."

I said, "Angel."

The Lord said, "I am showing you the death of My servant the Revival leader Alexander."

When the Lord spoke that way I saw this angel of God that came down. He was behind the man of God and then he touched him on the shoulder and he said, "I just came to tell you that your time is up. It is time for you to go back home in glory."

The leader Alexander said to the angel of God, "OK, let me do a few things I am supposed to do."

Then the angel of the Lord returned to Heaven. I then saw Pastor Alexander prepare for his death. I saw the Lord moving His hands down as if He were scrolling something. He was actually fast-forwarding days. As a result, time was fast-forwarded quickly and a few days later the man of God Alexander died. I saw people crying and mourning for him as the news of his death began to spread.

While people were crying, I said, “Lord, look. He is not dead for he is sitting on the side of his body smiling.”

He was actually the first man I saw in the afterlife laughing in great joy. I saw the leader Alexander was holding a star that was shining. I saw that he was complaining. He was looking at his shining star and said, “I came to this world with this star and I regret the fact that I have not left it with someone. I should not have taken it with me in the afterlife. In the coming years, there will be hard times for the Church. I wish that there is someone to take this star and continue with what I have started. There are hard times ahead and he can take this star in order to continue my mission in the country.”

The man of God seemed to be seeking for someone who was supposed to take his star.

While the people who are crying for his death, at that moment I saw a luminous celestial vehicle descending from Heaven. When the heavenly car landed, I saw bright angels of God descending and walking towards Pastor Alexander. The Revival leader was happy to see them. When he was about to embark on the celestial vehicle with the angels of Heaven, they were observing the people who were crying for his death but they could not see them.

Finally, the heavenly vehicle took off the ground and rose in the sky. As I stood watching the celestial vehicle, I saw that the heavenly vehicle stopping in space. As the celestial car was suspended in the air, I saw the Pastor Alexander coming out of the celestial vehicle and he stood in space watching the country and the man of God lamented for the country.

His tears fell on the land of the country and he said, “There is no one to succeed me. There is no one that will keep the Church which is the light of the nation.”

Then I saw Alexander saying, “I'm not going with the star. I will leave it above the country so that someone may take it and continue the work I began.”

The man of God took the star and he pressed it on the empty space and I saw the shining star suspended in the air and then this pastor entered the heavenly vehicle which rose towards the sky.

The Lord said, “This man was My faithful servant. He served Me in spirit and truth. He walked in My fear in his life and he kept My word. However, there is no one to continue his mission. He has not left a successor. Therefore, there is coming confusion in My Church in Congo. There is coming love of money, materialism and personal interest. The devil will hijack and sabotage My Church. There is no one that will carry the star now.”

Acts 20:29 For I know this, that after my departure savage wolves will come in among you, not sparing the flock.

I said to the Lord, “Who can replace this man in the country? There must be someone.”

The Lord said, “When the time set by God comes, the replacement will come. Whoever walks in holiness, purity, and My fear, the one who keeps My principles will be his successor.”

The Lord said, “My servant Alexander got this star from the late prophet Simon who died in the 60s but he could not find a servant to pass it to.”

At that moment the Lord made a gesture with His hand as if He was scrolling the world. Actually, the Lord was rewinding the time. As a result, we landed in the time before the birth of Pastor Alexander.

I mean the Lord took me to a place in the spirit world where human spirits wait before their birth on the earth. It was made known to me that we were in the immigration center in the spirit world where we were able to see the past, the present, and the future.

Actually, the Lord showed me that before the birth of this pastor, there was a divine discussion about his mission on the earth and it was agreed that since the treasure he was carrying in his spirit was great and heavy his life on the earth should be limited. He would not reach 80 or 90.

When this decision was taken in the divine council, when the man of God was about to be born in the world, the Lord took me to the second heaven and I saw the Devil holding a council. On the agenda was the life of the man of God Alexander who was about to be born on the earth.

In this gathering of demons, I saw a marine spirit, a water goddess of a local Congo river among the congregation of demons before Lucifer.

She said to the audience, “Since this man to be born is sent by God, we will not be able to do his deviate his mission and destiny. He will surely fulfill his mission the way his God wants him to do it. However what we can do is this: we must work on his spiritual heritage and the spiritual children and those who follow his teaching. We must work in order to stop his faithful from continuing his mission. We don't want him to have the kind of children that will continue his mission. Therefore, his message should die with him. There should not be any continuity of his ministry after his death. Let's stop him from spreading his knowledge through books and training. He must die with his teaching. If the next generation of leaders in Congo ever masters his teaching, the Church in Congo will rise and will be used by God to touch the world. This baby that is to be born should not pass his teaching to the next generation for it's dangerous. His teaching will be powerful and God's treasure in him is too heavy.”

Brother, this was the resolution of the council of Lucifer in the second Heaven about the baby that was to be born. Thus the Church in Congo has not profited from this leader in terms of his teaching to evangelize the country and win souls.

When the man of God was driven back in the heavenly vehicle, I saw demons who were waiting for his death so that they could stop what he has started.

Pastor Alexander was a man of God but his teaching was not well known.

Brother and sister, in the immigration center in the spirit world, when human spirits are to be born, there are fallen angels who are stars hunters. These fallen angels investigate the stars of babies that are to be born to deviate babies from their destinies and missions.

They failed to stop the mission of this man of God, Alexander, and only succeeded in preventing him from leaving his mantle and star to his followers.

Then the Lord fast-forwarded the time again. As a result, I saw an accident happening in the main boulevard.

The Lord said, “Do you remember this accident that happened in the year 2017?”

I said, "Lord, I'm in amazement. I wish I can fast forward and rewind the time like You. I want to rewind the world so that I can experience events and times like You. Basically, I wanted to go back to the normal world."

The Lord said, "When people die on the earth, God sends His heavenly vehicle for souls that belong to Him. Those who don't belong to Him will go to the place of torment for it is appointed for man once to die and after this the judgment. For those who died before their time will wander the earth until they reach their time."

When we were beyond the grave, I saw people with a light on the foreheads. The light was either shining strongly or blinking or turned off.

The Lord said, "Those who are hypocrites and those with double lives, their light is blinking because they live in sin. They take pleasure in confessing their sin and they still practice it. They failed to come out of their sin and they sin deliberately in order to confess. Yet whoever practices sin is of the devil."

The Lord said, "People whose lights are turned off go to Church to hear the Word. They go to Church but in their heart, they're no longer My children. Those people whose lights are shining stronger are people who walk in My fear and evangelize."

As we continue to move I saw churches that were shining but other churches have lights turned off.

The Lord said, "There is no light in many churches. They preach the false Gospel of prosperity yet people are dying because of sin. They do things for their own interests. There is no glory. My light is in the life of those who fear Me and walk in My word. Whatever you are following in this world tell the people everything will be destroyed."

While we were moving in the spirit world, I saw dark vehicles moving in the country. The vehicles of hell were filled with dark energy and there was darkness. There were world music and Christian music playing in the vehicle of demons.

The Lord said, "These Christian songs do not come from My Spirit. You will tell My people they're not supposed to compose songs for Me. They are supposed to receive songs from My Spirit, the inspiration in order to praise and worship Me. They must not write songs from themselves in order to sing for Me

for I will only receive songs that My Spirit gives you. When you sing for popularity and money, the devil will inspire you.”

The Lord said, “Music used to change people to heal and deliver but the devil has changed everything.”
